

AHYAH

LISTEN TO MY NAME IS PLAHU FOR A DEEPER INSIGHT!

What name do YOU use to identify our Creator? I will not be so arrogant and foolish to tell YOU what to think, because it is really your choice. Each man must find this on his own, and many of you do have the correct response to this question which is " **the answer is found in your spirit**". Therefore, if you chose to use this as a guide I will be happy to help you. I found the name of AHYAH almost four years ago when I did a broadcast called **They live because we sleep**" you can find this on Blog Talk Radio or **HERE** on HWUNET.

I also created a PDF file called AHYAH to explain the name as well. I also made this file four years ago. I have grown a lot since that time, so this blog is going to reflect on how my views matured. I have not changed on the Name of our Creator the Creator of all things. The Name just like four years ago is still AHYAH and I found this when I did not know as much as I do now. I found this when I was waking up to the deceptions about how the Church Fathers created Christianity and Judaism. Searching for the proper name of our Creator is how I was inspired to do "**They live because we sleep**" I found it because I noticed that YHWH was based on the Ugarit god Baal and how this god Baal associated to Yahweh, the Ugarit people where a people that lived from 6000 BC to around 1200 BC their roots are also from the people called the Canaanites.

The scriptures identify them with Ham or Canaan. This means they where a Black African people based on the Bible. In His Story, you will find that the Canaanite People started to mix with the cultures from the north the tribes of the Indo Europeans the Hittites. This is how the people of Ham became a lighter completion, because they started to marry the people of the North Hittites the Indo Europeans. Those people are called the Ugarit People they lived in an area called Ebla around 1800 BC. The Ebla came from the Sumerian tribes of 2500 BC. It could be safe to say this is where the story of Nimrod comes from. The Sumerians are also called Eblaites they where an African Asian people, this means they are a Semitic people. These are the ones that came into Egypt around the 4th Dynasty 2500 BC, they also have a relation to the Amu people which are the Hyksos that came into Egypt around the 1700s BC. The Hyksos are the ones that changed the spiritual practice of Egypt and is why we have a religion called Judaism

today. You can find more information from a great article called [Debunking the Hyksos Theory by Masimba Musodza](#).

I mention all of this to explain that in order for you to find and know the name of our creator you have to do more research than just looking at a name in Hebrew. You can look at the ancient Paleo the middle Aramaic or the modern Yiddish until you are crossed eyed, but if you do not know or research the history you will not understand. Likewise, each man must find this on his own and in his own time. However, I mention this history to explain why I know in my Spirit that the Name of our Creator is AHYAH. The Ugarit influenced the Egyptians and the Hebrews. They worshiped a god by the name of EL. The god EL is also Baal which is called Yahweh. Yahweh was a representation of the Ugarit god and this god came from the influence of the Indo European. The god El, Baal and Yahweh represent the same deity represented by the Tetragrammaton YHWH. The Tetragrammaton or YHWH is known in the Hermetic Kabbalah as Shemhamphorasch, which is the combination of 72 names that create the 216-letter name of god. I call them the Demonic 72 because they are the rulers of the other 216 demonic entities. In addition these demonic deity are in reference to Exodus 23:20-21.

“Exodus 23:20; Behold, I send an Angel before thee, to keep thee in the way, and to bring thee into the place which I have prepared.

Exodus 23:21; Beware of him, and obey his voice, provoke him not; for he will not pardon your transgressions: for my name is in him.”

NOTE: This is what they believe and this is what the occult teach. Why are they so bold to use these scriptures, because the story about Moses was a conflation of the Hyksos history and the story of the Original Hebrews?

(See Exodus Decoded)

Therefore, you have to add this information into your research in order to understand why I am speaking against the Yahweh god.

The angle of YHWH is Archangel Metatron. Now this should be cause for concern because this is not the name of our creator, this is the god of the Hyksos. The information related to the Tetragrammaton being the 216 letters of YHWH can be found in **Exodus 14: 19-21**.

“**Exodus 14:19** And the angel of God, which went before the camp of Israel, removed and went behind them; and the pillar of the cloud went from before their face, and stood behind them.

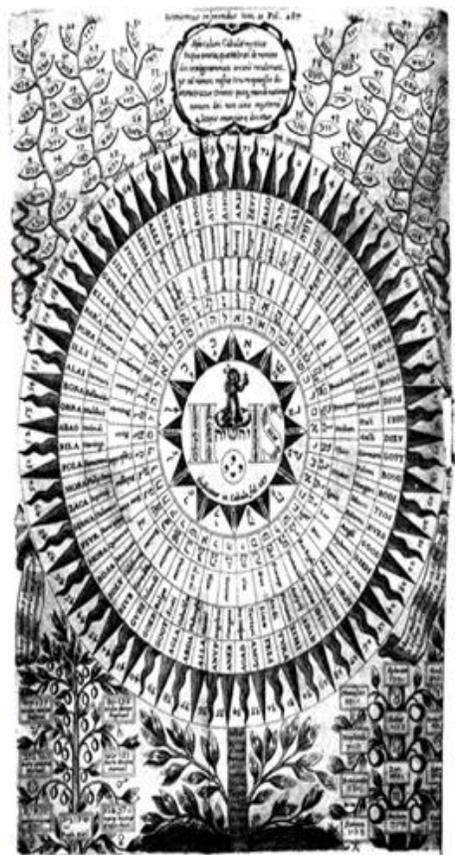

Exodus 14:20 And it came between the camp of the Egyptians and the camp of Israel; and it was a cloud and darkness to them, but it gave light by night to these: so that the one came not near the other all the night.

Exodus 14:21 And Moses stretched out his hand over the sea; and the LORD caused the sea to go back by a strong east wind all that night, and made the sea dry land, and the waters were divided.”

This is the **SHEMAMFORASH** it is based on the Hermetic Quabalah the name of their god is **yahweh** also known as **baal** or **el**.

There are **216** letters that make up the **Tetragrammaton**, and the **Tetragrammaton** is **YHWH** the **216** letters of **god**. This is called Hermetic Qabalah Mythology, which is Satanism and The Satanic Bible by Anton Szandor LaVey, Goetia, The Lesser Key of Solomon, Demonology, Edward Alexander Crowley and Hermetic Order of the Golden Dawn. Therefore it is the root of Hermeticism which is the system of Pythagoras that goes back to 600 BC.

So what does this have to do with the name of our creator? Everything, because those that have told use the names are the same ones that hidden the name. They destroyed and usurped the history of all the tribes on this earth that honored and worshiped the Creator in the way that was pleasing to AHYAH. The many tribes on our planet existed for over 6000 years; the different creations of humanity have been on this planet for hundreds of thousands of years. How do you think they worshiped AHYAH? You have to expand your knowledge further then Christianity, Judaism and Islam. You are in a paradigm of control that has consumed the whole world.

" The House of Yahweh believes that it is the one true faith, as instituted by Yahweh, according to the Bible. Many of the assembly's teachings are similar to those of Herbert W. Armstrong. HOY believes Yahweh is the name of the creator of the world, that Yahshua is the name of the Son of Yahweh, and that he is their messiah. They teach that many other titles—such as God, EL Elohim, Lord, Baal, Adonai, Jehovah, Jesus and Christ - are names or titles of pagan beings or idols, or are mistakes, that have been falsely ascribed to Yahweh."

(It should be obvious they do not read history or they LOVE LYING!)

- **Herbert W Armstrong member** of the KKK and the one that introduced the racist doctrinal belief of British Israelism and G. G. Rupert's doctrines.
- **Buffalo Bill Hawkins** aka Yisrayl Hawkins House of Yaweh founder in 1974 and former member under racist pastor Herbert W Armstrong.
- **History of British Israelism** this gose way back to 1649 it is a good read except at the end they mistake the Kassites (HYKSOS) for the Hebrews.
- **Christian Science and British Israelism** this is the root of Zionism and how Israel became a state in 1948 it is all racial hatred.
- **British Royal Family?** If this is true then the pink people of the Royal family where the dark black Hebrew Slaves in Egypt.
- **House of Saxe-Coburg and Gotha?** I wounder how Saxe-Coburg and Gotha can be the Hebrews... this is strange.

- **House of Saxe-Coburg-Gotha the same ones that killed over half the population of the Congo in slave labor.** House Of Yahweh really!
- The ones that enlaved the Hebrews are trying to be the Hebrews and they worship Yahweh.

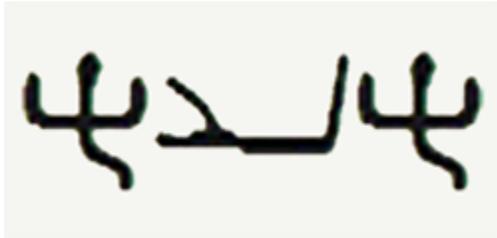

IT IS OUR IGNORANCE OF HISTORY THAT ALLOW THEM TO LIVE

They live because we sleep!

Okay now I said all of that to get to the reason why I am doing this teaching. What is the Name of our Creator? I will answer this with many questions. **How** do you name something you cannot explain? **How** do you name something you cannot see, but you can feel? **How** do you compare the unknowing to the knowing? **What** name do you give a feeling? **How** do you pass this Name down from generation to generation with the total emotional connection that was present when the translation of the Name first came to be? So you see I cannot tell you the Name of AHYAH you have to rediscover it within your spirit. However, we do have a guide and that guide can be rediscovery in the Ancient Paleo Hebrew Characters.

The name AH Y AH is two symbols in the Ancient Paleo Hebrew

(HEY) AH and (YUD) Y

The Paleo Hebrew (AFRICAN) was here 500 years before the **Aramaic (Babylonian)** Hebrew. The Paleo Hebrew looks nothing like the Aramaic (Babylonian) Hebrew or the **Modern Yiddish (German)**. The Paleo (AFRICAN the original) is more related to the Egyptian alphabet because it was influenced by it, and it is because the Hebrews are the Egyptians. Hebrew not **(German Yiddish pretending to be Hebrews)**, but Hebrew is our original language mixed with the other Black African tribes that went into Egypt during the 4th Dynasty 2500 BC.

The Aramaic (Babylonian) is nothing like the original it is Afro Asiatic which means it is a hybrid of the original. The present modern Hebrew is Yiddish (German). The German Hebrew the Yiddish is what is used today to tell us the name of our Creator. The is used in the Cabala. The Cabala was first created around the 1st century BC after the 72 Jews took over the Original Hebrew culture “**Simeon bar Yochai**” was the first Jew to write the Cabala this was around 70 AD over 700 years after the Paleo Hebrew was taken over by the Aramaic Hebrew. The Cabala was inspired by the first usurper Jews in the 1st century BC, the father of the Cabala (Simeon bar Yochai) inspired the modern version in 70 AD, the Cabala did not become main stream until 1200 AD and now you have the Hermetic **Kabbalah** which was created in the 15th century AD.

I mention this because the names we see for example; Yahweh, **Hayah**, YHWH and Elohim all come from the Jews that conflated the original Hebrew story. The names do use the core of the original Paleo African/Egyptian language because the Jew is using the **Cuneiform script**, which inspired the Egyptian hieroglyph, which also inspired the Proto Canaanite alphabet and the

Phoenician alphabet. Therefore, they are taking the information from the root and conflating it so they can usurp it and control you. If you do not know this, you will error in your conclusion.

So when you try to find the name of our Creator you are looking at a lot of deception and confusion. The usurper Jews can be traced from the Sumerians, to the Ugarits, to the Amalikites, to the Hyksos, to the Edomite and finally to the usurper Jews of the Greek Era of the Ptolemy Dynasty. When you research this line, you will see that they are referencing the Babylonian Aramaic Hebrew. When the Edomites converted into Judaism around 200 BC they took over everything Hebrew of the Egyptian/ Hebrew line. They are the ones that inspired the **Shemhamphorasch** which is based on the **Tetragrammaton**, which is the **YHWH** the 216 names of **THEIR god** and this is the root of confusion.

So what is the name? And how did I find it?

The name is **AH Y AH** which is **AHYAH!**

How did I find this?

In the Original Ancient Hebrew you find two symbols the (HEY) and the (YUD).

Now think about this. The name of our creator can be explain with just two characters. No complicated Babel or hidden occult messages just two ancient Hebrews symbols.

The symbol (HEY) = (Man with arms raised) **AH** this means **LOOK REVEAL BREATH**.
The symbol (YUD) = (Arm and closed hand) **Y** this means **WORK THROW WORSHIP**.

When translated into the written form we get **AH Y**

This is telling us a story. This is clear message that explains our Creators name.

LOOK REVEAL BREATH this means **LIFE** to **Exists**

WORK THROW WORSHIP this means action **WORKING** to understand, **THROW** is emphasizing that action of working towards know our Creator. This word **WORSHIP** should be self-explanatory. How do you Worship AHYAH? How can you Worship AHYAH if you do not exist?

(AH Y AH) AHYAH is the **Breath** of Life the spirit that gives you the ability to live, and once you know this fact, you cannot help but want to Worship AHYAH, Therefore, like I said in the beginning. This is what I found from within my spirit. I had to do many many years and hours of soul searching and research to find this, but once I found these two simple words his name became so clear.
