### Islam? Definition:

“A monotheistic religion characterized by the acceptance of the doctrine of **submission** to God and to Muhammad as the chief and last prophet of God.

System of beliefs and rituals based on the Koran. It is a monotheistic religion, founded by Muhammad in the seventh century. The term *Islam* is derived from the Arabic verb *aslama* ("**submit**"), and *muslim* means "**one who has submitted**," in the sense of acknowledging or admitting the truth and/or existence of something---in this case, the one God and the mission of Muhammad. In its barest outline, the creed consists of the declaration: "There is no god but God (*Allah*) and Muhammad is His **prophet**."

### And it reads:

"religious system revealed by Muhammad," 1818, from Arabic, lit. "submission" (to the will of God), from root of as-lama "he resigned, he surrendered, he submitted," causative conjunction of salima "he was safe," and related to salam "peace." Islamic is attested from 1791. Earlier Eng. names for the

faith include Muhammadism (1614) and Ismaelism (1604), which in part is from Ishmaelite, a name formerly given (esp. by Jews) to Arabs, as descendants of Ishmael (q.v.), and in part from Arabic Ismailiy, name of the Shiite sect that after 765 C.E. followed the Imamship through descendants of Ismail (Arabic for Ishmael), “**eldest son of Jafar, the sixth Imam. The Ismailians were not numerous, but among them were the powerful Fatimid dynasty in Egypt and the Assassins, both of whom loomed large in European imagination**”

**Okay now** this is the part of the broadcast that you should start recording if you have not already. Also grab a piece of paper and something to write with if you can. **Now** I can not overstate the importance of **recording** this information. I can not overstate the importance of **researching** this information. I can not overstate the importance of **understanding** this information. Record, research and Understand.

I am going to read another definition of the meaning of the word **Islam**. And I would like you to keep it in your memory, because it is a **KEY** point in related to this broadcast.

#### **And it reads:**

" Islamic is attested from 1791. Earlier Eng. names for the faith include Muhammadism (1614) and Ishmaelism (1604), which in part is from Ishmaelite, a name formerly given (**esp. by Jews**) to Arabs, as descendants of Ishmael (q.v.), and in part from Arabic **Ismailiy**, name of the **Shiite sect** that after **765 C.E.** followed the **Imamship** through descendants of **Ismail (Arabic for Ishmael)**, “**eldest son of Jafar, the sixth Imam. The Ismailians were not numerous, but among them were the powerful Fatimid dynasty in Egypt and the Assassins, both of whom loomed large in European imagination**” (**Like I said keep this in your mind**)

Okay now I am going to read the definition of the word religion.

#### **Religion:**

“a set of beliefs concerning the cause, nature, and purpose of the universe, especially when considered as the creation of a superhuman agency or agencies, usually involving devotional and ritual observances, and often containing a moral code governing the conduct of human affairs.”

#### **Origin of this word religion:**

1150–1200; Middle English religioun (**stem of religiō**) **conscientiousness**, piety, equivalent to relig (āre) **to tie, fasten** ( re- re- + ligāre **to bind, tie**; compare ligament) + -iōn- -ion; compare rely

Religion "respect for what is sacred, **reverence for the gods**,"[5] "**obligation, the bond between man and the gods**"[6]) is derived from the Latin religiō, the ultimate origins of which are obscure. One possibility is derivation from a reduplicated \*le-ligare, an interpretation traced to Cicero connecting lego "**read**", i.e. re (again) + lego in the sense of "**choose**", "**go over again**" or "**consider carefully**".

**Okay lets break this down:**

“Religion a conscientiousness choice or obligation to tie, bind, bond or fasten ones self to what is **sacred**. To show reverence to the gods by creating a bond between man and the gods by choice.” “Devotional and **ritual** observances, that often contain a moral code that governs the conduct of human affairs” **Now what is a Ritual:** An established or prescribed procedure for a religious or other **rite**. **Now** I wanted to read this definition to remind you what a religion is, and also bring your attention to the part of this definition that state: the ultimate origins of the word **religiō** are obscure, but the origins can be traced to **Cicero. (Whom is a Greek Hermetic Philosopher )**

Okay at this point let me be completely clear. The Hebrew culture and History was not created to be a religion, but was usurped and through time became three religions Judaism, Christianity and Islam.

**So what is ISLAM. And Please record this message.**

So first let me start by telling **Our Story**. Now because of time we will start with Abram and Ishmael. Abraham meaning Father had a son named Ishmael. (yish-maw-ale' meaning - **AHYAH will hear**)

Yishmâ'ê'l had a wife named HA gar (haw-gaw'r' now in the Ancient Hebrew charecters her name means - **The First to walk with AHYAH** – now think about this. HA GAW was the first of the people of **Mitzrayim** to Walk with **AHYAH**. She was the daughter and a concubine of the King of the people of **Mitzrayim**.

Now here is something I discovered about this word **Mitzrayim: And it Reads:**”**Mitzrayim:** is the Hebrew name for the land of Egypt, with the dual suffix -āyim, perhaps referring to the "two Egypts": Upper Egypt and Lower Egypt.” **Now** you have heard this common meaning I am sure? **But** there is a deeper meaning for this word **Mitzrayim that is not so common.**

**Here is what I found on a website called Wordnik.com And it reads:**

“Mitzrayim, the Hebrew word for Egypt, means “straits,” “narrow place,” or “blockages.” **And,** “The Hebrew word for Egypt is **Mitzrayim**, which translates as “**tight spot**.”” **And,** “One meaning of Mitzrayim, the Hebrew word for Egypt, is “**narrow places**” or “**straits.**””

**And from wikipedia:**

It also can mean "**boundaries, limits, restrictions**" or "**narrow place**"  
And of course we also know that Mitziām means **bondage**.

Now lets research this in Our Original Hebrew Language the Ancient Hebrew Characters.

**Mitzrayim:**

**First,Top,Begginig \ Chaos, Mighty, Blood \ Wait,Chase,Snare,Hunt \**

## **Work, Throw, Worship**

Now think about this **Yismael** and **Hagar** are the first of Abraham to know AHYAH. Now where did they go after they left Abram? And why does **Mitzrayim** mean **Chaos, Mighty, Blood**? And why are words like **Wait, Chase, Snare, Hunt** in the meaning of this name? **So the question.** Who is hunting **Mitzrayim**? Now before we unlock the door. I would like to explain something. When ever we see these three words when researching or original Hebrew language we see these three words Work, Throw and Worship. Now in our language this is telling us that what ever is happening here there is a connection to AHYAH all praise. How do we know because of this word **worship**. This will make since as we proceed in this broadcast.

Okay now hang in there this will all come together in a moment. now one more definition. The prime root of the word **Mitzrayim** comes from H6696 *tsor*:

### **And it Reads:**

A primitive root; to *cramp*, that is, **confine** (in many applications, literally and figuratively, formative or hostile): - **adversary**, assault, beset, besiege, **bind** (up), cast, **distress**, fashion, **fortify**, inclose, lay siege, **put up in bags**. Okay are you starting to see why this word means **bondage**?

**Now lets discover why the Ancient Hebrews used those words.**

## **First, Top, Begginig \ Chaos, Mighty, Blood \ Wait, Chase, Snare, Hunt \ Work, Throw, Worship**

First lets read the definition that we found on the internet and put this all together:

### **And it Reads:**

"Mitzrayim, the Hebrew word for Egypt, means "**straits**," "**narrow place**," or "**blockages**."

And, "The Hebrew word for Egypt is Mitzrayim, which translates as "**tight spot**"

And, **Mitzrayim**, the Hebrew word for Egypt, is "**narrow places**" or "**straits**."

Now let me be clear it is not the people of **Mitzrayim** in this instance that are thee adversary or the distressers. It's another people. This word **Mitzrayim** is speaking of events that are sourounding this name. Hebrew AHYAH is tring to tell **us** something.

### **The is from the Book Of Genesis:**

"And Abraham rose up early in the morning, and took bread, and a bottle of water, and gave it unto Hagar, putting it on her shoulder, and the child, and sent her away: and she departed, and wandered in the wilderness of Beersheba. (**Beersheba is in the heart of Israel**) And the water was spent in the bottle, and she cast the child under one of the shrubs. And she went, and sat her down over against him a good way off, as it were a bowshot: for she said, Let me not see the death of the child. And she sat over against him, and lift up her voice, and wept. And YAHUWAH heard the voice of the lad; and the spirit of YAHUWAH called to Hagar out of heaven, and said unto her, What aileth thee, Hagar? fear not; for YAHUWAH hath heard the voice of the lad where he is. Arise, lift up the lad, and hold him in thine hand; for I will make him a great nation. And YAHUWAH opened her eyes, and she saw a well of water; and she went, and filled the bottle with water, and gave the lad drink. And YAHUWAH was with the lad; and he grew, and dwelt in the wilderness, and became an **archer**. Okay now I would like to

say something that I discovered during the course of my research for this broadcast. The name YAHUWAH is one character more than AHYAH. That character means Add, Secure, Hook. Which means AHYAH will add, AHYAH will secure, AHYAH guide hook guide. So after today do not fear using this name YAHUWAH is AHYAH in its helping form. He is fulfilling his promise to HAGAR AHYAH walks with her. **Hebrews are you ready to understand Our Story? Okay let me continue the word Archer as used in Genesis the book of the beginnings:** (Does not mean hunter, it means to Ingress, meaning he became **fruitful** and **multiplied**) **Gen 21:21** And he dwelt in the wilderness of **Paran**: and his mother took him a wife out of the land of Egypt.

**Hagar** took Ishmael a wife from the land of Egypt. Keep in mind Hagar is a **Hamite** meaning a black person (according to the Talmud), So this **Hamite** took another **Hamite** for her son **Yishmael**. So if this is truth then how would the children of **Yishmael** look? The answer **Black** and according to the Talmud and those that started the Trans Atlantic slave trade this is **TRUTH**.

**Okay** so if this is **TRUTH**. Then what happens? Why do the Arabs look more Mongolian than Black? Was Ishmael really the father of the **Arabs**? If so then what happens? **Okay** now the second point:

**Gen 21:21** And he dwelt in the wilderness of **Paran**: and his mother took him a wife out of the land of Egypt.

**Here is a Question?** Where is the Wilderness of Paran? **Answer:** **Paran** is located North of Eilat, South of Syria and West of Jordan. **Now** this is very interesting because there is also a place called **Arabia Petraea** that is located North of Eilat, South of Syria and the Western of Jordan. This area was called at one time the **Nabataean Kingdom**. **Okay this will all come together Hebrews keep with me. So what do Paran and Arabia Petraea have in common? Well let me read this brief description and let's find out:**

"Located between the Sinai Peninsula and the Arabian Peninsula, its northern neighbour was the kingdom of Judea, and its south western neighbour was Ptolemaic Egypt. Its capital was the city of Petra in Jordan. Petra was a wealthy trading town, located at a convergence of several important trade routes. **Nabataean origins** go back to a time when they were nomadic pastoralists in the Negev and the Sinai Peninsula around the 4th century BC."

"The brief Babylonian captivity of the Hebrews that began in 586 BC opened a minor power vacuum in Judah (prior to the Israelites' return under the Persian King, Cyrus), and as **Edomites** moved into open Judaeen grazing lands, Nabataean inscriptions began to be left in **Edomite** territory."

"Sela was the ancient capital of Edom; the Nabataeans must have occupied the old Edomite country, and succeeded to its commerce, after the **Edomites** took advantage of the **Babylonian captivity** to press forward into southern Judaea. This migration, the date of which cannot be determined, also made them masters of the shores of the Gulf of Aqaba and the important harbor of Elath. Here, according to Agatharchides, they became, as wreckers and pirates, very troublesome to the reopened commerce between Egypt and the East." (Okay now I need you with me this is very important. You are hearing Yishmael's story. Yacob's story is happening at

the same time, but Yacob and Yishmael meet. The two branches came together a long time ago now guess where?

Mitzrayim, now think not Eygpt, but Mitzrayim...I will all come together.

**Let me explain:** The Tribe of Yshmael was already living in this Area Paran way before the birth of Esau so we are told, but according to the word Mitzrayim something attacked the people of Yishmael. Something distressed the Hebrews of the seed of Yshmael after they settled in the land of Paran.

Who? **Now** let me read the meaning of the name Mitzrayim one more time.

#### **And it Reads:**

“Mitzrayim, the Hebrew word for Egypt, means “straits,” “narrow place,” or “blockages.”

And, “The Hebrew word for Egypt is Mitzrayim, which translates as “tight spot”.”

And, “One meaning of Mitzrayim, the Hebrew word for Egypt, is “narrow places” or “straits.”

A primitive root **STRONGS 6696**; to *cramp*, that is, *confine* (in many applications, literally and figuratively, formative or hostile): - **adversary**, assault, beset, besiege, **bind** (up), cast, **distress**, fashion, **fortify**, inclose, lay siege, **put up in bags**.

#### **And now the Ancient Hebrew \ Chaos, Mighty, Blood \ Wait,Chase,Snare,Hunt**

So who was **Waiting** , who was **Chaseing**, who was **Snareing** and who was **Hunting**? And dose all this sound familiar? Can someone say **Trans Atlantic Slave Trade**? Now keep in mind they are speaking about the 5<sup>th</sup> Century BC Babylonian Captivity. **Who** do you think was inslaved? Can anyone say **Hebrews**? And who was enslaving the Hebrews? The Edomites they lived in this area and they enslaved **US**. They created a business taking advatage finacally, just like in the year **1452 AD**.

” And I will put enmity **between** thee and the woman, and **between** thy seed and her seed; it shall bruise thy head, and thou shalt bruise his heel.”

Now here is a quick break down. The Edomites enslaved the seed of Yacob and the seed of Ishmael during the same time. In 586 BC the Hebrews of the seed of Yacob where sent to the **Nabataean Kingdom which is known as Paran or Petra. And who was already there? The Edomites. And what did the Edomites do? They inslaved the Hebrews. And the Hebrews Worked ,to Throw off Edom, by Worshipping or calling upon the name of AHYAH. You will start to see a partern once you understand the message. Now Just like Yahushua of 160 BC and the messenger Muhammed of 632 AD we have to call upon AHYAH in 2012. Now what happen after the Hebrews began to call on the name of AHYAH?**

#### **And it Reads: This is speaking about the Edomites:**

”Here, according to Agatharchides, they became, as wreckers and pirates, very troublesome to the reopened commerce between Egypt and the East, until they were **chastised** by the Ptolemaic rulers of Alexandria. ”

Now look at this word **Chastised**: ”to discipline, especially by corporal **punishment**. punish, castigate; whip, beat, flog, spank.” Now if you recall this is when Greece became powerful and started taking over all of Eastern parts of North Africa.

This is speaking about the time when Babylon aka Persia fell. Eygpt feel most of the Kingdoms

feel under the control of the Greeks from the north this is speaking about Alexandra. They where **Chastised**.

**Okay now listen to this from Wikipedia:**

”The **Nabataeans** had already some tincture of foreign culture when they first appear in history. That culture was Aramaic; they wrote a letter to Antigonus in Syriac letters, and Aramaic continued to be the language of their coins and inscriptions when the tribe grew into a kingdom, and profited by the decay of the Seleucids to extend its borders northward over the more fertile country east of the Jordan. They occupied Hauran, and in about 85 BC their king **Aretas III** became lord of Damascus and Coele-Syria. Nabataeans became the Arabic name for Aramaeans, whether in Syria or Iraq, a fact which has been incorrectly held to prove that the **Nabataeans** were originally Aramaean immigrants from Babylonia. Proper names on their inscriptions suggest that they were **true Arabs** who had come under Aramaic influence. Starcky identifies the Nabatu of southern Arabia”

Okay did you hear that? The **Nabataeans** have a connection to the Aramaeans and the Arameans are the **True Arabs**.

**The Book Of Obadiah:**

”The vision of Obadiah. Thus saith the YAHUWAH concerning Edom; We have heard a rumour from YAHUWAH, and an ambassador is sent among the **heathen**, Arise ye, and let us rise up against her in battle. Behold, I have made thee small among the **heathen**: thou art greatly despised. The pride of thine heart hath deceived thee, thou that dwellest in the **clefts of the rock**, (Now I advice you when you get the chance type in Petra in a google search bar and look at a picture of Petra, see how perfect it matches the name **Mitzrayim** )...whose habitation is high; that saith in his heart, Who shall bring me down to the ground? Though thou exalt thyself as the **eagle**, and though thou set thy nest among the **stars**, thence will I bring thee down, saith **AHYAH all praise**. ”

Okay now grab a pen and paper because I want you to write down a few things. After you see it you will know why those of us that are people of color Black People are going thru hell.

**Now as you get you pen and paper I want to make a statement:**

Esau which is Edom who are the Amalikites have stolen the identity of the Hebrews twice. They are trying to destroy the seed and wipe out the root. Why because we are a reminder of their lies. AHYAH all praise create the Hebrews with **color** for a purpose. Now what was that purpose? I believe he wanted the world to identify the ones he gave his true message. This is why they always try to still our identity and why they keep trying to still the message and turn it into a **religion**. So what is the message you ask? Well you are **hearing** it. You are **seeing** it. You are **reading** it. You are **feeling** it. You are **living** it. And you are **beginning** to slowly **understanding** it. This message is from AHYAH the creator of **ALL**. And when he communicates, it is on many levels, and **in** many ways.

Sometimes AHYAH communicates as our **mother nurturing us** as we grow guiding us on how to care for **creation**. And sometimes as our **father when we stray**. The message is living it is alive and forever growing. But the **Edomite Arabs**, and the **Edomite Jews**, and the

**demonic Germanic Amalikites, and Greeks of old, Romans of old, fake Imams, and fake Popes, the Monarchs and Nations all of these fools, do not understand this message. But they will. They think it's about Money, Power and Control. But it's about the simple Truth. And in that Truth you will learn about AHYAH all praise and the meaning of his Name.**

Okay do you have that pen and paper? Now write down the following:

Hebrew of the seed of Ishmael = Hebrews.

Hebrew of the seed of Yacob = Hebrews.

Hebrew of the seed of Esau = Amalikite, Edomite Jews and Edomite Arabs.

Edomites + Horities = Amalikites. So King Harod Of **Idumaeon** = Amalikite.

Edomites + Greeks = Edomite Jews not Hebrews.

Edomites + Romans = Edomite Jews not Hebrews.

Edomites + Yacobs = Edomite Jews not Hebrews. (Why because the wiped out the color)

Edomites + ISHMAEL = Edomite Arabs (Why because the wiped out the color)

ISHMAEL + Yacob = Original Hebrews and Mitzrayim (Why because they are of the same root).

### **Book of Genesis 25:12-16:**

Now these are the generations of Ishmael, Abraham's son, whom **Hagar** the Egyptian, Sarah's **handmaid**( This word in Hebrew mean female slave or extended member of the family, Hagar was to be Sarah's midwife, but when she set her **free** she was able to bare children...there is more to the story. Hebrew do not enslave Hebrews. Get it! ), bore unto Abraham. And these are the names of the sons of Ishmael, by their names, according to their generations: the first-born of Ishmael, **Nebaioth**; and **Kedar**, and Adbeel, and Mibsam, and Mishma, and Dumah, and Massa; **Hadad**, and **Tema**, Jetur, Naphish, and Kedem; these are the **sons of Ishmael**, and these are their names, by their **villages**, and by their encampments; twelve princes according to their **nations**.

**(kjv 1611 ALERT NOTE: Number 12 = Hermetic influence)**

Now take note the son of Ishmael named **Nebaioth**

**Book of Genesis 28:8-9:** And **Esau** saw that the daughters of Canaan pleased not **Isaac** his father; so Esau went unto **Ishmael**, and took unto the wives that he had **Mahalath** the daughter of Ishmael, Abraham's son, the sister of **Nebaioth**, to be his wife.

**Book of Genesis 36:2-3:** **Esau** took his wives of the daughters of Canaan; Adah the daughter of Elon the Hittite, and Oholibamah the daughter of Anah, the daughter of Zibeon the Hivite, and **Basemath Ishmael's** daughter, sister of **Nebaioth**.

Okay now I read this to bring your attention to what this is telling us. Esau intermarried with Ishmael. Kedar and Nebaioth lived in **Petra**. So now think about this. Ishmael is married with Mitzraim, Esau is married with Cannan, the Horites and the Amalikites and all are becoming one people. Now what do you call these people? **According** to the Bible **Arabs**. So we have **black skin Arabs, white skin Arabs, we have very poor Arabs and very rich Arabs** all these people living in one place. Now the very rich Arabs marry the white skin Arabs, and the very

poor Arabs marry the Black skin Arabs and we also have the Dukes of Edom, Serfs, bondmen and free men. Now can you see how societies are create? This is this birth of **chaos** and this how you get **order** out of chaos and then come Kings of the earth.

### **Daniel 2:43**

”And whereas thou sawest iron mixed with miry clay, they shall mingle themselves with the seed of men: but they shall not cleave one to another, even as iron is not mixed with clay. And in the days of these kings shall YAHUWAH of heaven set up a kingdom, which shall never be destroyed: and the kingdom shall not be left to other people, but it shall break in pieces and consume all these kingdoms, and it shall stand for ever.”

**Okay** let me explain how this all relates to this broadcast the Two Branches. At the begining of this brodcast I spoke on the three major religions that control this planet. Judaism, Christianity and Islam. I explain that this word religion means to bind, to bond on self to the superhuman agencies that rule this planet thru devotional, rituals observances and often a moral or enmoral code. I am trying to show that **religion is nothing more then an unseen force with a hidden agenda**. We see that men like Cicero a Greek Philosopher of 1<sup>st</sup> centuray BC help push the concept of Theology which is religion inspired by man like Pythagoras, Plato, Aristotle and Egyptian usurpt Greek Philosophy.

They created the present system of **Greek Hellenistic** Neoplatonism which at it's core is a being by the name of **Hermes Trimegestus**. We also see how this religion was used to usurp and confuse the history of the original Hebrew people of scriptures and strip away the power of those that can create a better planet. **And** final we see how this confusion was also used to serperate these people from there naturally created purpose, by hiding their creator from them whom is **AHYAH all praise his name**, and by divid them from themselves. **We** also see how the original Hebrew people are **one** people whom go by diffrent name like **Mitzriam, Yshmael** and **Yacob** of the Banu Hashem Tribe and how these people became **one**. **One people** thru adversity to express, show, prove, inspire, demonstate and tell the message of **AHYAH all praise** to this sick deprived nearly destroyed world. **And** last but not least we see how our enemies whom go by the name of **Edomite** and **Amalikites** have pledged and joined themselves to the Enemies of (**AHYAH all praise**) in their hope to avoid destruction. **But** once the dry bones begin to **HEAR**, and the dry bones begin to **BREATH**, and the dry bones begin to **LIVE**, And the **SINEWS** the deep tendons start to grow on **OUR** bones, and we begin to see the **FLESH** on our bones and **AHYAH all praise** covers us with **SKIN** and he puts **HIS BREATH HIS SPIRIT** back into **US** and **we begin to know AHAYH all praise once again**. **WE** will **SHAKE**. **WE** Will **LIVE** and **WE** Will Be **ONE BRANCH ONE STICK** in the **HANDS OF AHYAH all prise his name**. And that is how all this relates to this broadcast called the **Two Branches**

**1 Hour Minute Mark Remembering Steve Cokeley moment of silence for respect.**

## Muhammed

Now I am going to tell you a story about a man name Muḥammad of the Banu Hashim People of the Quraysh Tribe named after the son of Yishmael the son of Abram. It's a story about a **Hebrew** from a **Hebrew**, and a story without an **alternative motive**, because I am just trying to get to the **Truth**. And we all know who the **Truth Is All Praise!**

He was from the Banu Hashem Clan his Grandfather refused to worship the idols of Mecca. The Banu Heshem where a light in darkness. They where set apart by AHYAH (all praise). Banu Hashem were of the Quraysh Tribe, but the majority of the Quraysh Tribe was blinded by the **Hermetic myth**. But the root that dwelt in Banu Hashim refused to ignore the **truth** and out of Banu Hashem came a man by the name of **Muhammed Peace Be Upon Him** the seed of **Ishmael and Hagar (the first to walk with AHYAH)** Hagar a black women of **Mitzriam**. Hagar her name meaning (The First to walk with AHYAH) all praise, was a blessing from AHYAH the mother of the **truth** that came from her **womb**. Hagar (the first to walk with **AHYAH**) all praise was before **Sarai** became **Sariah**. Let me repeat that. Before **Sarai** became **Sarah** Hagar Walked with **AHYAH** now Open your ears hear the story. Before Abraham I am. **Muhammed Peace Be Upon Him** was the first to tell the **Truth** in it's **completed** form. Because the message was **completed** for **all** the world to **see**. **He** also came from the root of Yishmael and Yishmael was not as white as snow. This is a Hermetic myth to steal the truth. Yshmael meaning (**AHYAH will hear**) was from Abram which means father. He was from Abram before Abram became Abraham. Let me repeat that. He was from Abram before Abram became Abraham.

**Now open** your ears to this story. **Now** at the time of Muhammed our brother a Hebrew of the seed of Yshmael of the Tribe of Banu Hashem. Lived in the land of Petra the people there where worshiping idols. The seed of Yacob and the Seed of Yishmael where there. The people of Ham known as Mitzraim called the Egyptian where there. They all had Clans or tribes. The Hebrew tribe was called Banu Hashem, but we all came from the Quraysh Tribe. This caused a problem, because the **Edomites** and the **Amalikites** where also in the land. They lived in the area now called Saudi Arabia. Some of the tribes started to forget about AHYAH. Some of the tribes began to marry the Edomites. They started worshiping the gods of Esau at a place called Mecca. And they began to forgot the name of **AHYAH**.

Now let me explain why I keep saying **Muhammed Peace Be Upon Him**. I say this because I want to show respect to those of you who follow the faith of **Islam**. Now I do not believe in **religion**. I believe in **AHYAH all PRAISE HIS NAME**, I do not believe in religion because I am **free**. **100%** Now I still will show respect in the hope that you whom follow **Islam** will listen to me. You just like I have been **lied to**. You are a pawn just like I was in the religion of Christianity. Now if you do not want to be a pawn anymore and you want to be **FREE** like I am then listen to this entire broadcast, **record, research and understand**. Whiel you still can. **'Then** do the things I ask you to do once you understand what I am telling you. **You Get Your Power From AHYAH**, because **AHYAH** is in **you**, **You** are His creation and **AHYAH** needs no **Religion to Control** his **People**, because **WE are born FREE**. Now I am going to explain the **Religion of Islam**.

**The Gods: Orotalt**

Now the **Edomites** worshiped a god by the name of **Allah Ta'ala** also known as **Orotalt**.

Now before I continue am going to read to you information I found concerning this god **Orotalt: and it reads:**

**Source Wikipedia.com:** “The Arabians believe in no other **gods** except Dionysus and the Heavenly [Aphrodite](#); and they say that they wear their hair as Dionysus does his, cutting it round the head and shaving the temples. They call Dionysus, **Orotalt**, and **Aphrodite**, [Alilat](#).

### **Etymology**

**Source: Merriam-Webster's Encyclopedia of World Religions** states that **Orotalt** is a phonetic transcription of the name of the sun god [Rudā](#) whilst Brewer's Dictionary of Phrase and Fable

derives it from a corruption of **Allah Ta'ala** meaning ("God the Most High").

**Source Britannica Online:** “Herodotus wrote that the Arabs worshiped as sole deities Ali lat, whom he identifies with both Urania and Aphrodite, and **Orotalt**, identified with Dionysus. Both accounts concur: Ruldayu and Orotalt are phonetic transcriptions of the same name, Rudā, a sun god.

**Source Fact Monster.com:** according to the Greek writers, **Orolalt** was the Bacchus of the ancient Arabs. This, however, is a mistake, for the word is a corruption of **Allah Taala (God the Most High)**.

Okay now let me explain why I am reading this. I just read four different sources to make my point. This name **Orotalt** is a corruption of the the name **Allah Ta ala** meaning **God The Most High**.

Now let me be clear. **Orotalt** is a corruption of the the name **Allah Ta ala** meaning **God The Most High**. So when you say **The Most High** you are saying a phonetic transcription of the name of the sun god **Ruda**. So when you say **Allah** it is short for **Allah Ta ala** which means **the god of the sun**.

Now this brings me to a question: **If Mohammed Peace Be Upon Him** smash the idols of **Allah Ta ala aka Orotalt aka Ruda**, aka **the Sun god aka The Most High**... Then how in the **HELL** did the name **Allah Ta ala** get **back** on the lips of every **Hebrew** man, women and child that call themselves Muslims **today**? And one more thing.

After knowing this I will never put **AHYAH** all praise with that phrase “**The Most High**” every again.

### **Muhammed**

The Edomite worshiped a god by the name of **Allah Ta'ala** also known as **Orotalt**. Okay now when Muhammed of the Seed of Yihmael was born into the Tribe of Hashem. His tribe was one of many tribes and the Tribe of Shem aka Banu Hashem was a part of the Quraysh Tribe. Now keep this in mind. This the year **619 AD**. Over 500 years after the fall of the Edomite Jewish Temple of 70 AD. Where do you think all of the wealthy Edomite Jews of fallen Roman Empire diaspora went? They went to Arabia. Just like the Hebrews now remember.

Edomites + Horities = Amalikites aka Kenites. So King Harod Of **Idumaeon** = Amalikite.  
Edomites + Greeks = Edomite Jews not Hebrews.

Edomites + Romans = Edomite Jews not Hebrews.

Edomites + Yacobs = Edomite Jews not Hebrews. (Why because the wiped out the color)

So now with in the Quraysh tribe there where many Edomite Jewish tribes that converted into the religion called Islam. **Now** here are a list Edomite Jewish Tribes **Banu Taym, Banu Khazraj, Banu Aus, Banu Qayla, Banū Qurayza** and **Banū Naḍīr** now I should say suspected **Edomite Jewish** Tribe because some could just be **Edomite Arabs**. But any way I bring this point to your attention, so you can understand what is happening in Saudi Arabia at this time. Some of these tribes where very, very, very wealth, they where merchant tribes. They made money off of the religion at the Kaaba. And **Muhammed (PBUH)** was messing with the money.

**Now think Muhammed** was destroying the money. There are two powerful forces that can control man **Money** and **Religion** and **Religion** is more powerful then money and Muhammed was destroying both **with** the **TRUTH** of **AHYAH**...and guess what happened? The gods of **Fortune**, of the Moon, of the Sun, of Venus , of Sex you name it **Muhammed (PBUH)** pissed off over 300 demons, and they where not having it....

**So** what happen? Well what always happens? **Usurpation**? If they **Usurpt** the **Hebrews** and turned them into Israelites and **Usurpt** the **Hashmoneans** and turned them into **Christians** **then** they usurped the **Banu Hashems** and made them **SUBMIT**...Now if you are confused about what I say look at **His Story** and listen **Our Story**. **Record this message**:

## **ALI**

Now time will not permitt me to go to deep into the belief and practices of Islam. So we can weight it and see if it is trully of **AHYAH**, so we are going to Judge Islam on how it treated it's founding members. Lets first start with a man by the name **Alī ibn Abī Ṭālib**. So who was he and why is he important to the **Our Story**? Well **Ali** was the cousin and son-in-law of **Muhammad Hashem**. He was also the first male to accept the **truth**. He was only 10 years old when he first accepted and understood what **Muhammed (PBUH)** was saying. **Ali** never worshiped the gods of AllahTala **aka** Orotalt the Sun Deity. And like **Muhammed Hashem** he is from the **Banu Hashem** People. So this means he is of the seed of **Yishmael**, and the seed of **Yishmael** is from the Tribe of **Quraysh**, and **Quraysh** is the name of the first son of **Yishamel**. So therefore **Ali** is 100% Hebrew from the deep **Sinew**....

**Ali** was the only person born in a place called the Kaaba sanctuary in Mecca which is the holiest place in Islamic faith. He was rased in the same house hold as **Muhammed**, so they grow up together. His mother and father where **Hanifs** which mean they followed a belief of one god. Now guess what god that was? They did this way before **Muhammed** went to the cave and talk the Angels in the dark. They knew **AHYAH** in there heart and expressed this feeling to there children like **Muhammed** and **Ali** before he went to the **Cave** of course, because **AHYAH** dose not need to speak to us in hidden dark places. He can speak to you right where you are.

Now **Muhammed Hashem** adopted **Ali** as his son when **Ali** was a child. He called him his little brother. And **Ali** would write down the things that would come to **Muhammeds** mind. You know they would most likly have deep conversation about **AHYAH** walking around in the desert. Looking at the **Edomites** in totally disgust. So he would recited what **Muhammed** said, he was like **Aaron** to **Mose**...**You** know they where close like that. They where so close that

Muhammed was moved by the spirit of **AHYAH** to give his **only** blood related daughter **Fatimah** to him. Because the other two daughter were adopted by him. He wanted to give a Banu Hashem to Banu Hashem you know keep it in the family keep the root deep in the **Sinew...**

And as time went on Ali married **Fatimah (PBUH)** he gave Muhammed (**PBUH**) three grandchildren. They had two boys Husayn, Husan and little girl named Zaynab. There was also was a fourth child named Umm Kulthum, but there is a lot of conflicting stories so will say three. **Ali** loved Muhammed like a brother. When they went to war Ali was the **sword**. **Ali** knew the message of **AHYAH** inside and out because he was with **Muhammed** from the start. And before **Muhammed** was murdered he told the Banu Heshem, Banu Hanifa, Banu Tamim, Bani Assad, and many of their followers that **Alī ibn Abī Ṭālib who also has an name meaning Assd (Lion of AHYAH)** was to carry on with the message. And of course this was a no brainer because he was beside Muhammed during the process of understanding.

Muhammed wanted his brother, his son, his son-in-law and his friend to continue with **their** work. And of course because this is the work of **AHYAH....** But something happened! Now before we get into what happen let me tell you about **Fatimah**.

### **Fatimah**

So I will speak about **Fatimah Peace Be Upon Her** she is the daughter of **Muhammed Peace Be Upon Him** and they both are of the **Banu Heshem** which is of the Qusaysh Tribe named after the first born of Yishmael, so this means she is also 100% Hebrew down to the sinew...of the seed of Yishmael. And **Fatimah Peace Be Upon Her** was a powerful sister. Unfortunately she was murdered and she died 6 months after her father Muhammed. **We will talk about this later.**

### **Okay I am going to read a few discription concerning Fatimah the Daughter of the Messenger.**

Fatimah Born 615 and she died 633 she was around 20 years old when she was murdered. I say around 20 because there are many conflicting stories. She was the daughter of Muhammad and Khadijah. She was also the wife of **Ali** and mother of **Hasan** and **Husain**. She is considered one of the noble of Islam which means she is 100% of the root. She was of the **Ahl al-Bayt** (People Of The House) or **Ahl Al Kisa** (People Of The Mantle) and these people consist of **Muhammad, Fatimah, Ali, Hasan** and **Husayn**. Which means that these 5 where to take the word of **AHYAH** and tell it to the world. Here is a quick explanation from the web: **She** was involved in three significant political actions, each recorded in almost all sources. First, after the conquest of Mecca, she refused her protection to Abu Sufian; **Second**, after Muhammad's death, she courageously defended Ali's cause, fiercely opposed the election of **Abu Bakr**. (**Now this name Abu Bakr keep this in you mind.**) and had violent disputes with him and particularly with **Umar** (**Now this is the one that got emotional over the Hermetic messages**); **Third**, she laid claim to the property rights of her father and challenged **Abu Bakr's** categorical refusal to cede them, particularly Fadak and a share in the produce of Khaybar. (**What this is speaking about is land that her father captured from the Edomite Jews from Rome that settled in Arabia.** )

**She** died a few months after her father's death, and was buried in Jannat Al-Baqi', but the exact location of her grave is unknown. Most Shia Muslims believe that she died as a result of her

injury caused by **Umar**, incurred while defending Ali against **Abu Bakr**. (Now did you here that? Now why is Fatimah 19 – 20 years old having to defend her husband Ali from **Umar** and **Abu Bakr**.)

Okay to tell this correctly I have to first give more insight into the powerful character of **Fatimah Peace Be Upon Her**. This brief article speak about how Ali and Fatimah like most of us lived in poverty:

**And it Reads:** "After her marriage to Ali, the wedded couple led a life of abject poverty in contrast to her sisters who were all married to **wealthy** individuals. **Ali** had built a house not too far from Muhammad's residence where he lived with Fatimah. However, due to Fatimah's desire to be closer to her father, a Medinan donated his own house to them." **Ali built a house with his bare hands. And someone loved them so much that they donated a house so they can live closer to there father. Now this how the Banu Heshem use to live.** At the beginning they were extremely poor. For several years after her marriage, she did all of the work by herself. The shoulder on which she carried pitchers of water from the well was swollen and the hand with which she worked the hand-mill to grind corn where often covered with blisters."

"Fatimah vouched to take care of the household work, make dough, bake bread, and clean the house; in return, Ali vouched to take care of the outside work such as gathering firewood, and bringing food. Ali worked to irrigate other peoples lands by drawing water from the wells which caused him to complain of chest pains. **Now picture this in your mind Hebrews My Grandparents on my mothers side did the exact same thing.**"

An indication of their special relationship is found in the fact that Ali never married another woman as long as Fatima was alive. "**Now you know he loved Fatimah because Hebrews are known to have many wives.**"

Following the Battle of Uhud, Fatimah tended to the wounds of her father and husband, and took it upon herself to regularly visit the graves of all those who died in the battle and pray for them.

**See what I am saying? awesome! I want me a Fatimah!**

"Fatimah is sometimes referred to as **"The mother of her father"**, as she took over caring for her father and being a support system for her father once her mother died. Fatimah is a special daughter to Muhammad as she was born during the first year of the mission. (Okay now do to time I will stop here on Fatimah. The more I read about here the more I love this women she was an awesome women.) But one thing I would like to comment on Muhammed Peace Be Upon Him had 12 wives with in the 13 years after his wife **Khadijah** (Peace Be Upon Her) passed. Now why did Fatimah have to be **"The mother of her father"** with 12 other women around. Think about it. She had four kids, a husband, she was with child, making dough, baking bread, cleaning the house, carried pitchers of water from the well and defending her husband from **Abu** and **Umar**. Fatimah is only about 19 or 20 years old according to what they tell us. So what happen to the other 12 women? Keep this **point** in your mind because it is important. There seems to be deception going on here.

Okay I wanted to lay the foundation to what I am about to tell you. Now remember this broadcast is called the Two Branches which is the Branch of Yacob and the Branch of Yishmael. This story is OUR story not His Story. After today you will know 100% who you are and Why We Have Been Catching Hell For So Long. And it is goes much more deeper then you think.

## **The Death Of Muhammad**

Okay I am going to speed up the story now so I do not run out of time. It is the year 632 June 8 the messenger of **AHYAH** Mohammed Peace Be Upon Him he is murdered. Now I am going to read to you the events that follow.

### **And it Reads:**

The Hidden Meting

### **Saqifah And it Reads:**

The Saqīfah also known as Saqīfah banī Sāʿīdat was a roofed building used by the tribe called the banū Sāʿīdat of the faction of the banū Khazraj tribe of the city of Medina in the Hejaz, northwestern Arabia. The name of the house is used as shorthand for the event, or the gathering, which was a crucial turning point in the history of Islam. **(Very important point the tribe here where all Jewish Tribes)**

On the day Muhammad died (June 8, 632 CE), the Medinan Muslim or "Ansar" gathered in the Saqifah to discuss the future and leadership of the Muslims. There were two Ansar tribes, the Khazraj and the Aws; both were present. However, the Muhajirun, or Muslim emigrants from Mecca, had not been notified of the gathering. **(now the emigrants as they called them are the Hebrews and tribes that where at the house of Mohammed because he died a few hours earlier. )** When Muhammad's companions, Abu Bakr and Umar, learned of the gathering, they rushed to the meeting. After a tumultuous debate, the details of which are highly contested, those who gathered there gave their allegiance, or bay'ah, to **Abu Bakr** as the new leader of the Islamic community. There were some Muslims who felt that Ali, Muhammad's cousin and son-in-law, should have been the new leader. They initially refused to take the oath to **Abu Bakr** and were known as the **Shi'at** Ali or "partisans for Ali". Some of them even thought that Ali himself didn't take the oath. **(Ali did not take the oath because he was not there) Okay now think about this. Why are there Jewish Tribes gathering at a meeting the day Muhammed dies deciding on OUR leader? Now if you think something is funny hold on.**

### **The Burning House:**

**Okay now the rest of the broadcast surround this event because this will show you who, what, why and how the Edomite Jews took over Islam from the start and how they own and control it 100%. Not 1 dot of Islam of AHYAH. We have been lied to big time and you will be shocked to know how deep it really goes.**

**And it reads: Umar at Fatimah's house (the burnt house)** refers to the controversial event where Umar came to the house of Fatimah, the daughter of the Islamic prophet Muhammad, in

order to get the allegiance of Ali and his followers or burn her house down. This event, according to Shias, is ascribed to be the cause of Fatimah's miscarriage and eventual death.

(So this is telling us that Umar murdered Fatimah and her unborn child. Did you hear me? )

**And it Reads:** "According to the sources, following the death of Muhammad, **Abu Bakr** and **Umar** attempted to gain the shura (consensus) of the community that **Abu Bakr** should become the caliph (leader) over the Islamic ummah (community). According to Shi'a sources, as Ali attended the funeral of Muhammad, **Abu Bakr** and **Umar** attained the consensus of the community. As Ali was burying Muhammad, he learned that **Abu Bakr** had attained communal consensus. Fatimah, Ali, and their supporters maintained that Ali should be the leader over the Islamic community because of Muhammad's statement at Ghadir Khumm:

Now before I continue I have to bring this home now. The person that wrote the article is a Usurper it should be obvious, because he is trying to create credibility for theft. Now let me tell the story how it should be told. First remember that statement "There were two Ansar tribes, the Khazraj and the Aws; both were present. However, the Muhajirun, or Muslim emigrants from Mecca, had not been notified of the gathering" Now I have to break this down because the blind will not see. First we have to know what a Ansar is: **Ansar:** is an Islamic term that literally means "helpers" and denotes the **Medinan** citizens that helped Muhammad and the Muhajirun on the arrival to the city after the migration to Medina. They belonged to two main tribes, the Banu Khazraj and the Banu Aws. So the people in the United States would be called **Ansar** and the emigrants from Mexico would be called **Muhajirun**.

Now listen to want the definition is for **Muhajirun: The Emigrants** were the early, **initial** Muslims who followed the Islamic prophet Muhammad on his **Hijra** The early Muslims from **Medina** are called the Ansar ("helpers"). So to put simple.

The Ansar are the **Edomite Jews** and the Edomites and the Muhajirun are the Emigrants from.... guess where? **Now** think the Hebrews coming together. **Where** did the emigration come from? **Now** this is information that has to come from your spirit, **because** you are not going to find it one the web. **Why** because if they where to let us know this **It Would Be All Over With**. Fact the Muhajirun **aka** emigrants are the Hebrew of the Seed Of Yacob. Now of course there are other people like the Egyptians and Romans and people from the lands of Persia, slavery was a big business. That why they call the people Mitzraim. Muhammed was like Mose freeing people from economic slavery. He Was Messing With The Money. **Now** don't be fooled by think **Abu Bakr**, **Umar** and **Uthman** are part of the Muhajirun or they did not know about the meeting. You will know in your spirit that they put the meeting together. Now think about it. Muhammed Peace Be Upon Him started getting more and more powerful. People where starting to Wake Up! They started to loss more and more money from the idol worship. The Seed Of AHYAH which was created for the purpose of showing morality, humility, guidance, peace, justice and an understand of AHYAH all praise started to fulfill there purpose. Now what happen? What always happens. In the area of Judah the Amalikites place the Seed into Captivity take all of the writings and create a religion called Judaism. In the area of Greece and Rome the Edomites and Amalikites take over the house and duties of the priest kill Yahushua and create religion called Christianity. Now in Saudi Arabia aka Petra we see the Edomites and the Edomite Jews taking over Muhammed and Ali's message and turning it into a new religion called Islam.

**Okay now let me continue reading I hope it is starting to sink in:**

### **Continue - The Burning House**

As Ali was burying Muhammad, he learned that **Abu Bakr** had attained communal consensus. Fatimah, Ali, and their supporters maintained that Ali should be the leader over the Islamic community because of Muhammad's statement at Ghadir Khumm: **(No based on him being a Hebrew Of the Seed Of Yishmael.) Esau get the story right!** After uniting the Arabian tribes into a single Muslim religious polity in the last years of his life, Muhammad's death in 632 signaled disagreement over who would succeed him as leader of the Muslim community. While Ali and the rest of Muhammad's close family were washing his body for burial, at a gathering attended by a small group of Muslims at Saqifah, a close companion of Muhammad named **Abu Bakr** was nominated for the leadership of the community. Others added their support and **Abu Bakr** was made the first caliph. **The choice of Abu Bakr** disputed by some of the Muhammad's companions, who held that **Ali** had been designated his successor by Muhammad himself. **(Now I need to add this comment so people can understand what I am reading. - (Only the victors tell history, I repeat only the Victors Live to tell history.) You will see what I mean when I uncover the numerous amount of contradictory.**

### **Prayer One: Message to YAHUWAH: = EXTEND TIME**

**First I want to thank a few core HWUNET members Brother Aminadev, Sister Leah and Sister Bethyah for contacting me a few weeks back and inviting me to the HWUNET meeting. I want to thank them for letting me know that someone is listening and that they truly do care. I would also like to say we most likely would not be listening to this message today if it were not for these three. Because I was going to wait until I finish with school and what if we would have ran out of time. Thank you family Much Love. AHYAH All Praise Your Name,** thank you father for this message today, and opening our eyes to the deception of the religion called Islam. I know this sounds shocking to some, but open there heart and eyes so they can see the deceptions. Let them know that you are always there and it is you who they are trying to hide. Place in there hearts and minds the understanding the Muhammed was a man on a mission to deliver your word not create a religion. Place on there hearts and minds the understanding that corrupt men will do corrupt things. Let the know and understand that if you are in them then they would not do evil things. Teach them how to test the fruit father because in the messages of you WORD you told use to know, them by their fruit. The Death and poverty in Yeman placed on the AHKDAM in Yemen know, them by there fruit, The oppression of women know them by their fruit. The ignoring of the poor, know them by their fruit. The Hippocrates in Dubai know them by their fruit. The selling of the slaves, know them by their fruit. The theft of your word, know them by their fruit. We can go on and on father, because their crimes have reached the heavens and in the heavens are your ears. Let them know father that this is not to offend, but to defend the truth Muhammad and Ali tried to give to this world and that is the understanding of your Name, and that is not about a religion father it is about your TRUTH and the TRUTH is AHYAH. **END**

## And it Reads:

“Later when Fatimah and Ali sought aid from the Companions in the matter of his right to the caliphate, they answered, O daughter of the Messenger of God! We have given our allegiance to **Abu Bakr**. If **Ali** had come to us before this, we would certainly not have abandoned him. **Ali** said, 'Was it fitting that we should wrangle over the caliphate even before the Prophet was buried?’”

## **BS ALERT!**

Following his election to the caliphate, **Abu Bakr** and **Umar** with a few other companions headed to Fatimah's house to **force** Ali and those that are of the Tribes of Hashem, **Muhajirun, the Seed of Yacob and the Seed of Yishmael** to give their allegiance to **Abu Bakr**. (Now keep this in mind they are mourning there Father, Grandfather, Uncle, Spiritual leader, Friend, Messenger of AHAYH, and they are in shocked, grieved, upset and now confused.) And it Reads: Then, it is alleged that **Umar** threatened to set the house on fire unless they came out and swore allegiance with **Abu Bakr**. **What.. first of all what's the rush..and who in the hell are you! Can you imagine? Now here is where it get crazy.** Fatimah, in support of her husband, started a commotion and threatened to "uncover her hair", at which **Abu Bakr** relented and withdrew. Ali is reported to have repeatedly said that had there been forty men with him he would have resisted. ( **Now two things one did you hear Fatimah? She was like oh hell no fool I am about to let my hair down. Now you all know what that mean, “take out the earring and put on the Vaseline cuz it's about to ugly up in hear. Now you know that a black women. And two we see that the other Tribes did not know Mohammed was dead yet. And how do we know. Because they tell us their was under 40 people in the house. Only close relatives. They need to force Ali so all the other Tribes believe that he agreed on Abu Bakr becoming the Leader. So the question what did they do to Fatimah? A strong powerful spiritual, black women only 19 – 20 years old. What did they do to the LOVE of Ali and his children s life to cause her to have a miscarriage and die 6 months later? What did they do? And it Reads: Ali did not actively assert his own right because he did not want to throw the nascent Muslim community into strife. Other sources say that Ali accepted the selection of Umar as caliph and even gave his daughters, Umm Kulthūm, “Now this is very interesting because if you notice Abu Bakr's decedents he also has a Daughter named Umm Kulthum. Also the oldest child at this time is Hasan he is about 7 years old born in 625 CE it's 632 CE how old is Umm Kulthum? Is she 5,4,3 years old? Is this little girl old enough to be Umar's wife. Do you really expect us to believe this story? Did Ali give you his Daughter or did Umar give Ali's daughter to Abu Bakr? We will hit on this later. Now lets think about this he kills his wife, she has a miscarriage, Burns Down their House, tries to force him to make Abu Bakr the High Priest. Now how do you think was done? Well know them by their fruit, torture. They beat our brother ALi (PBUH) to the brink of death. But He Did Not SUBMIT! And because he did not SUBMIT we know about it! Now after all this would ALI a Hebrew of the seed of Yishmael of the House Of the Covenant the Banu HaShem give the seed of AHYAH his daughter to Umar or Abu? Umar the man that beat his wife and burned their house down is anyone buying this?**

**Now I have a Question did you know THIS story about Islam? HIS STORY About Islam?** I didn't not till I started researching this. Now this broadcast was going to be a totally different broadcast. I thought the root of Yishmael received the word thru Muhammed and that Ali was the source, so the Shia branch I thought was the **ONE**. But I started looking for our people knowing they where dark skinned people a Black People, but all I found was Mongols and Turks a light skinned people White People. So I kept searching for them then I came up with lies and contradiction and more lies and more contradiction and I was like DAMM I though Christianity was bad at least they are consistent with there lies.

So I was like man let me just concentrate on Ali's line then I found **Ali Idn Al Husayn** and came up with more lies and contradictions tell I was **done**. But then I was able to see that they where trying to **hide something**. They keep trying to build them selves up. So I looked closer at the Family of Muhammad and saw that this family was a special family and when I read their story I did not see contradiction. I saw how they where **treated** and I new in my SINEW the deep marrow of the tendens of my SPIRIT that it is **TRUTH**. Why because I was treated the same way. I saw how poor they where and how they where murdered and robed. And I knew it was true because that's our history. Then I begin to see **two** Islams the real and the fake. The real can be traced back to **OUR** Story and showing why Hagar and Yishmael are special, and it is because **AHYAH** was **in** there names. **Yishmael I HEAR and Hagar I Walk. Can I Get A Hallelujah PRAISE AHYAH. And I had to find the story OUR story more then anything on this earth My Wife and I are getting divorced I got to tell OUR Story Still can't get a Job I got to tell OUR story I can't Sleep at night I got to tell Our Story I feel stick to my stomach, getting headaches, Missing weeks from school I got to tell OUR Story Hebrews this is real. All Praise AHYAH.**

**And what is Our Story:** In Islam you will find names of **our** black tribes that they tried to wipe out. Like Banu Hanifa, Bani Assad, Banu Tamim, the Banu Hashem which they damn near wiped out. At the Massacre of Karabala look it up While you still can. I found how they killed our Hebrew brothers and sisters killing whole family and the only ones left where women so they can use as **sex slaves**. Now dose this sound familiar this was the year October 10 680 CE. Then I saw how they tried to make up stories to legitimize them selves. To try to hide the crime. Adding themselves to the House Of The People but **Iron and Clay do not Mix**. Trying to tell **ME** The the House Of Banu Hashem had a man by the names of **Muhammad al-Bāqir**. The son of **Satan** and, **Ja'far as-Sadiq**, The grandson of **Satan** and **Isma'il ibn Jafar** the greatgrandson of **Satan** that they where in **The House Of Our People the People of AHYAH the Sinews. When they no damm well Abu Bakr Murdered Muhammed and killed Fatimah and her unborn child Nation Of Islam Rise Up – Hebrews Of the Seed Of Yacob Rise Up! Record, Research and Understand.**

Hebrews they do this right in the open. If we just open our eyes we will see. The reason why the get away with it is because people are to scared to speak. You can draw the picture of Muhammad or Al Quaed will get you. You can make a film about Muhammed or the Muslim brotherhood will get you and they no damm well both come from the house of Saudi. Now I know you heard of the **Assassins you know the one that went to Islam heaven after smoking**

Hash and had sex with the seven Virgins. Now guess where that comes from? Isma'il ibn Jafar who is the greatgrandson of Satan Abu Bakr, the one that killed Fatimah, now can you believe the audacity of this beast! Now this is Islam and this is how Satan works put death in the Vaccine, floride in the water so you do think, gives use wealfare so we do not stand on our on two feet, sells us crack to destroy our selves and now putting his selve in the House Of Banu Hashem so we do not rise up. Islam this is **Truth** open you eyes **look it up**. Men like Abu Bakr are at the root of Fatimah Caliphate, but yet they are mortal enemies. He killed her father our brother Muhammed and placed his white ass in our seat.

But yet they Lie and Lie and Lie and They act like we can't **see**. They treat us like Dogs...And I am tired of it. They have become so blinded with power that they feel they are untouchable. Well let me tell you something and listen to me very closely **AHYAH** All Praise His Name is the Judge and I pray he dose **not** have mercy. **Record, Research and Understand**

**This is called the Ridda Wars:**

Now what are the Ridda Wars, now **His Story** wants us to believe that the Tribes **Abu Bakr, Umar** and **Uthman** wanted to save Islam from the tribes they called the Apostasy. But in Truth these are tribes they knew they had to destroy. They tell us decided that they went against the teaching of Mohammed, by not accepting **Abu Bukr** as the **Calipate of Islam**. Now keep in mind the same week that Mohammed is murdered is the same week Abu Bakr went to war against the root of Banu Hashem. Now dose that make sense? Well if you are the writer of His Story it dose.

And it Read: The Ridda wars also known as the Wars of Apostasy, were a series of military campaigns launched by the **Caliph Abu Bakr** against rebel Arabian tribes during 632 and 633 AD, just after Muhammad died. **The rebels'** position was that they had submitted to Muhammad as the prophet of AHYAH, but owed nothing to **Abu Bakr**. Some rebels followed either **Tulayha** or **Musaylima** or **Sajjah**, all of whom claimed prophethood. Most of the tribes were defeated and brought back to Islam. The peoples surrounding Mecca did not revolt. **Okay now lets not let this slide. They want to justify to us why they killed our people an made them re submit to their version of Islam, and like I said "the victors write His Story not Our Story"**. So lets see why **Tulayha, Musaylima** and **Sajyah** were so called rebels:

**Who is Tulayha:**

His tribe Bani Assad (Sons of Lion) respected by many Arab tribes, respected by Shia Muslims because they have buried the body of **Imam Husayn**, his family (**The People Of The House**) and companions with the help of (**Imam Ali b. Husayn, Zayn al-'Abidin,**) **Note: These two mean never excisited we will hit on this later.** the **son of the Imam**, and many martyrs from the **Massacare of Karbala** are from the Bani Assad tribe. The Bani Assad is apart of the Qahtan tribe connected to Adnan to Sabaeans which is the Biblical land of Sheba.

**Okay now why did Abu Bakr ,Umar and Uthman the murderers of Alī ibn Abī Ṭālib's family want Tulayha killed. And it Reads:** In 630 he submitted to Muhammad. However, he rebelled against Muhammad in 631 when he claimed to be a prophet and the recipient of divine revelation.

**So what did Abu Bakr ,Umar and Uthman do:** They hire [Khalid ibn al-Walid](#) to crush him and his confederacy. **Now keep in mind this is one day after Mohammed Peace Be Upon Him was murdered.**

### **Who is Musaylima:**

Banu Hanifa the tribe comes from the root thru Mudhar to Nebaioth which is the 1st son of Yishmaeh : Banu Hanifa played an important role in early Islamic history. At around 632, according to the traditional Muslim chroniclers, they sent a delegation pledging allegiance to the Islamic prophet Muhammad. Among the members of the delegation was **Musaylimah**, who, probably from what he then saw, conceived the idea that he might successfully set up a claim to prophethood. The delegation, before their departure, embraced Islam and denounced Christianity without compunction.

**Okay now why did Abu Bakr ,Umar and Uthman the murderers of Alī ibn Abī Ṭālib's family want Musaylima: killed. And it Reads:** Musaylimah sought to abolish prayer and freely allow sex and Alcohol consumption... (Did you here that? How are we portrayed in the media?)

**So what did Abu Bakr ,Umar and Uthman do?:** After Muhammad's death, Musaylimah rose up against the new **Caliph Abu Bakr** but his forces were defeated by **Khalid ibn al-Walid** as Musaylimah was killed in the Battle of Yamama by **Wahshi ibn Harb**, the same man who killed Muhammad's uncle, **Hamza**. (Are you beginig to see)

### **Who is Sajjah:**

Banu Tamim are one of the main tribes of Arabia. Their history goes back to pre-Islamic times. The word Tamim in Arabic means strong and solid The tribe traces its lineage to Adnan and Biblical figures Ishmael and Abraham. It has been said that Banu Tamim could be the largest Arab tribe.

**Sajah** declared she was a prophetess when she learned that **Musaylimah** and **Tulayha** had declared prophethood. Before claiming to be a prophetess, Sajah had a reputation as a soothsayer.. a soothsayer..a soothsayer. **Brother and Sisters they treat us like dogs and this was 1380 years ago! How long hebrew until we Wake Up and evenge our people?**

**Okay now why did Abu Bakr ,Umar and Uthman the murderers of Alī ibn Abī Ṭālib's family want**

**Sajjah: killed. And it Reads:** During the apostasy movement after the death of Muhammad, Sajah declared she was a prophetess when she learned that **Musaylimah** and **Tulayha** had declared prophethood. Before claiming to be a prophetess, Sajah had a reputation as a soothsayer. Thereafter, 4,000 people gathered around her to march on **Medina**.

**So what did Abu Bakr ,Umar and Uthman do about it?:** However, her planned attack on Medina was called off after she learnt of **Khalid ibn al-Walid's** army defeating Tulayha Sajah later married Musaylimah and accepted his self-declared prophethood. Khalid then crushed the remaining rebellious elements around Sajah, and then moved on to crush **Musaylimah**. (So when did she have time to marry Musaylimah later that day at 5:00 they think was are idiots)

Now I hope you see what is going here. This is a systematic destuction of any resistance to Abu

Bakr's rule. You are looking at usurpation in action, and they are hopping that we are too stupid to see it. I hope you can see.

## Aftermath

With the collapse of the rebellions and Arabia united under the central authority of the Caliph at Medina, **Caliph Abu Bakr** now decided to expand the empire. It is unclear what his intentions were; whether it was a full scale expansion plan or preemptive attacks to secure more territory to create a buffer zone between the **Islamic state** and the powerful Sassanid and Byzantine empires. This set the stage for the Islamic conquest of Persia to begin. Khalid was sent to the Persian Empire with an army consisting of 18,000 **volunteers** to conquer the richest province of the Persian empire: **Iraq**. After the successful conquest of **Iraq**, Abu Bakr sent his armies to invade Roman **Syria**, a main province of the **Byzantine Empire**. Now **I think it was very clear what his intentions were Abu Bakr and fellow usurpers used Islam as a tool for war just like they are it today. Okay so now what about Ali and his family? What did the rightful successor do after the Murder of his brother Muhammed.:** ”

## The Life Of Ali after Muhammed.

Another part of Ali's life started in 632 after death of Muhammad and lasted until assassination of **Uthman Ibn Affan**, the third caliph in **656**. During these years, Ali neither took part in any battle or conquest. nor did he assume any executive position. He withdrew from political affairs, especially after the death of his wife, **Fatima**. He used his time to serve his family and worked as a **farmer**. Ali dug a lot of wells and planted gardens near Medina and endowed them for public use.

These wells are known today as Abar Ali ("Ali's wells").”

Now can you image what is going thru Ali's mind? **Why?** Why did AHYAH allow these men to steal his word create a Religion that can conquer Empires and destroy Dynasties? **Why?** I will attempt to answer this question with a **question....Why** Would AHYAH All Praise His Name Create a Bird to Fly? Create a Fish to Swim? Create a Diamond To Shine? Create the Sun to give Light?

AHYAH All Praise His Name created the Sun for **Earth** to express the **Power Of the Sun**. A Earth no larger than a dot on the surface of the **Sun** is all the **Sun** needs to Know that it **Exists**. **And this** Earth was created for an awesome purpose, Because on this Earth The Bird Flies, The Fish Swims and the **Diamond** Shines. **Why** dose the Bird Fly? Because **AHYAH Exists**, Why dose the Fish Swim? because **AHYAH Exists and** Why dose the **Diamond** Shine? Because **AHYAH Exists**, and Why dose the sun shine? Because **AHYAH Exists!** And to answer the question I presented at the start. Why did AHYAH All Praise allow these **foolish** men to steal his Word and create a religion?

Because AHYAH All Praise His Name which means **AH - LOOK, REVAEL, BREATH -YEE -WORK, THROW, WORSHIP -AH -LOOK, REVAEL, BREATH** – AHYAH All Praise His Name which is the **breath** of life in the Bird the **breath** of life in the Fish the **breath** of life in You and in Me. And Because HE Exists you Hebrew Of the Seed Of AHYAH which call

yourself Hebrews and are now Known as the Tribes of Yishmael and the Seed of Yacob like the Earth expresses the Sun we are created to express **AHYAH** we are created to show this World that **AHYAH Exists** All Praise AHYAH All Praise AHYAH All Praise AHYAH.

These men did what AHYAH allowed these Fools to do. They do not know the Wisdom of **AHYAH** All Praise His Name.... This is all part of the plan. **Who Do You Think Is Talking To You.** I am a Hebrew Of The Seed Of Yacob and Yismael, because when they sold **us** on those ships and transported **us** to the four corners of the World they were selling the **Truth**. Now Hebrews do what you were created to do. Tell The **Truth**, and tell it not by saying **His** Story, but by telling saying **Our** Story. Now let me continue with **Our** Story and the two messengers Muhammed and Ali the our two witnesses.

**And I continue - And it Reads:** "Ali compiled a complete version of the Quran, mus'haf, six months after the death of Muhammed. The volume was completed and carried by camel to show to other people of **Medina**. The order of this mus'haf **differed** from that which was gathered later during the **Uthmanic** era. This book was rejected by several people when he showed it to them. Despite this, Ali made no resistance against standardized mus'haf." **So** basically the people of Median, rejected the prophet (Muhammed Peace Be Upon Him), stole the religion, killed the prophets and rejected his word. Can everybody see what's happening here. These Foolish men are creating their own judgment. Now later you will see what was the inspiration behind all this. Now I will tell you now before I run out of time. Real quick look it up The Byzantine Empire which had Black Rulers at this time look it up look at the gold coin, and why gold coin well because it was a black government they were oppressed by the Persian Empire they had to give thousands of tons of gold per year to the Persian Empire at this time in 632 CE both Empires Byzantine and Persian were weak because of the whole True Cross deception, any way both were becoming weak ripe for the picking Persia had accumulated at least 2011000 thousand pounds of gold according to my estimates, so this was the motivation. All about the money. **Abu Bakr, Umar** and **Uthman** were tired of Muhammed and Ali messing with the cash flow so they killed them, usurped the movement and used the religion to **submit re-submit** and force people to go to war in the name of **allah** and all three became extremely wealthy. And they have been covering up this lie for the past 1380 years. **Fact** look it up. Record, Research and understand. Now 200000 thousand tons of gold is a mighty carrot on a stick.

Lets use what happen to Ali as an example to see how they use the Word to control. If those that are in power reject the Word of AHYAH All Praise...(And this seems to be a pattern with them). Then what Word are we reading? They have done this with all three religions. They have done this with all the books, and yes even the King James Bible..whom King James was the son of Queen Mary a devout Catholic, whom was angry at her Father for rejecting her mother over a protestant Queen. A Queen that gave birth to Queen Elizabeth whom was the Protestant daughter of the protestant Queen that replaced Queen Mary's mother. King James Mother Queen Mary the Catholic was beheaded by Queen Elizabeth the protestant. But yet we call King James a **protestant** the son of a murdered **Catholic Queen** and the grandson of the true wife of King Henry the VIII. Now do you think someone told him about his mother Queen Mary? Do you think someone told King James who he was, before he approved the 1611 King

James Bible or after he approved the 1611 King James Bible.  $1+6+1+1 = 9$

So please understand we can not trust any of the books we read because they have been written by fools. You should know Mose name was not Moses or David's, David or Jesus's Jesus, now if you don't you are being foolish and *willingly* nieve. I use these names because they now have meaning to the story. They are the name that are related to **Our story** that's it. But we have to grow up and **understand** this. Muhammed could have been another name Ali could have been another name. **The Victor tells his story not our story.** Muhammed, Ali, Mose, Arron both MA and MA was this there true names or codes from the **foolish**... who knows they wrote the books, but we have to be wise to this, be mature about it and use our **understanding**. Just because they changed the name dose not change the Truth. Now grow up it's time to rise up and be the man and women AHAYH made you to be. Now I use the names because I need to communicate and show respect to those that are still asleep. Now if you took offence to this then maybe you are still asleep. And if you are Hebrew Wake Up you have **Our Story to tell.**

Now we have to try to understand that nothing in this world is wasted not even time, all things have a purpose. The things that are happening today are a direct result of what happed to Muhammed and Ali. Now do you think Muhammed Ali is named Muhammed Ali the Greatest of all time by accedent? After this broadcast you are going to see how important Muhammed and Ali trully are. Okay now I advice you to grab some water and stay with me.

**We are coming to the most important part of this broadcast. I am going to take a quick break and I will be right back.**

### **Prayer Two: Message to AHYAH**

**AHYAH all praise your name**, Thank you once again for your awesome and powerful message. Thank you for giving US the wisdom and understanding of your word. AHYAH All Praise, let your children know that I am a man of good intention let them know that I want nothing from them, but to be free. I don't want a filthy dollar or worthless dime, Useless Gold or pointless Diamonds all I want is for them to be free. Let them her this message and know it as TRUTH cause the TRUTH will set them free. Free for the Religions of bondage of this world Judaism, Christianity and Islam which all are controlled by the unseen. And like I said father what YOU place in my heart that you placed in my heart "The Religion Is Nothing More Then An Unseen Force With An Hidden Agenda" And that Unseen Force which is the demonic 72 gave power to men like Abu Bakr, Umar and Uthman to hijack the work of love which is your message to the world and make it into a religion. I pray AHYAH in the name of AHYAH All Praise Your Name that you help your helper Dawid Yacob Maccabeus Expose thire lies and there crimes to these world so we can be free. All Praise AHYAH, All Praise AHYAH, All Praise AHYAH **END**

## PART TWO

### Prayer Three: A Message to Yahuwah

AHYAH All Praise your name Father, Mother, Protector and Friend Thank you AHYAH for giving US this wonderful message today. I Pray Father if it be your will that those lost souls in deceptive religions will hear this message today. I Pray Father if it be your will that those lost souls will research what I am saying and free themselves from bondage. I Pray Father if it be your will that the Hebrew's that claim to be your children put down the Christianity and Hermetic religions and honestly seek your word.

I Pray Father if it be your will **place** in their hearts the **understanding** that they do not have to be **ashamed**, because many of us were under the bondage of Christianity, Judaism and Islam which is a Hermetic Myth. But AHYAH All Praise Your Name, you have brought us thru and taught us to beat this beast and how to think, because the wisdom you placed in your child made their Hermetic Wisdom look foolish. So Father I Pray if it be your will that you **release** the bondage of ignorant and the lack of **knowledge** from my brothers and sister and let them know you **love** them and there is no need to be **ashamed**, because AHYAH All Praise Your Name is a forgiving Father and a Protecting Friend.

Father there was a time when I was a blind, a lost and ignorant fool. But you had patience with me father and built me up to do what I was made to do. Father AHYAH All Praise Your Name that you bring us together as you said in Ezekiel 37 and breath your breath onto our dry bones, so we can become one people, one family, one voice, one branch in your Hand. And with that branch Father chastise this beast, so we can cut off his head. Because you said in your word Father your Hebrew word father this to be True.

Because Bruise don't means Bruise. Father AHYAH help us find the truth from this word known as **Shoof - Sh – (Sharp, Press, Eat and Two) Vav (Add, Secure and Hook) Ph (Blow, Scatter and Edge)**. **Shoof** So the last shall be first, and the first last. The Hebrew of the Seed Of **Yishmael** the **first** AHYAH did hear **and** Yacob the last that caught this beast by heel. **Shoof** is the sound we will hear. As our **sharp** Sword will **Press** will **Eat** consume as we snap his body in **Two**. **Shoof Vav (Add, Secure, Hook) The Seed of AHYAH's people will Add** come together to overwhelm this beast, we will **secure** this world in the name of **AHYAH** All Praise His Name and **Hook** control this beast. **Shoof Ph And AHYAH will Blow and Scatter this beast to the Edge where there is no exscape. The Seed Shall Bruise His Head. All Praise AHYAH All Praise AHYAH All Praise AHYAH. END PRAYER**

### I will start the final part of this broadcast with a verse from Genesis 3:14

“Genesis 3:14 And AHYAH said unto the serpent, Because thou hast done this, thou art cursed above all cattle, and above every beast of the field; upon thy belly shalt thou go, and dust shalt thou eat all the days of thy life: And I will put enmity between thee and the woman, and between thy seed and her seed; it shall bruise thy head, and thou shalt bruise his heel.”

## **Now how did the Enemy Attempt to Eliminate Ali and His Seed?**

Now Ali is away for 24 years digging wells he was not political. He was not in the government. He did not help Umar with his Caliph Ali **Hated** Umar, because he killed his wife took his daughter and gave her to Abu Bakr. Ali did not help Abu Bakr with his Caliph, because he **Hated** Abu Bakr, because Abu Bakr killed his wife. Ali did not help Uthman with his Caliph, because he **Hated** Uthman, because Uthman killed his wife. And all three killed Muhammed. Peace Be Upon Him. Now these are strong accusations, but ask your self this question. How are the Kings of the East treating our people in Yemen the ones called the marginalized ones the untouchables they are known as th Akhdam which means black slaves. But guess what the Akhdam are **our** people. They are the last of the root of Banu Hesham and they are being staved to death right before our eyes in Yemen. No Nation Of Islam and Louis Farrakhan if you want to be relevent in eyes of the Hebrews Of The Seed Of Yacob please pay attention to this part of the **broadcast**. .Thee Akhdam Black Muslim People Of the Root Of Banu Hashem the Sinew are Living in poverty that we can not even imagine. They cry to AHYAH for him to help them. But the only ones that can Help are asleep. Now please wake up and hear what the Muslim of the middle wast those that claim to be of Islam are doing to our people. **The Root Banu Hashem**.

## **Now I am going to read to you about the Ahkdam:**

Now before I countinue I want to tell you something. The reason you and I where sold on the slave ships and why these people are still suffering in Yemen today is connected directly to Abu Bakr,Umar and Uthman. After this artical you will understand about the Akhdam. You will see the parelles to the Africans in America, The Haitians, The Brazilans, Those in Peru, Those in South Africa, Those in India and all the place the sold us on ships. But the Banu Hashem have it even worse. Now listen to this.

## **And it Reads:**

“SANA, Yemen — By day, they sweep the streets of the Old City, ragged, dark-skinned men in orange jump suits. By night, they retreat to fetid slums on the edge of town. The living conditions of the Akhdam are appalling, even by the standards of Yemen, one of the poorest countries in the Arab world. In one Akhdam shantytown on the edge of Sana, more than 7,000 people live crammed into a stinking warren of low concrete blocks next to a mountain of **trash**. Young children, many of them barefoot, run through narrow, muddy lanes **full of human waste** and garbage. A young woman named Nouria Abdullah stood outside the tiny cubicle — perhaps 6 feet by 8 feet, with a ceiling too low to allow her to stand up — where she lives with her husband and six children. Inside, a thin plastic sheet covered a dirt floor. A small plastic mirror hung on the wall, and a single filthy pillow lay in the corner. Nearby, a single latrine, in a room approximately 3 feet by 3 feet, serves about 50 people. The residents must carry water in plastic jugs from a tank on the edge of the slum, supplied by a charity group. Wearing a brown dress, with a rag tied around her head, Ms. Abdullah said she and her family brought in no more than 1,000 Yemeni riyals a week, about \$5. She begs for change, while her husband, Muhammad, gathers metal and electrical components from trash heaps and sells them.”

Now with all the news program Al Jazeria, CNN, ABC, FOX News and world agency like United Nations and Red Cross have you ever heard of the AHKDAM in Yemen, before today.

”Like most people in the shantytown, they have no documents, and they do not know how old they are. “We are living like animals,” Ms. Abdullah said. “We cook and sleep and live in the same room. We need other shelters.” When the winter rains come, the houses are flooded, she said.

Now if they live in Africa in the place they where they are born and they do not know who they are..What hope did we have if it was Not For AHYAH?

Now understand this is **SANA** The Bani Assad is apart of the Qahtan tribe connected to Adnan to Sabaeans which is the Biblical land of Sheba. Sheba is **SANA**. Banu Hanifa the tribe comes from the root thru Mudhar to Nebaioth which is the 1st son of Yishmael. Also connected to **SANA**. Banu Tamim in Arabic means strong and solid The tribe traces its lineage to Adnan and Biblical figures Ishmael and Abraham. Also connect to Sheba **SANA**. Now where are the **AKHDAM**? They are in **SANA** Yemen now think! Who do you think these people are? Now if this is the offspring of The People Of The House then why are they dying. Well because the House of Saud, the House of Alaouite, the House of Al Said and the House of Hashim are pretending to be of the root **Banu Hashim** which is a LIE. Because if Yishmael was a Black man and Hagar was a Black women then Muhammed was a Black man and if all that I say is TRUTH. **Record, Research and Understand** These people are dying just like Our people all over this world because they are trying to hide the Truth. I can not be any clear then this.

**Now listen how they justify Our people the original Banu Hashem's demoralizing position, And it Reads:** "Degrading myths pursue them: **they eat their own dead**, and **their women are all prostitutes**. Worst of all, they are reviled as outsiders in their own country, descendants of an Ethiopian army that is said to have crossed the Red Sea to oppress **Yemen** before the arrival of **Islam**." **Now think about this.** Abu Bakr, Umar and Uthman, did the same thing to the Tribes Of Bani Assad, Banu Hanifa, Banu Tamim and continue with Banu Hashem the tribes that opposed Abu Bakr in **632** the day they killed Muhammed. They demonized them in HIS Story then they attack. Demonized and attack. We see it in **Libya**, We see it in **Syria**, We saw it in Iraq and now we see it in **Iran**. **”they eat their own dead, and their women are all prostitutes”** This brothes and sisters is the religion of **Islam**? Who did this to **Islam**? **And it Reads:** “We are ready to work, but people say we are good for **nothing** but servants; they will not accept us,” said **Ali Izzil Muhammad** Obaid, a 20-year-old man who lives in a filthy **Akhdam** shantytown on the edge of this capital. **And then he says** “So we have no hope.”

**Hebrews what are we going to do about it?**

**Enmity:**

<http://www.nationmaster.com/encyclopedia/Banu-Taym:>

Banu Taym or Banu Taim' is a sub-clan to the Quraish tribe. They converted to Islam in 8 AH (629–630 CE) They come from Taim ibn Mura. Shi'a view...since the day of saqifah the **Banu Hashim** and **Banu Taym** felt nothing but enmity towards each other.

**Genesis 3:14** ”And I will put enmity between thee and the woman, and between thy seed and her seed; it shall bruise thy head, and thou shalt bruise his heel.”

I read this to bring to your attention this Fact, Abu Bakr the first Caliph is from the **Banu Taym** Tribe, now I am going to surprise many people today, and if you stayed with me up to this point you are in for a surprise. Because today I will show you who this so called Anti Christ will be on the line they want him to come from. Now some call him the **Madhi** but he is one in the same. Now think who owns all the wealth in the world and how? Remember the 200000 pounds of gold. What do you think you can do with all that money? Maybe control the world. If you can control the world do you think that you might want to be worshiped as god? I mean you are the owner of all the wealth in the world. Think they are sitting in the seat of AHYAH's people using the name of His people Banu Hashem using the Word that he people brought to save the word and now it is called the religion of Islam. He thinks hey mission accomplish. Whats next can anyone say Madhi!

I will put enmity between thee and the woman, and between thy seed and her seed; it shall bruise thy head, and thou shalt bruise his heel. **Hebrew are you read to bruise his head? Now here we go.**

**But to properly do this we will countine with the how did the Enemy Attemp to Eliminate Ali and His Seed? Now if you steal a religion you have to make sure you hide the crime.**

### **The Murder Of Ali**

#### **Ali was made caliph:**

“When Ali was made caliph after the death of Uthman, the Caliphate was in the hands of the **Banu Hashim**, but he was almost immediately challenged by **Muawiyah**, who was a member of the Umayyad clan. After Ali's assassination at the hands of the Kharajites, the Shi'a hoped his son **Hasan** would become Caliph, but he was forced to defer to Muawiyah, who, in violation of the treaty signed with Hasan bin Ali, established the Umayyad line of Caliphs.”

#### **Okay now how was Ali Murdered?**

On the 19th of Ramadan, while worshipping in the Great Mosque of **Kufa**, Ali was attacked by the **Khawarij** Abd-al-Rahman ibn **Muljam**. He was wounded by ibn **Muljam's** poison-coated sword while prostrating in prayer. Ali died a few days later on February 28, 661. Now I do not have the time to go into details about how Ali was setup to be murdered, but I will explain how he got here. Now Uthman ruled thru Nepotism, this means that you put your relatives in positions of power regardless if they are qualified or not. So what happen was no one care about the Nation and people start to robe, steal, rape plunder and the Nation and it started to falls apart. This is after Abu amd Umar died Uthman is dead and you have the most powerful nation on earth in the hand of morons. So basicly the Caliphate became totally corrupt. Which is why Ali was forced to come back. Yes forced to come back. The rebels of the Uhtman Caliphate needed to have a figure head to act like law and order was establish. So they Forced yes Forced Ali to act like he was in charge. But Ali started to influence some of the people which allowed him to gain support and he started to change the corrupt Nation. This is how he started the Shia movement back in 765 now called the [Zaidiyyah](#) I say now because it is really called Zakiyya not Zaidiyyah why because Zayd ibn Ali, did not exist, because Ali ibn Al

Husayn did not exist. This will all make sense later. Now **Zakiyya** means pure. Which refers to the Root Of Banu Hashem. And the full name of that root is Muhammad ibn **Abdullah** ibn al-Hasan ibn al-Hasan ibn 'Ali ibn Abi Talib Which means. Muhammed is the son of Abdullah, who is the son of Hasan who is the son of Ali ibn Talib who is of (The House Of The People) which is of Banu Hashem called **Zakiyya the pure** – Record, Research and Understand. Now let me read you his story:

**Muhammad ibn Abdullah ibn al-Hasan ibn al-Hasan ibn 'Ali ibn Abi Talib or known as Muhammad al-Nafs al-Zakiyya:**

"**The Pure Soul**") was a descendant of Muhammad through his daughter **Fatimah**. Known for his commanding oratory skills, amiable demeanor, and impressive **build**, he led a **failed** rebellion in Medina against the second Abbasid Caliph, **Al-Mansur**. His followers deserted him and he was left with a few hundred of his soldiers against large Abbasid force under **Isa ibn Musa**, and he was killed on December 6, 762 CE (145 AH). Now do you think if the Hebrews stuck together we would be in this position today? **Now that we are waking up to who we are do not think we will not be in this same position. They are way more powerful now then they were back then, BUT AHYAH IS ON OUR SIDE so we have the Victory how and why do you think you are hearing this today. This is the Power Of AHYAH to let US know that he Exists.**

**And it Reads:**

Initially, he hoped to rebel against Umayyad rule, when the children of Hashim paid their allegiance to him at Abwa. Among them were Ibrahim al-Imam, As-Saffah and Al-Mansur. But it soon became clear that Abbasid rule was established, so those who had paid allegiance to him deserted him, and another group of Shiites flocked around him. **Muhammad** was an inspirational figure to many throughout the caliphate who believed that he was destined for glory due to his **ancestry**.

For years he disguised himself and traveled stealthily, since his professed relationship to the Prophet meant that he posed a threat to the established political order. He was eventually able to amass a sizable but ragtag army and seize the city of Medina. He then left Medina in the year 145 A.H and took over Mecca and Yemen (**only to be killed in Medina a few months later.**)

**Okay now stay alert because this is important: this is USURPER ALERT!**

**Now dose this sound like Hebrews or Christians: Listen**

Due to the unrealistically high expectation among his followers of success, a **section** of his followers were shocked and could not bear the news of his defeat, and did not believe his murder, since they believed he was the **Mahdi** (**Now keep in mind Mahdi is the Christ Figure to save the world**), whose appearance they had been awaiting for a very long time. They believed he was alive and did not die, nor was he killed, but was staying on the Mount of **Ilmiyyah** (between Makkah and Najd) till the time when he would reappear. This section of his followers held onto a hadith of Muhammad, which implies that the Mahdi's name is like

Muhammad's name and the Mahdi's father's name is like Muhammad's father's name (Abdallah) Now I want you to here something (**Arabic Ismailiy, name of the Shiite sect that after 765 C.E.) This is taken from a definition I am going to read to you later it will tie all this together.  $7+6+5 = 18$   $1+8 = 9$  Know if the Ismail started in 765 two year after Muhammad al-Nafs al-Zakiyya and "a section of his followers were shocked and could not bear the news of his defeat" Do you think these lost souls just might have been usurped and now we have the Shia Sect called Ismail? Or do you believe that AHYAH's people (The Pure Souls) smoke hash, have sex with 7 virgins and kill at will. Come on people now like I said. This is the most powerful broadcast you will here in your life because it is **TRUTH**. And it is not ME it is AHYAH, Wake Up Hebrews.**

Now lets continue:

Ali is now in the Umayyad Caliphate government and this is allowing us to know what was going on. And now Muawiyah the cousin of Uthman ibn Affan, and a scribe for **Abu Bakr and Umar**. Was concerned with **Ali's(PBUH)** growing influence so he had Ali killed while he was praying with his back turned. He did this with a poison sword.(**enmity between thee and the woman**)

**Okay now Ali (Peace Be Upon Him) was now the Calph, but he is killed. Now what happen to the Caliph when he died lets see what happen.**

According to historians, Muawiyah wished to pass the caliphate to his own son **Yazid**, and saw Hasan as an obstacle. So Muawiyah had **Hasan** poisoned. So now we have Uthman's cousin killing Ali and his son **Hasan**. "After the death of Muawiyah, his son **Yazid** became caliph but was almost immediately challenged by Ali's younger son, **Hussayn**. Hussayn would not swear allegiance to Yazid for disgracing islam by various heinous acts, among those the alleged corruption of Yazid and Hussayn's acknowledgment of the caliphate's non-hereditary lineage,"

Now I read this to show what you find when you try to do research on this. Now knowing what you know. Why did Hussayn Ibn Ali the brother of Hasan and the son of Ali and the Grandson of Fatimah and the Grandson of Muhammed not swear allegiance to **Yazid**? Was it **A** because he disgraced **Islam**. Or **B** Because his Father's uncle plotted and murder his grandfather Muhammed, killed his mother Fatimah and her unborn child, Burn down his house, Stole his baby sister, killed the tribes of AHYAH, rejected the Word of AHYAH, and used his families name to cause death and destruction, and his father Muawiyah had his father stabbed in the back while praying and his brother poisoned. So is it **A** or **B**.

You see Hebrews of the Seed Of AHYAH's people they treat you like idiots are you Blind?

**So lets read what happened to Hussayn Ibn Ali**

"Muawiyah and his **aides** made use of every possible means to put aside past disputes and remove the Household of Muhammad and the followers of **Ali** and his sons, and thus **obliterate** the name of Ali and his family. **Muawiyah I** ordered for **public** curses of **Ali** and his major supporters including **Hasan and Husayn**. According to the Shia, **Husayn** had gained the **third**

**Imam** for a period of ten years after the death of his brother **Hassan** in **669**.” Husayn left Medina with his sisters, daughters, sons, brothers, and the sons of Hasan. He took a side road to Mecca to avoid being pursued, and once in Mecca Husayn stayed in the house of ‘Abbas ibn ‘Abd al-Muttalib and remained there for four months. Husayn opposed Yazid I and declared that Umayyad rule was not only oppressive, but also religiously misguided.” **Okay now lets not over look this. Uthman was the founder of this Dynasty. They say it is his 2<sup>nd</sup> cousin, but if you believe that I have Two Twin Towers to sell you in New York. Okay say it is his second cousin, well Uthman put the man in power. Plus this hole Dynasty is named after him. Now look at what they are doing. Think about it these are the founders of Islam. When you have time look up the others the Abbasid Dynasty and the Fatimid Dynasty your eyes will be open.**

### **OKAY NOW REALLY PAY ATTENTION TO WHAT HAPPEN NEXT.**

Husain and his followers were two days away from Kufa when they were intercepted by the vanguard of Yazid's army; about 1000 men led by Hurr ibn Riah. Husain asked the army, "**With us or against us?**" They replied: "Of course against you, oh Aba Abd Allah!" Husain ibn Ali said: "If you are different from what I received from your letters and from your messengers then I will return to where I came from." Their leader, Hurr, refused Husain's request to let him return to Medina. The caravan of the Mohammad's family arrived at **Karbala** on **Muharram 2, 61AH (October 2, 680 CE)**.<sup>[28]</sup> They were forced to pitch a camp on the dry, bare land and Hurr stationed his army nearby.

Ibn Ziyad sent a brief letter to Umar ibn Sa'd that commanded, "Prevent Husain and his followers from accessing water and do not allow them to drink a drop [of water]. Ibn Sa'ad followed the orders, and 5000 horsemen blockaded the [Euphrates](#). One of Husain's followers met Umar ibn Sa'ad and tried to negotiate some sort of access to water, but was denied. The water blockade continued up to the end of the battle on Muharram 10th (**October 10, 680 CE**).

**Umar ibn Sa'ad** received an order from **Ibn Ziyad** to start the battle immediately and not to postpone it further. The army started advancing toward Husain's camp on the afternoon of Muharram 9th. At this point Husain sent **Abbas ibn Ali** to ask Ibn Sa'ad to wait until the next morning, so that he and his men could spend the night praying. Ibn Sa'ad agreed to the respite.

On the night before the battle, **Husain** gathered his men and told them that they were all free to leave the camp in the middle of the night, under cover of darkness, rather than face certain death if they stayed with him. None of **Husain's** men defected and they all remained with him. **Husain** and his followers held a vigil and prayed all night.

Umar ibn Sa'ad advanced and fired an arrow at **Husain ibn Ali's** and his family saying: "Give evidence before the governor that I was the first thrower." Ibn Sa'ad's army started showering **Husain** and his tribe with arrows. Hardly any men from **Husain ibn Ali's** family escaped from being shot by an arrow. Both sides began fighting. Successive assaults resulted in the death of a members of the Tribe of Banu Hashem many of Husain ibn Ali's companions.

### **(Hebrew if this dose not wake you up nothing will – Hebrews Rise)**

In order to prevent random and indiscriminate showering of arrows on Husain ibn Ali's camp which had women and children in it, Husain's followers went out to single combats. Men like Burayr ibn Khudhayr, Muslim ibn Awsaja and [Habib ibn Mazahir](#) were slain in the fighting. They were attempting to save Husain's life by shielding him. Every casualty had a considerable effect on their military strength since they were vastly outnumbered by **Yazid I**'s army. Husain's companions were coming, one by one, to say goodbye to him, even in the midst of battle. Almost all of Husain's companions were killed by the onslaught of arrows or lances.

### **(Hebrew if this dose not wake you up nothing will – Hebrews Rise)**

After almost all of Husain's companions were killed, his relatives asked his permission to fight. The men of **Banu Hashim**, the clan of Muhammad and Ali, went out one by one. Ali al Akbar ibn Husain, the middle son of Husain ibn Ali, was the first one of Hashemite who received permission from his father

“Casualties from Banu Hashim were sons of Ali ibn Abi Talib, **sons** of **Hasan ibn Ali**, a **son** of **Husain ibn Ali**, a son of **Abdullah ibn Ja'far ibn Abi-Talib** and **Zaynab bint Ali**, sons of **Aqeel ibn Abi Talib**, as well as a son of Muslim **ibn Aqeel**. There were over **72** Hashemites dead in all (including Husain ibn Ali). Umar ibn Sa'ad sent Husain's head to ibn Ziyad on Ashura afternoon and ordered to **sever heads** of his comrades to send them to **Kufa**. The heads were distributed to various tribes enabling them to gain favor of **ibn Ziyad**. Ibn Sa'ad remained in **Karbala** until the next noon.”

### **I am sorry what are these people. So is this Islam?**

After ibn Sa'ad's army went out of Karbala, some people from Banu Asad tribe came there and buried their dead On Muharram 11 (**October 11, 680 CE**), all captives including all women and children were then loaded onto **camels** with neither saddle nor shade and were moved toward **Kufa**. As they approached **Kufa**, its people gathered to see them. Some women of **Kufa** gathered veils for them upon knowing that they are relatives of Muhammad. Among the captives were Hazrat [Ali ibn Husain](#), who was **gravely ill**, as well as Hazrat **Hassan ibn Hassan al-Muthanna**, who was seriously injured in the battle of **Karbala** During the journey from **Karbala** to Kufa, and from Kufa to Damascus, Husain's sister **Zaynab bint Ali** and **Umm-Kulthoom bint Ali**, and son **Ali ibn Husain** gave various speeches that exposed the truth about **Yazid** and told the Muslim world of the various atrocities committed in **Karbala**. After being brought to Yazid's court, **Zaynab** courageously gave a famous speech in which she denounced **Yazid's** claim to the caliphate and eulogized Husain's uprising. **(Usurper Alert)**  
**Only the Victior Tells His Story.**

The prisoners were held in Damascus for a year. During this year, some prisoners died of grief, most notably [Sukayna bint Husain](#). The people of Damascus began to frequent the prison, and Zaynab and Ali ibn Husain used that as an opportunity to further propagate the message of

Husain and explain to the people the reason for Husain's uprising. As public opinion against Yazid began to foment in Syria and parts of Iraq, Yazid ordered their release and return to Medina, where they continued to tell the world of Husain's cause.

So who is: **Ali ibn al-Husayn Zayn al-'Abidin**

Ali ibn al-Husayn (approximately 6 January 659 – **20 October 712**) sometimes called Zayn al-Abidin ("Beauty/Best of the Worshipers") was a great-grandson of Muhammad, as well as the **fourth Shia Imam** (the third Imam according to **Ismailis**). His mother was **Shahrbanu** and his father was **Husayn ibn Ali**. His brothers include Ali al-Asghar ibn Husayn and Ali al-Akbar ibn Husayn. He is also referred to as Imam al-Sajjad "the Prostrating Imam" and Sayyid as-Sajjadīna wa Raki'īn "**Leader of Those who Prostrate and Bow**".

So Take note his father was **Husayn ibn Ali** and His Mother was **Shahr banu**

### **Fatimah bint al-Hasan**

Fātimah bint al-Hasan ibn 'Alī was a daughter of Hasan ibn 'Alī, wife of 'Alī ibn Husayn (fourth Twelver Imām), and mother of **Muhammad al-Bāqir** (fifth Twelver Imām). Her kunya was Umm 'Abd Allāh[1] and she was referred to as, "as-Siddīqa" ("the very truthful one") by 'Alī ibn Husayn. It has also been reported that her features were such, that no one in the family of Hasan ibn 'Alī looked like her

### **Muhammad al-Bāqir**

**First Ali ibn Al-Husayn:** **Ali ibn al-Husayn** he was son of **Husayn(PBUH)**. His father was murdered by the **Umayyad Caliphate Yazid**. His grandfather was **Alī ibn Abī Talib(PBUH)**, and his grandmother was **Fātimah bint Muhammad(PBUH)**. His great grandfather was **Muhammed the prophet Peace Be Upon Him** and he is a member of Banu Heshem. **Abu Bakr, Umar and Uthman** murdered **Muhammed (PBUH)**, they usurped the Caliphate from **Ali**, Killed **Fatimah** destroyed **Banu Heshem**, rejected the name of **AHYAH**, murdered **Hasan** and **Husayn** his father and wiped out the entire family of **Muhammed Peace Be Upon Him** at the **Massacre of Karbala**.

**”And I will put enmity between thee and the woman, and between thy seed and her seed”**

Fatimah bint al-Hasan: Fatimah bint al-Hasan she was daughter of **Hasan(PBUH)**, Her Father was Murdered by the **Umayyad Caliphate Muawiyah** the cousin of **Uthman**, her grandfather was **Alī ibn Abī Talib(PBUH)**, and her grandmother was **Fātimah bint Muhammad(PBUH)**. her great grandfather was **Muhammed the prophet Peace Be Upon Him** and she is a member of **Banu Heshem**. **Abu Bakr, Umar and Uthman** murdered **Muhammed (PBUH)** and they usurped the Caliphate from **Ali**, Killed **Fatimah** destroyed **Banu Heshem**, rejected the name of **AHYAH**, murdered **Hasan** and **Husayn** his father and wiped out the entire family of **Muhammed Peace Be Upon Him** at the called **Massacre of Karbala**.

**”And I will put enmity between thee and the woman, and between thy seed and her seed”**

So first cousin **Ali** ibn Al-Husayn and **Fatimah** bint al-Hasan ok now after the **Massacre of Karbala** the **first** cousin married and had two children. One was named **Muhammad al-Bāqir** and the other was named **Zayd ibn Ali**. Now for the sake of time we will only look at one of the sons. Who name is

**Muhammad ibn ‘Alī al-Bāqir** (676-733 AD or 1 Rajab 57 AH – 7 Dhu al-Hijjah 114 AH) was the **Fifth Imām to the Twelver Shi‘a** and **Fourth Imām to the Ismā‘īlī Shī‘a**. His father was the previous **Imām**, **‘Alī ibn Ḥusayn**, and his mother was **Fatimah bint al-Hasan**. He is revered by Shi'a Muslims for his religious leadership and highly respected by Sunni Muslims for his knowledge and Islamic scholarship as a leading jurist of **Madinah**, the City of the Prophet.

“Imam Muhammed al-Baqir was awarded the title Baqir al-'Ulum "Revealer of Knowledge" because of his ample religious and judicial knowledge and his enthusiasm to teach others. Imam Muhammad al-Baqir’s son, Imam Ja'far as-Sadiq, was his student and benefited from his knowledge. He founded the precursor of Shī‘ah jurisprudence”

So who is **Ja'far as-Sadiq**

**Ja‘far ibn Muhammad al-Sādiq** (702–765 C.E. or 17th Rabī‘ al-Awwal 83 AH – 25th Shawwāl 148 AH) was a descendant of **Ali** and a prominent Muslim jurist. He is revered as an Imam by the adherents of Shi'a Islam and as a renowned Islamic scholar and personality by Sunni Muslims. The Shi'a Muslims consider him to be the sixth Imam or leader and **spiritual successor to Muhammad**.

**Ja'far ibn Muhammad** has three titles; they are As-Sadiq, Al-Fadil, and At-Tahir. His father, **Muhammad al-Baqir** is considered by the Shi'a to be the fifth Shi‘a Imam. His mother, **Umm Farwah**, was the **grand-daughter of Muhammad ibn Abi Bakr**, who was the son of **Abu Bakr**, the first **Rashidun Caliph**.

”And I will put enmity between thee and the woman, and between thy seed and her seed”

**Ja'far al-Sadiq s/o Muhammad al-Baqir s/o ‘Alī s/o Husayn s/o Ali s/o Abu Talib**

Ja'far al-Sadiq s/o [Muhammad al-Baqir](#) s/o [Fatimah](#) d/o [Hasan](#) s/o [Fatimah](#) d/o [Muhammad](#)

Ja'far al-Sadiq s/o [Umm Farwah](#) d/o [Al-Qasim](#) s/o [Muhammad](#) s/o [Abu Bakr](#)

Ja'far al-Sadiq s/o [Umm Farwah](#) d/o [Al-Qasim](#) s/o Unnamed Women d/o [Yazdgerd III](#)

”And I will put enmity between thee and the woman, and between thy seed and her seed”

So who was the son of 1<sup>st</sup> cousins **Ali** ibn Al-Husayn and **Fatimah** bint al-Hasan.

**Muhammad ibn ‘Alī al-Bāqir**

**Qasim ibn Muhammad ibn Abu Bakr**

Al-Qāsim ibn Muhammad ibn Abu Bakr as-Siddiq was an important jurist in early Islam. He is considered the fourth in the Naqshbandi Golden Chain of Sufi masters. Naqshbandis also consider him to have passed the chain to his grandson Ja'far as-Sadiq:

Shaykh Qāsim ibn Muhammad descended from **Abu Bakr** on his father's side and from **Ali ibn Abi Talib** on his **mother's** side (**Umm Kulthum daughter of Ali**). He was the grandson of the first Caliph **Abu Bakr**, and the son of **Muhammad ibn Abi Bakr**, one of **Ali's** earliest supporters. His mother was the **daughter** of Yazdgerd III = (**FATIMAH**), the **last king of Persia**. Moreover, his daughter **Farwah bint al-Qasim** was the mother of the sixth Shi'a Imam, **Ja'far as-Sadiq**. One of his sons was Abdu r-Rahman. Besides, he was the nephew of **Aishah bint Abi Bakr**

Now what I just read to you was complete confusion, complete babel written by the Usurp. Brother and sisters what I am about to tell you could save this world. AHYAH All Praise His NAME has reveled to **US** the deception that is tiring to setup his Kingdom on this earth but if we wake up and I know we are we can save this world.

**” And I will put enmity between thee and the woman, and between thy seed and her seed; it shall bruise thy head, and thou shalt bruise his heel.”**

**Brother and Sister are you ready to BRUISE HIS HEAD?**

Now first let use give thanks to Muhammed (All Praise AHYAH) Ali (All Praise AHYAH) Fatimah (All Praise AHYAH) Hasan (All Praise AHYAH) Husayn (All Praise AHYAH) Zaynab (All Praise AHYAH) and Umm Kutthum (All Praise AHYAH) the family of Muhammed of Hashem the root of AHYAH for warning us about what's coming.

Muhammed ibn Abi Bakr (631 - 658) was the son of Abu Bakr and his wife was named Umm Kutthum the stolen daughter of Fatmih and Ali. Muhammed ibn Abi Bakr had a son named Qasim ibn Muhammad ibn Abu Bakr who died in the year 723. He had a son named **Ja'far as-Sadiq** and **Ja'far as-Sadiq** had a son named **Isma'il ibn Jafar**. **Isma'il ibn Jafar Isma'il ibn Jafar is known as**

**” Isma'il ibn Jafar of the [Ahl al-Bayt Banu Hashim](#) Clan of the [Quraish](#) “**

So let me break this down. Isma'il ibn Jafar is of the [Ahl al-Bayt](#) which means *People of the House* which means he is of the root of founding family People of the House, and he is of the Banu Hashem Tribe of the seed of Yishmael which means he is of AHYAH. Brother and Sister we have an imposter in the house...let me repeat brother and sisters we have an imposter in the house. How do we know because: **” And (I) who is (I) AHYAH will put enmity between thee and the woman, and between thy seed and her seed; (it) who is it this is US We shall bruise thy head, and thou meaning the beast, the liar, the murder and the thief shalt bruise his heel.” Now can it get any clear then this?**

Okay now can someone please tell me. How in the hell did **Isma'il the son of Ja'far as-Sadiq the son of Al-Qāsim ibn Muhammad ibn Abu Bakr as-Siddiq the son of Muhammad ibn**

**‘Alī al-Bāqir** which is the son of **Abu Bakr** one of three demons and the other two **Umar** and **Uthman** how is the hell did **Ismaili** become the **People Of the House of AHYAH! Tell Me Please**. Are we suppose to believe that **AHYAH All Praise His Name** will put the **Seed of enimity** in the **House Of The Peope of AHYAH**, in the **Tribe Of the People Banu Hashem** of **Yishmael**, who's son first born son is **Quraysh**. **Now I have a question**. Can you believe the audacity of this beast? I do not think you are hearing me! Or Understa! But you will in my **conclusion**. Do you see a pattern here? **Esua** becomes **Yacob**, **Yahushua** becomes **Jesus Christ**, **AHYAH's message** becomes a religion again and now **Muhammed All Praise** and **Ali All Praise** become **Abu**, **Umar** and **Uthman**. They did it right infront of our eyes and while we where asleep. Now Lets look at a few **obvious** deception.

**One:** "And I will put enmity **between** thee and the woman, and **between** thy seed and her seed"

Ali is not going to willing give **Abu Bakr** or **Umar** his daughter of the seed of **AHYAH**.

**Two:** **Ali** ibn **Al-Husayn** and **Fatimah** bint **al-Hasan** never exist they are a creation to allow this deception. Now think about it. They are first cousin named **ALI** and **Fatimah** this is a joke on us. There is a women here by the name of **Shahr banu** whom they call the daughter of **Yazdegerd III**. **Do you know who this Beast it?** She is the granddaughter of **his demonic wife Eudokia** who was so **Evil that she died of Epilepsy probably demonic possession, she was so evil that her house slave spit on her coffin and they burnt the girl to a crisp. This is Our Story look it up**. She was of the **Byzantine Empire Heraclius** and the granddaughter of the **King a Persia**. Now if this is the case this would make his Daughter the **Queen Of Persia**. **Now** we are suppose to believe **Umar** or **Uthman** which ever version of the story you perfer to believe would give **Ali ibn al-Husayn Born 659 CE** the Daughter of the **King Of Persia?** **That's a Question!**

**Know I want you to look this up before they shut down the web and rewrite His Story.**

"The Persian perspective however, was the polar opposite, one of great embarrassment, humility and scorn. The pride of the imperial Sassanids had been hurt by the conquest of **Iraq by the Arabs**. They continued the struggle to regain the lost territory. Thus a major Persian counter attack was launched and subsequently repulsed at the **Battle of Nihawand** fought in December 641. After which, a whole-scale invasion of the Sassanid Persian empire was planned by **Umar** to conquer their arch-rival entirely. The last Persian emperor was **Yazdgerd III**, who was killed in **653** during the reign of the Caliph **Uthman**. His death officially marks the end of the Sassanid Royal lineage and empire."

**Now** lets see **Yazdgerd III** was captured in 651 CE and **Ali ibn al-Husayn Born 659 CE**. So did the spawn of Satan lay claim on the future seed of **Husayn Ali**? No wait was'nt **Uthman** a nepotise meaning he only his family to the positions of power? If this is the case would'nt he take her for his self or for his own son?

Well look at the character of **Uthman**. **Ali** was on his land Digging wells for 24 years. He

created a book **6 months** after the burned down his house, took his daughters if there was two, Zaynab and Umm Kutthum, killed Fatimah and his unborn child, murdered Muhammed, stole the work of AHYAH and created a religion, beat Ali half to death Because He Would Not **Submit**, So after all this Ali creates a book pass it around to the tribes and **24 years later Uthman rejects the Words of AHYAH burns all the books and forces all to use his version called the Quran, Now know them by their fruit. Do you think Uthman** the nepotise would give **Ali ibn al-Husayn the unborn child the spoils of War the Queen Of Persia?**

Now for those of you in the Nation Of Islam, you a very intelligent people. While you still can, I would like you to do a search on two names spelled (Shahr-baraz + Farrokhan) and if this dose not bring you back to AHYAH nothing will.

### **Three: The Deadly Would was Healed:**

And AHYAH will put enmity **between** thee and the woman, and **between** thy **seed** and her **seed**; We shall bruise **thy head**, and the **beast**, the **liar**, the **murder** and the **thief** shalt bruise his heel.” And for those that do not know heel means the heal catcher Yacob we are the ones that caught this **Beast Right On Time**,

### **Revelations 13:3**

And I saw one of his heads as it were wounded to death; and his deadly wound was healed: and all the world wondered after the beast. **”We shall bruise thy head”**

### **Revelations 13:12**

And he exerciseth all the power of the first beast before him, and causeth the earth and them which dwell therein to worship the first beast, whose deadly wound was healed.

Hebrew if you do not recieve this message the deadly would will heal.

Now what did I say about the Books? They can confuse but they can not destroy.

### **Revelations Chapter 13:**

If any man have an ear, let him hear. He that leadeth into **captivity** shall go into **captivity**: he that killeth with the sword must be killed with the sword. Here is the patience and the faith of the Seed Of AHYAH. And I beheld another beast coming up out of the earth; and he had two horns like a lamb, and he spake as a dragon. And he exerciseth all the power of the first beast before him, and causeth the earth and them which dwell therein to worship the first beast, whose deadly wound was healed.

Now if you do not receive this today and we do not do what the Spirit Of AHYAH has lead me to say to you **THIS WILL HAPPEN**.

**And** he doeth great wonders, so that he maketh fire come down from heaven on the earth in the sight of men, And deceiveth them that dwell on the earth by the means of those miracles which he had power to do in the sight of the beast **(Can someone say Harrp, Cern, NASA)**; saying

to them that dwell on the earth, that they should make an image to the beast, which had the wound by a sword, and did live. **(The Sword being The Word Of AHYAH)**

**And** he had power to give life unto the image of the beast, that the image of the beast should both speak, and cause that as many as would not worship the image of the beast should be killed. And he causeth all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their foreheads: **(Can someone say New World Order, Police State, FEMA Camps, World Bank, United Nations, NATO, NAFTA, AFRICAN UNION, European European, IMF, BRICK, World War III. Need I Say More? )**

**And** that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name. **(RFID Chip, GPS Tracking System, Total Control)**

**Four:**

### **Revelations**

Here is **wisdom**. Let him that hath **understanding** count the number of the **beast**: for it is the number of a **man**; and his number is **Six hundred threescore and six**.

And  $666 = 36$  and  $36 = 9$

**So what is a Mahdi:** In Islamic eschatology, the Mahdi (**Guided One**) is the prophesied redeemer of **Islam** who will rule for **seven, nine or nineteen** years- **(according to various interpretations)** before the Day of Judgment (the Day of **Resurrection**) and will rid the world of wrongdoing, injustice and tyranny.

**Resurrection Definition:** The act of rising from the **dead**, The rising of Christ after His **death** and burial. The rising of the **dead** on Judgment Day, The state of those risen from the **dead**. A rising again, as from **decay, disuse**, etc.; **revival or re-birth**,

**Now** I have a question do you server the **dying** god? **Then** Who Is **rising** from the **dead**?

**And it reads:** "in Shia Islam, the belief in the Mahdi is a "**central religious idea**" and closely related as the Twelfth Imam, Muhammad **al-Mahdi**, whose return from **occultation** is deemed analogous with the coming of the **Mahdi**."

**Arabic Ismailiy, name of the Shiite sect that after 765 C.E.** Now keep this date in your mind **765**, When was the **Massacare of Karbala October 10<sup>th</sup> 680 CE, October 10<sup>th</sup> 680 CE, October 10<sup>th</sup> 680 CE**, and what happen in the Massacare? **Husayn Ibn Ali, the last son of Ali Ibn Abi Talib and 72 of his companions, now look at the number they gave to use 72 now you know they told a lie cause 72 = 9.**

**And what was that lie that Ali or Fatimah** survived. When Yazid of the Ummayd Dynasty ordered to have the Seed of Ali whiped out. Yazid the son of **Uthman** who ruled his Kingdom with nepotism and rejected the Word Of AHYAH for his own, Yazid who killed the pure of the Tribe Of Hashem, OUR people, would let **Husayn's son the so called off spring of the Queen**

**Of Peria Ali ibn al-Husayn, if you believe this LIE. Then you are not The Seed Of AHYAH. Because we are much smarter than that.**

**So what about this Ismailiy sect found in year 7+6+5 CE and : and it reads:**

”followed the **Imamship** through descendants of **Ismail (Arabic for Ishmael)**, “eldest son of **Jafar**, the **sixth Imam**. The **Ismailians** were not numerous, but among them were the powerful **Fatimid dynasty in Egypt** and the **Assassins**, both of whom loomed large in European imagination”

And this is where the story of the 7 virgins and the hash and on and on and on. Brother and Sisters Hebrews. Ja'far as-Sadiq father of Ismail was the off spring of Abu Bakr Our mortaly enemy, The killer of the prophets, the denier of the Truth, the stealer of the Word and the Liar and now he is using our name to decieve the world right before our eyes. **Oh Yeah this is deep.** (I hope you are recording this)

Hebrews have no fear! He who Lies is Afraid! I do not fear Our enemy! He fears Us, because we are of AHYAH All Praise His Name.

Here is **wisdom**. Let him that hath **understanding** count the number of the **beast**: for it is the number of a **man**; and his number is **Six hundred threescore and six**.

**Now** I will leave you with this before I go over the solutions on what we need to do to stop this Beast and save our planet. And this will work because if you understand with wisdom what we as the whole house of Yishmael and Yacob what we need to do as One branch AHYAH's people. **Together to save this world.**

**Now here is how you count the Beast 9 is the bass number. To use it represents pure evil when following it in Our History. So when ever we see a number we have to ask dose it add up or add down to nine.**

**Now death and rebirth is a cycle. The number 11 to use represents Death and Rebirth 1 and 1 it also rrepresents the demonic coming thru a portal and what is coming thru the Dying God.**

**Now a cycle is 2160 years long. Now ”count the number of the beast”  $2+1+6+0 = 9$**

What you are hearing is Hermeticism, numerology, Kabalah tool of the demonic. Courtsey of ”Hermes Trismegistus” Muslims religion aside. Seek out this name Hermes Trismegistus in connection with **Harun al-Rashid** who established the House of Wisdom and how deeply intertwined it is with **Hermes**. Saadia Ben Joseph or the **Sabians of Harran** whom are the custodians of Hermetic-ism. Know because you do not no the difference between AHYAH and allah you do not know that Hermes is a dying god and every dying god requires sacrifices. Death and Rebirth. Now let me continue.

**Now a cycle is 2160 years long. Now ”count the number of the beast”  $2+1+6+0 = 9$**

The letters YHWH are the 72 names of god that name is Yahweh this is Kabalah and Kabalah is Hermetic-ism Hebrews Wake Up. Each letter has 18 names  $1+8 = 9$   $18 + 4 = 22 = 9$  So 9 is the combining force of the 72 Demonic Spirits that rule this planet for a very short time.

So now count. 2160 year. Year 160 was the times when Yahushuah the messaenger was killed so call him the teacher of righteousness his real name was YAHUWAH with means our security he Adds and Sercure, Guides, Hooks. YAHUWAH Mohammed was a YAHUWAH Ali was a

YAHUWAH if we wake up we will be a YAHUWAH not a god but a helper of AHYAH. This is the covenant. They can not read what we can easily see. So in 160 BC started the 2160 year count down. Now every 720 years there is a change. So we see 720 years from 160 is year 560 what happen's Justinian I to 668 ending with Constans II you will see the kings turned from black to white. But you have to look at the faces of the coins, because only Kings mint money. Also with in this time we have Muhammed and Ali waking up and joining with the tribes of Quraysh. All with in 100 years. Also if you notice the year 560.  $560 = 11$  Death and Rebirth so who died and who was reborn. The Idols or gods of Mecca died, but where reborn when the killed the Prohets are you starting to see it. 911. So lets count the number of the beast.  $560 + 720 \text{ years} = 1280$  now in the year 1281 we have the coronation of **House of Osman** which was Rise of the Ottoman Empire now count  $1+2+8+0 = 11$  Death and Rebirth.  $1280 + 720 = 2000$  year 2000 now here is where you need to See and have your ears open. First I want to thank mighty AHYAH All Praise his NAME for unvailing this to US now if you notice. In the year 2000 you do not see many number that make up 11, but there are 2 = 11 1111, but there is more. The event that started the change was 2001 September 11 the Twin Towers the Gates coming thru Death and Rebirth Count the number of the beast it is 666. Now knowing what you now know. I want you to do one more thing. Go to [www.google.com](http://www.google.com) and start with the name **Mohammed Burhanuddin** and trace it back to the people that usurpt the House Of The Peoples of AHYAH, turned the message into a religion, killed the prohets and will one day rule this world...IF we let them. Hebrew Wake Up.

Now on last think when I first wanted to do this program, I decided for the 19<sup>th</sup> of October. I had to change it because I saw **Ali ibn al-Husayn** date of death as October 20<sup>th</sup> 712, so I said let me honor Ali and the Hashem by dedicating this broadcast to him, but I tried to read about his family His Story, and I did not see Our Story. And this is how I found the deception. There are no coincidence, just nature making things perfect. All Praise AHYAH.
