### Intro:

Okay brother and sister today is March 11<sup>th</sup> 2013 the official day of Passover. We know that this is the correct day of Passover because as it is written in...”(**Numbers 28:16 And the fourteenth day of the first month is the passover of AHYAH**)”. So since February 25 is the last complete moon of 2012, and the first complete moon of 2013 this day is the Passover which is 14 days into the new year.

In addition March 12<sup>th</sup> will be the first Day after Passover. Now I mention the 12<sup>th</sup> because if they elect a new Pope on this date then you will know that they are still following a Babylonian time cycle and once we understand this than we will know our enemy, and if we know our enemy we can *destroy* our enemy.

**How?** Because if they are a slave to time then knowing how to read time we will defeat them **Right On Time**. Now all of this will have more meaning if they elect a pope on the 12<sup>th</sup> of March 2013. So pay close attention to this process observe the dates and study the Pythagorean sacred number system.

Now I want everyone to understand that 3 years ago I was shown threw research the proper time of the Passover. I was also able to match world events with the Babylonian time cycle. I would also like to remind everyone about the October broadcast of 2012, I did three broadcast and created a document entitled **“Count the number of the beast”** In this document I explained that on **March 11<sup>th</sup> 2013** is a date that the occult hid away for over 2160 years and today is that date. **Therefore** if the events surrounding the resignation ritual of the Pope officially usurer in the beast of the occult, do not fear because it is written that we have the victory.

### **Start Broadcast:**

Now I am going to explain why we have the victory. This broadcast is entitled **“Queen Tiye, Akhnaten, Hebrews, Moors and the so called Africans”**. So why did I name this broadcast this title? Why because it is the truth. We are Hebrews because Queen Tiye the daughter of Yuya and Tjuyu was the Matriarch of the Hebrews. **How?** Because the story of Yacob lives threw Yoseph who is Yuya. The story of the Hebrews lives threw Akhnaten who was later conflated and amalgamated with Moses. *(I will explain this in greater detail in coming broadcast)*. We are called Moors because the blood of Muhammad was of the Egyptians threw Akhnaten. I spoke on this in the October broadcast. I explained how the Banu Hashim out of the Quraysh tribe became the followers of the Fatima branch of Islam. I explained how the message of Muhammad like the message of Yahushuah and the message of Akhnaten were usurped, conflated and amalgamated into what is called Judaism, Christianity and Islam. **We** are so called Africans because of the usurpation of the spiritual practices of the Egyptians and the Persians by the Greeks and eventually the Romans. In addition when the Roman became Christians and the Christians became the Holy Roman Empire or better stated Byzantine Empire the Monarch that developed took control of Asia minor and the lands of Africa and called the people in this land **Africans**. **And** this is why this broadcast is entitled **“Queen Tiye, Akhnaten, Hebrews, Moors and the so called Africans”**

The history that we have been told is a **LIE**. It is a lie because it is **His Story** not **Our Story**. The writers of history would never tell the truth because they have enjoyed their system of lies. This system keeps them in power. Now the questions I would like to address with this broadcast is, **what is the system** and **why and how did they build it and last but not least who or what are they**. The controllers of our planet the European Monarch trace their bloodline to the Merovingian dynasty this Dynasty was in power by the Pope of the Byzantine Empire which was founded by Emperor Constantine after the council of Nicea of 325 AD. This event marked the beginning and is the foundation of this present form of Christianity.

So **what** is Christianity? Christianity comes from the conflation of Judaism and the writings of the founding church fathers. **What** is Judaism? Judaism comes from the conflation and amalgamation of Egyptian spirituality, Persian Spirituality, Indian Hindu scripture and Greek idol worship which came out of the Idaean Cave on the Greek Island of Crete. And of course salted with a little truth stolen from Akhnaten and the original Hebrews. **This is Judaism**. **How** do we know this? Because when Pythagoras developed his system of Pythagorism he incorporated Egyptian spirituality, Persian Spirituality, Indian Hindu scripture and Greek idol worship which came out of the Idaean Cave on the Greek Island of Crete. In addition this Pythagorean Philosophy influenced Plato, Aristotle, Socrates, the founding Church fathers like Clement of Alexandria, Origen Adamantius aka (The Child Of Horus), Eusebius of **Caesarea** and Arius. Arius is the church father that started the Arian controversy which created the foundation of Christianity after the council of Nicea of 325 AD. For a better understanding of these facts I advise you to read a book entitled Stolen Legacy The Egyptian Origins Of Western Philosophy by George G. M. James and a book called The Dying God The Hidden History of Western Civilization by David Livingstone. Both of these books will open your eyes to the lies that created the system of the European Monarchs which is the system of the beast.

Now I would like to make a very important point about Judaism. According to what is researched about Jerimiah the Prophet we are told that he lived in Egypt in the years 655 BC till 580 BC, if this is the case then we have to ask a question. What Egyptian Dynasty was in power at the time? The answer is the 25<sup>th</sup> and the 26<sup>th</sup> Dynastys. Why is this important to know? Because these are the **Nubian Dynasties** also known as the Kingdoms of Kush at this time they ruled from the land of Jerusalem down toward Ethiopia. This is the Area of **Sudan**, the **Kingdom of Axum**, Ethiopia and of course what is called today the **state of Israel**. Therefore if the Hebrew Prophet Yirmeyāhū, lived in this area then he looks like the people that lived in this area at this time. Therefore when Pythagoras stole his so called Greek Philosophy he was stealing it from the Nubians the Kingdom of Kush, which is the Kingdom of Axum, Sudan, Ethiopia the land of Sheba and Jerusalem which is Israel...FACT?

**This is why I am dedicating this broadcast to the people of Yeman called the Akhdam.** Because they are the link between the slaves of the trans atlantic, the Kingdom of Axum, the original people of Fatimah, the Kingdoms of Kush and Queen Tiye our Matriarch the mother of Akhnaten.

Now before I continue I need to address a very important issue. Concerning this name Moors. I am very aware of the history of this name. History tells us that it was the Europeans of that called the Muslims of the Medieval period Moors. The people of Mali, Nigeria, and the Western parts of Africa were absorbed into the Almoravid dynasty which came out of the Fatimah Dynasty that lasted until around 1170 AD. The Moors was a term used like the word Saracen.

**Here is a better explanation of this word that can be found from Wikipedia:**

Saracen was a term for Muslims widely used in Europe during the later medieval era. The term's meaning evolved during its history. In the early centuries CE, the term referred to a people who lived in desert areas in and near the Roman province of Arabia and who were specifically distinguished from Arabs.

Now I want you to let this sink in who was roaming in the desert that was distinguished from the Arabs?

**And it continues:** In Europe during the Early Medieval era, the term began to be used to describe Arab tribes as well.

So now the people that were separate from the Arabs are becoming Arabs. Because they are now being brought into the religion and becoming Muslims.

**And it continues:** By the 12th century, Saracen had become synonymous with Muslim in Medieval Latin literature. This expansion of the meaning had begun centuries earlier among the Byzantine Greeks, as evidenced in Byzantine Greek documents from the 8th century.

Okay...now This is because in the 700s the Fatimah Dynasty was dominated by the bloodline of Isma'il ibn Jafar the son of Ja'far al-Sadiq. Ja'far al-Sadiq was the son of Muhammad al-Baqir, who was the one that wrote himself into the line of Ali and Fatimah claiming he was the son of Ali ibn al-Husayn. Now I explain all of this in great detail in my previous broadcast "Two Branches a Message to the Nations Of AHYAH".

The real father of Muhammad al-Baqir was Muhammad ibn Abi Bakr, and Muhammad ibn Abi Bakr was the son of Abu Bakr the one that murdered Fatimah. This is why you have the split between Shia and Sunni. The Shia followed Muhammad, Ali, Fatimah, Husan and Husayn. The last of this line was Ali ibn al-Husayn the grandson of Ali and Fatimah the last of this bloodline. Now this is very confusing and requires many hours of research, so I advise you to listen to my previous broadcast.

Now the reason why I am going over this is to bring your attention to this name Moors and where it come from. The Arabs are the Sunni Muslims at this time. The people of the desert are the Shia at this time. After Muhammad al-Baqir became the 5<sup>th</sup> Imam his son Ja'far al-Sadiq became the 6<sup>th</sup> Imam, and his son Isma'il ibn Jafar became the 7<sup>th</sup> Imam the Shia branch of Islam was Usurped by the bloodline of Abu Bakr the one that murdered Fatimah, usurped the Caliphate from Ali and turned the message into a religion called Islam. In addition Isma'il ibn Jafar became the founder of Ismailism after this the Shia became the Fatimah Dynasty from 909 AD to 1170 AD. Therefore the people in the desert whom where of the Shia where not Arabs until they became Muslims under the Usurped Shia branch controlled by Abu Bakr and eventually Isma'il ibn Jafar. Okay I needed to explain, because there is a lot more here then what is written. Now we will countinue with the explanation of this name Moor.

**And it countinues:** In the Medieval Romance languages (such as Portuguese, Spanish, French, Italian, Romanian), the Latin word took such forms as mouro, moro, moir, mor and maur. From denoting a specific Berber people in western Libya, the name acquired more general meaning in the Romance languages during the medieval period, partly developing a general meaning of "dark-skinned", partly (much like "Saracens") taking a religious meaning of "infidels" in the context of the Crusades and the Reconquista.

Okay now what this is saying is that the Saracens and the Moors are dark skinned Arabs. They are the people that where forced converted into Islam from 700 AD until 1200 AD the became the Saracens and eventually the Slaves of the Trans Atlantic SlaveTrade. And one more thing. The Arabs that sold us into the slave trade seperated themselves from the Moors, they sold the Moors to the Europeans. His story tells us that the Africans sold there own people to the Europeans, but ask yourself this question. Who is writting Our Story? Because this is half truth.

Like I said before. The people that where rooming the destert in Northern and western Africa came from very powerful Kingdoms, the Kingdom of Axum, the original people of Fatimah, the Kingdoms of Kush and Queen Tiye our Matriarch the mother of Akhnaten, and It must be understood that the European Monarchs changed our names and destroyed our cultured. They divided our people and called us Africans. But we are not Africans we are the descendents of a great powerful spiritual people. We are children of AHYAH All Praise... and today we will know the truth and the truth feels so good.

Okay I am going to play an audio file that will better explain who the European Monarchs truly are and what demonic spirit dwells within them. After I play this audio file we will explore the root of the usurpers.

**BREAK - Play audio file of Prince Philip and his Nazi Connections:**

Open Talk On Audio File.

I play this audio file to bring to your attention what it is we are fighting against. Prince Philip is still controlling Great Britain. Queen Elizabeth is still controlling Great Britain. The British Empire destroyed Africa and created the third world. Prince Philip is a Nazi, The British Monarch Supported the Nazis to the point of Queen Elizabeth Marrying one. Prince Charles, Prince Henry and Harry are sons and Grandsons of a Nazi. Nazis do not like black people. The British Empire controls Africa. In 1884 Great Britain held a conference called the Berlin Conference of 1884 the General Act of the Berlin Conference, can be seen as the formalization of the Scramble for Africa.

Why am I going over these facts in His Story? Because I want to bring to your awareness that Great Britain is run by Nazis. Nazis do not like black people. Every African nation that fought for independence was thrown into civil war. The method used was Communism vs Capitalism, but the truth is both are controlled by the same hand. To better explain this I am going to have to bring your awareness to the core and the true power behind the European Monarchy. I hope after this broadcast you will have a better understanding of this enemy and the system in which it operates.

Be advised I am going to do a series of broadcast to better explain our history and how it was destroyed by the Monarchy. You can look for these in the very near future on Shout-cast Radio or Blog Talk Radio. As for today I would like to answer a few questions. What is the system European Monarchy. Why and how did they build the system and last but not least who really are they.

**So lets see if we can find out who they are? Who is really controlling the British Monarchy,**

**Now we** are told that the first city was built in Sumeria 3761 BC according to usurper records. We are told that Uruk was the first city founded around 4000 BC to 3100 BC, and in scriptures this would be considered the city of Cain because Uruk is the first city according to **His** Story.

“ Gen 6:1 And it came to pass, when men began to multiply on the face of the earth, and daughters were born unto them, That the sons of Elohim saw the daughters of men that they were fair; and they took them wives of all which they chose.

Gen 6:3 And Yahuwah said, My spirit shall not always strive with man, for that he also is flesh: yet his days shall be an hundred and twenty years. Gen 6:4 There were giants in the earth in those days; and also after that, when the sons of Elohim came in unto the daughters of men, and they bare children to them, the same became mighty men which were of old, men of renown. ”

Now I did a broadcast on this called *The Return Of the Anunnaki*. I advice you to listen to the information in that broadcast I go into this topic in greater detail. The events surrounding Uruk and the offspring that came from that union created the present system of today. **3761 BC** was a benchmark. They claim it was the first day of creation which was taught by the Catholic church for thousands of years. But now we find that in Egypt there was a culture called the Badarians that lived in Upper Egypt 1900 years before the first Egyptian Dynasties. We also hear about a 12000 year structures found in Turkey. Called Gobekli Tepe. I am going to read to you a short article about Gobekli Tepe.

This is from a website called ([mystery pile](#)) **And it Reads:**

“Uncovered near Sanliurfa, Turkey, the earliest known ancient ruins called Gobekli Tepe carbon dates to around 9,000 BCE and features carvings and a language that may also be the earliest known form of writing. The ruins are formed in rings of megalithic blocks estimated to weigh 7 to 50 tons each, and are carved with animal figures. Theorists state the megaliths were placed by piling sand up then making a platform. Further theories suggest the opposite, that the megaliths were purposely buried in order to hide them, or that blowing sands over the years covered everything up. It's estimated that another 50 years of digging could finally uncover the entire site. So far there are no sources explaining what the symbolic language means or who was responsible for creating Gobekli Tepe. One significant find, though, is a sphinx appearing to be later replicated ~7,000 years later in Egypt on a grand scale.”

Okay now I am going to play an Audio File that speaks about this find, and after I will speak on this in greater detail. **Play Audio File:**

**Dose anyone see a problem here?**

Why did they build Gobekli Tepe, and the city of Ur in Sumeria. I present these questions, because we need to understand that there is a spiritual battle for the control of this planet. We are being manipulated by a very powerful hidden force. This force chose the present ruling class to dominate over the rest of us. We can see how they consolidated all other form of worship to become the dominate religion. We can see how they remain in power thru superstitions and rituals. From the Sumerians to the Greeks to the Romans and to the European Monarchs all use idols and superstitions to control this planet. This is how they Build this present demonic system.

Now I say this because I want to bring your attention to the team that is researching this 12000 year old structure. The German Archeologist team. Why do we always have to get our information from the same old usurpers? The Germans gave us the Nazis, the European Monarchs, some of the first writers of the Bibles, the true owners of the state of Israel called Zionist, they are the root of the Habsburg Monarchy, which means they are also the Rothschild and the Rockefeller, and now we have the Germans once again taking the lead telling us about History. We need another group exploring Gobekli Tepe. Because the only information coming out of Gobekli Tepe is what they want us to hear. Now I am going to play the second part of this audio file and then comment.

### **Play Audio File:**

Okay now think about what you just heard. They did not find any tools. They sculpted animals they did not live in the area anymore. They say that the structure speaks about a great flood 6000 years before the flood of the bible. They also had enough time to bury the whole structure under twenty feet of sand and take away all their tools and agriculture equipment. Now think about this. They knew a flood was coming why before it came and what happen to the people. Why is it that 6000 years later in the land of Uruk Sumeria the same type of structures are found, and 7000 years later replicated sphinx start appearing in Egypt on a grand scale....? So whats going on here?

Now keep this in mind 12000 years ago the ice is melting. Animals like the woolly mammoth, the Saber tooth tiger, the Woolly rhinoceros, the Giant sloth and other species are disappearing off of the face of the earth. All of these animals are extinct. The neanderthal man was also suppose to be extinct. But they found that 4% of the DNA of the European is Neanderthal. Dose anyone else find this peculiar? Now I have a theory, I spoke on this in my broadcast The Return Of The Annunaki. What if somehow the Neanderthal Man survived the flood and the melting of the ice, by being inhabited with these demonic beings.

What if they where suppose to die, but refused and became the destructive force on this planet. Think about it, they disappear for over 6000 years and then in 4000 BC we see the first city in Sumeria. They replicated the same sphinx in Egypt 7000 years later, showing that that there is a connection. We find out that these people came from the north out of the caves of Gibraltar. We find that on the island of Crete there are caves called the Idaen Caves aka the Cave of Zeus. In these caves we find animal sacrifices and the worshiping of idols. These are the people that are called Horite, Amorites and Amalikites. They are the Hyksos the Usurper Kings. We call them the seed of Cain the seed of the serpent. Notice how they went into Egypt out of the land of the north and destroyed our people and our culture. Okay, so what I am seeing is the reemergence of an Ancient people that where suppose to be extinct, but where given prior waring of a flood.

They hid, lived and worshiped in the caves for over 6000 years reappearing in Sumeria in the years 4000 BC and then started usurping killing and destroying this planet. Now our earth is off balance, because what was suppose to be extinct was preserved by the demonic. Now think about this demonic unseen force that is being worship today.

There is an unseen force that controls our world. This force is the power behind the secret societies. This force is what people like Alester Crowley and Helen Blavatsky wrote about. This is the force that Hitler was inspired by when he was a member of the Thule society. This is how the United States of America was created. We know that some of the founding father where members of the Rosicrucian Hermetic order. We know that American Presidents are groomed by secret societies like skull and bones. We know that Queen Elizabeth the first was deeply involved in the occult thru John Dee. We know that the Catholic church carries the torch of Pythagoras. We know that the Kabbalah and Talmud Zionism controls the politics of Great Britain, United States of America the United Nations, IMF and the World Bank. This world is so deeply controlled by the occult that the Pope dose a Resignation Ritual right in-front of everyone but very few understand.

We are in the hands of crazy demonic people that worship this unseen demonic energy. And they are so confident that they can do Babylonian rituals at the Super Bowl two years in a row. They can turn our entertainment into ritual orgies to their gods right before our eyes.

So what's going on? Did something 12000 years ago disrupt the natural process of our planet by demonic possession of the bodies of an ancient civilization of people that where suppose to be extinct? Was this Genesis 6<sup>th</sup>?

“ Gen 6:4 There were giants in the earth in those days; and also after that, when the sons of Elohim came in unto the daughters of men, and they bare children to them, the same became mighty men which were of old, men of renown. ”

So was the writers of Genesis telling us about why there was a flood, and how the gods entered into this world? Because this is speaking about demonic possession.

Now I mention this not to depress you, but to wake you up to what is really going on. This world was not created to die. This world was created to live. Our purpose on this earth is to experience life. We are the creation of AHYAH, we are spiritual beings experiencing something as special as life.

But something has hijacked this process. This earth is billions of years old. How is it that there is a structure found 12000 years ago. But we read that the world became void and without form 6000 years ago? We are told the earth became void and without form this is a LIE. Why the Lie?

Who or what hijacked our planet? Because in the year 2013 our oceans are poisoned, our sky is polluted with chem-trails, the perfect seed created by AHYAH is now being genetically manipulated. Animals are being cloned, nuclear weapons are poisoning the soil, women are being sterilizer and their babies are being aborted. Animals are becoming extinct, trees are disappearing, once great beautiful tribes of people in the Americas, Africa, Asia and Australia are becoming extinct. People are dying by man made disease like Aids, Swine flu. Bird flu and plagues. What is going on? How can a 4.5 billion year old planet be destroyed at this magnitude in less then 100 years?

This world was not created to die. This world was created to live. Our purpose on this earth is to experience life. We are the creation of AHYAH, we are spiritual beings experiencing something as special as life.

Now I mention Go bek-**li** Tepe, the Sumerian civilization and Ancient Egypt to show you that something happen to this earth 12000 years ago. Man was changed. Now the question. Was “*Queen Tiye, Akhnaten, the Hebrews, the Moors and the so called Africans*” suppose to be the solution of that 12000 year demonic influence? Because when you learn about how Yuya and Queen Tiye and Akhnaten taught how to worship the creator and not idols and how this message was suppressed and usurped. You now can see the results of this suppression. If Akhnaten taught how to respect and understand AHYAH, and how to truly honor AHYAH by respecting all life on this planet, then why did Horemheb usurp him. Why did Horemheb wipeout Akhnaten's name and suppress his message for over 3500 years? Why did the Greeks and the Romans hijack the message and turn it into a religion that is used to control and destroy this planet?

Why? Because we are not dealing with human beings. We are dealing with demonic entities that need this world to be destroyed so they can live. Now many people are calling them space aliens. Well they mind as well be, because the result is the same. They are killing this earth and the only why to defeat them is to become aware of their existence. We first must know who we are Hebrews children of AHYAH, We must know our purpose and our power.

We have the victory we just have to take it. Now this is just the intro to what is going to be the fight of our lives, taking back this planet. So I ask that you educate yourselves and be aware about what is going on, understand that this is a spiritual battle, and understand that you are a creation of AHYAH a spiritual being experiencing a wonderful thing called life.

Do not let these demonic alien, pure evil, deprived spirits steal your purpose. Lets do what we are created to do and that is take back our planet and kill this beast. AHYAH I ask that you send this message out to those that need to hear it. I ask that you give us the power to destroy the British Monarchy and stop these genocidal maniacs from destroying your beautiful creating. Help us expose these demonic entities that hide in dark places. Give us the knowledge to ressisit and drestory the system of the Beast. Okay that you for listening All Praise AHYAH, All Praise ANYAH, All Praise AHYAH.
