

## **Book of Ishtar and the NEW MOON | Update Version**

### **Intro:**

Welcome Brothers and Sisters, friends and enemies you are listening to Signs and Wonders the broadcast that came right on time I am your host Dawid Yacob Maccabeus today according to the Gregorian calendar is January 19<sup>th</sup> 2010

### **PRAYER:**

**Hevenly Father thank you for another opportunity to speak to your children. Thank you for placing this heart inside my chest to know that you are the creator of us all. Father I pray in the name of your promise YAHUSHUAH the Messiah that you bless this broadcast with your wisdom and guide me so that I can articulate the words that are need to wake up your chosen. I pray that you bind and bond any demonic force that will attempt to stop this message father. I thank you for your name AHYAH my YAH YAHUWAH and your promise to this world YAHUSHUAH, HalleluYAH, HalleluYAH, HalleluYAH.**

Today I will show you beyond a doubt that the proper time to Celebrate the Passover is on the 14<sup>th</sup> day of a 28 day month. The first month of the year which is called ABIB. The passover does not fall on a FULL MOON. BUT a DARK MOON wrongly called a NEW MOON. The NEW MOON is 14 days after a FULL MOON or a complete MOON. It is vital that you listen to the END of this program and take it to heart. The importance of this broadcast can not be overstated if you take the covenant serious. Now if you are of the seed of YACOB and you really hear what I am saying then you just might be that one that will push this over the edge. Now what do I mean. EVIL strives in Darkness. A thief works in the night. Think about movies like twilight, Eclipse or the New Moon that promote vampires and demons. Keep your mind on Darkness.

**Genesis 15:12** And when the sun was going down, a deep sleep fell upon Abram; and, lo, an horror of great darkness fell upon him.

This was right before the profanity of the seed of YACOB and the 400 year slavery of the so called Black Man.

**Exodus 10:22** And Moses stretched forth his hand toward heaven; and there was a thick darkness in all the land of Egypt three days: **(references to the new moon)**

**Job 29:3** When his candle shined upon my head, *and when* by his light I walked *through* darkness;

Job is telling us that the protection from DARKNESS comes from the Most High.

**Psalms 18:28** For thou wilt light my candle: the AHYAH my YAH will enlighten my darkness.

**Judge 1:6** And the angels which kept not their first estate, but left their own habitation, he hath reserved in everlasting chains under darkness unto the judgment of the great day.

**1Timothy 5:5** Ye are all the children of light, and the children of the day: we are not of the night, nor of darkness.

**Colossuians 1:13** Who hath delivered us from the power of darkness, and hath translated *us* into the kingdom of his dear Son:

**Ephisians 6:12** For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high *places*.

So the point is this the Exodus from Bondage from Egypt was done in the night the angle of destruction killed the first born at midnight and this nigh fell on the NEW MOON so that once a month the seed of YACOB will remmber what happen and once a year they will celebrate the Passing Over. Now if they could confuse the seed and take the remmberance of the 4<sup>th</sup> commandment away. This would give them power to destroy the children of YACOB.

This is why evil is the most powerful in the dark, because the darkness is there power. If we bring the LIGHT of AHYAH into the darkest day of the month then EVIL can not hide. And there power will fail.

Okay I say all this to place your attention on the meaning of the passover. What was the purpose? To understand the purpose you have to place your mind on SLAVERY, and the most effective way is to reflect on the trans atlantic slavetrade. When we read about how these people where treated, your mind really begins to understand what it means to be FREE. Think about the horrors of slavery. Think about the rapes. Think about the murders. Children raped and killed before there parents. Wives taken, befores their husbands, Strong men raped on poles to be broken by there sick preverted slave master. And many times in the eyes of his wife, children and the other broken slaves in the field. And the things that we read are nothing compared to the mother, father or child that lived it.

Now I mention this to PUT your mind in this perspective. In order to trully understand what I am relaying to you YOU have to FEEL this message today. Because tomorrow could be the day they shut down. So if you really want to get this today you have to FEEL IT.

Now SLAVERY is the WORST OF HELL, because every man desire to be FREE. Slavery is a crime against humanity it is a crime sgainst man kind. Now MOSE'S name means drawn from the water. His name tells the story of SLAVERY. The people of MIZRAM where killing all the male children in the site of there parents. How many murders and rapes and injustice did MOSES and the seed of YACOB witness? Do you think the Children of YACOB understand what it means to be free? NOW the PASSOVER represents FREEDOM, freedom from oppression. This is why MIZRAM was changed to BONDAGE, because just the mention of

EGYPT put fear in the heart of the seed of YACOB. Okay now there are those on this earth that do not understand the meaning of oppression. They are called the oppressor. I am going to read you what they say about PASSOVER.

### **PASSOVER OVERVIEW:**

“Passover Modern Hebrew: is a predominantly Jewish holy day and festival. It commemorates the story of the Exodus, in which the ancient Israelites were freed from slavery in Egypt.

**Passover begins on the 14<sup>th</sup> day of the month of Nisan, which is spring in the Northern Hemisphere, and is celebrated for seven or eight days.** It is one of the most widely observed Jewish holidays. In the narrative of the Exodus, the Bible tells that God helped the Children of Israel escape slavery in Egypt by inflicting ten plagues upon the Egyptians before Pharaoh would release his Israelite slaves. The Israelites were instructed to mark the doorposts of their homes with the blood of a spring lamb and, upon seeing this, the spirit of the Lord passed over these homes, hence the term "passover".[1] When Pharaoh freed the Israelites, it is said that they left in such a hurry that they could not wait for bread to rise. In commemoration, for the duration of Passover no leavened bread is eaten, for which reason it is called "The Festival of the Unleavened Bread".[2] Matzo (flat unleavened bread) is the primary symbol of the holiday.”

So according to this article the main focus about PASSOVER is flat bread. MATZO “The Festival of the Unleavened Bread” Written straight from the hands of the OPPRESSOR. He made the meaning of PASSOVER as bland as bread.

Okay now I am going to read two verses concerning the Passover from YASHER and Exodus.

### **From the book of EXODUS:**

**Exodus 12:23** For THE MOST HIGH<sup>H3068</sup> will pass through<sup>H5674</sup> to smite<sup>H5062 (H853)</sup> the Egyptians,<sup>H4714</sup> and when he seeth<sup>H7200 (H853)</sup> the blood<sup>H1818</sup> upon<sup>H5921</sup> the lintel,<sup>H4947</sup> and on<sup>H5921</sup> the two<sup>H8147</sup> side posts,<sup>H4201</sup> AHYAH<sup>H3068</sup> will pass<sup>H6452</sup> over<sup>H5921</sup> the door,<sup>H6607</sup> and will not<sup>H3808</sup> suffer<sup>H5414</sup> the destroyer<sup>H7843</sup> to come in<sup>H935</sup> unto<sup>H413</sup> your houses<sup>H1004</sup> to smite<sup>H5062</sup> you.

### **From the book of YASHER:**

41 And the days of darkness passed away, and THE MOST HIGH sent Moses and Aaron to the children of YACOB saying, Celebrate your feast and make your Passover, for behold I come in the midst of the night amongst all the Egyptians, and I will smite all their first born, from the first born of a man to the first born of a beast, and when I see your Passover, I will pass over you.

Okay now when I read this my mind is on THE MOST HIGH, my mind is on THE BLOOD. My mind is thinking about the PASSOVER and what dose it mean! Also I just read two verses from two different books that meention the reason why we have the PASSOVER. Which is FREEDOM. Freedom from Egypt from bondage. The oppressor can not know what it FEELS to be in bondage. He can't articulate something he dose not understand. Which should be a clue. Now there is something else you should take NOTE. Did you notice all of the REFERENCE

TO THE MOST HIGH. No less than seven times do you see a reference to the FATHER in these two short verses. So keep this in your mind as a move towards my next topic.

## Now how many of you heard of the Holy Day called - PURIM?

### PURIM OVERVIEW:

Purim (Hebrew: פורים (help·info) Pûrîm "lots", related to Akkadian pûru) is a festival that commemorates the deliverance of the Jewish people living throughout the ancient Persian Empire from a plot by Haman the Agagite to annihilate them, as recorded in the Biblical Book of Esther (Megillat Esther). According to the story, Haman cast lots to determine the day upon which to exterminate the Jews. **Purim is celebrated annually according to the Hebrew calendar on the 14th day of the Hebrew month of Adar** the day following the **victory** of the Jews over their **enemies**. Purim begins at sundown on the previous secular day. In cities that were protected by a surrounding wall at the time of Joshua, including Shushan (Susa) and Jerusalem, Purim is celebrated on the 15th of the month, known as Shushan Purim. Purim is characterized by public recitation of the **Book of Esther** (keriat ha-megillah), **giving mutual gifts of food and drink** (mishloach manot), giving charity to the poor (mattanot la-eyyonim), and a celebratory meal (se'udat Purim);[1] other customs include drinking wine, wearing of masks and costumes, and public celebration.

### Okay now here is the reason for the Celebration:

Jewish exiles from the Kingdom of Judah who had been living in the Babylonian captivity (6th Century BCE) found themselves under Persian rule after Babylonia was in turn conquered by Cyrus the Great, King of the Persians and Medians and founder of the Persian Empire who according to the Biblical Book of Ezra released them from captivity and allowed those that wished to return to Jerusalem, giving them back the money which Nebuchadnezzar II had carried away from Jerusalem.[2] According to the Book of Esther, Haman, royal vizier to King Ahasuerus planned to kill the Jews, but his plans were foiled by Esther, Ahasuerus's queen. Mordecai, a palace official, cousin and foster parent of Esther, subsequently replaced Haman. The Jews were delivered from being the victims of an evil decree against them and were instead allowed by the King to destroy their enemies, and the day after the battle was designated as a day of feasting and rejoicing.

### Okay we find this in the book of ESTHER:

**Est 2:4** And let the maiden<sup>H5291</sup> which<sup>H834</sup> pleaseth<sup>H3190 H5869</sup> the king<sup>H4428</sup> be queen<sup>H4427</sup> instead<sup>H8478</sup> of **Vashti**.<sup>H2060</sup> And the thing<sup>H1697</sup> pleased<sup>H3190 H5869</sup> the king,<sup>H4428</sup> and he did<sup>H6213</sup> so.<sup>H3651</sup>

**Est 2:5** *Now* in Shushan the palace there was a certain Jew, whose name *was* Mordecai, the son of Jair, the son of Shimei, the son of Kish, a Benjamite;

**Est 2:6** Who had been carried away from Jerusalem with the captivity which had been carried away with Jeconiah king of Judah, whom Nebuchadnezzar the king of Babylon had carried away.

**Est 2:7** And he brought up Hadassah, that *is*, Esther, his uncle's daughter: for she had neither father nor mother, and the maid *was* fair and beautiful; whom Mordecai, when her father and mother were dead, took for his own daughter.

**Est 2:17** And the king<sup>H4428</sup> loved<sup>H157 (H853)</sup> **Esther**<sup>H635</sup> above all<sup>H4480 H3605</sup> the women,<sup>H802</sup> and she obtained<sup>H5375</sup> grace<sup>H2580</sup> and favour<sup>H2617</sup> in his sight<sup>H6440</sup> more than all<sup>H4480 H3605</sup> the virgins;<sup>H1330</sup> so that he set<sup>H7760</sup> the royal<sup>H4438</sup> crown<sup>H3804</sup> upon her head,<sup>H7218</sup> and made her queen<sup>H4427</sup> instead<sup>H8478</sup> of **Vashti**.<sup>H2060</sup>

**Okay so MORDECAI adopts Esther a fellow Benjamite.**

**Est 9:18** But the Jews that *were* at Shushan assembled together on the thirteenth *day* thereof, and on the fourteenth thereof; and on the fifteenth *day* of the same they rested, and made it a day of feasting and gladness.

**Est 9:19** Therefore the Jews of the villages, that dwelt in the unwalled towns, made the fourteenth day of the month Adar *a day of* gladness and feasting, and a good day, and of sending portions one to another.

**Est 9:20** And Mordecai wrote these things, and sent letters unto all the Jews that *were* in all the provinces of the king Ahasuerus, *both* nigh and far,

**Est 9:21** To stablish *this* among them, that they should keep the fourteenth day of the month Adar, and the fifteenth day of the same, yearly,

**Est 9:22** As the days wherein the Jews rested from their enemies, and the month which was turned unto them from sorrow to joy, and from mourning into a good day: that they should make them days of feasting and joy, and of sending portions one to another, and gifts to the poor.

**Est 9:23** And the Jews undertook to do as they had begun, and as Mordecai had written unto them;

**Est 9:24** Because Haman the son of Hammedatha, the Agagite, the enemy of all the Jews, had devised against the Jews to destroy them, and had cast Pur, that *is*, the lot, to consume them, and to destroy them;

**Okay now I just read 13 verses a quick overview of The Book Of Esther here are a few points to think about:**

Now after hearing this story did you notice something missing? Where are the references to The Most High? Remember in the references to the PASSOVER you see the MOST HIGHS NAME EVERY WHERE. You will not find one reference to the father in the whole book of Esther. Yet the JEWS in the state of Israel are Celebrating VICTORY Over their enemies on the FULL MOON of the month ADAR. Now the question I have is, why do we see references to The Most High no less than seven times in my reading of the PASSOVER, but not once in the whole BOOK of ESTHER?

Why do we only see ESTHER'S obedience to Mordecai? She is not asking for the intervention from AHYAH. Also In this story we are told that the Tribe of Benjamin and the JEWS were being threatened. But there is a problem if you remember Cyrus, the king of Persia was cool with the HEBREWS. Now we know that it was not King Xerxes the son of Cyrus that sent out this alleged decree, but still at this time the Temple was rebuilt and the Hebrews were okay.

### **As it reads:**

'Thus saith Cyrus, king of Persia: All the kingdoms of the earth hath YAHUWAH, the YAH of heaven, given me; and He hath charged me to build Him a house in Jerusalem, which is in Judah. Whosoever there is among you of all His people -- may YAHUWAH, his Elohim, be with him -- let him go there.' (2 Chronicles 36:23) This was when CYRUS allowed the building of the 2<sup>nd</sup> Temple.

### **Here is something from the WEB:**

“The accession of Cyrus the Great of Persia in 538 BCE made the re-establishment of the city of Jerusalem and the rebuilding of the Temple possible.[1] According to the Bible, when the Jewish exiles returned to Jerusalem following a decree from Cyrus the Great (Ezra 1:1-4, 2 Chron 36:22-23), construction started at the original site, which had remained a devastated heap during the approximate **70 years of captivity** (Dan. 9:1-2). After a relatively brief halt, brought about by peoples who had filled the vacuum during the Jewish captivity (Ezra 4), work resumed circa 521 BCE under the Persian King Darius (Ezra 5) and was completed during the sixth year of his reign (circa 515 BCE), with the temple dedication taking place the following year.”

Now when we read the book of Esther a decree is sent to kill all the JEWS, but it never mentions the temple the tribe of YAHUDAH the levites nothing? Not one mention of the house of YACOB and not one reference to THE MOST HIGH AHYAH. So the point I want to make is this. If this Holy Day is to be observed equal to the PASSOVER then the whole house of Yacob should be involved. Now the reason why the whole house is not involved is this. Now listen it was 478 BC 144 years before the invasion of Alexander the Great. The house of Israel was already taken into captivity in 722 BC the house of Yahudah was taken into captivity 586 BC the other tribes of YACOB were already distributed almost the nations 300 years earlier. When you hear the word JEW they are talking about YAHUDAH when you hear The house of

is ISRAEL they are speaking about everyone. Now it should be the house of YACOB, but thats another story.

So my questions remains. In this book of ESTHER Where is the call to AHYAH? Why is only one tribe mentioned which is the **tribe of Benjamin**. And how and why did this holyday of PURIM become so special and equal to the PASSOVER? Now the reason I ask these questions is because during the course of my resreach I found a few things that do not add up. Here are a few things that will be discussed:

1. First who is Esther and Mordecai?
2. Why is the worship of the MOON so important to the Usurpers called jews?
3. Why it is important for US the real Hebrews to understand the PASSOVER?

**Okay now remmber this verses:**

**Daniel 7:25** And he shall speak great words against the most High, and shall wear out the saints of the most High, and think to change times and laws: and they shall be given into his hand until a time and times and the dividing of time.

Before I continue I want to make a statement. It is a very dangerous and an unwise thing to question the WORD of our FAHTER. So let me be clear. I do not question the WORD OF YAH whom is AHYAH. I question the motives of those that translated and corrupted the understand of the WORD OF YAH. If we are supposed to be the peculiar treasure, The Most Highs light in this world of Darkness, Priest of The Most High, then you will know them by their fruits. If what Daniel is saying is true about the changing of the dates and times. Then the changing of the times and laws where done to hide and destroy the people that the world has been waiting for. Now would it not be IRONIC, that the ones this world rejected, placed on the back of the bus are the ones they need for their salvation. I advice you all to study the events of 1829 sourounding the free slave movment. Let's just say the Quakers saw the light. "British and Foreign Bible Society"

Now about this celebration of PURIM. But before I get into this let me read to you another witness to confirm what I am tring to relay.

**The Hastings Dictionary Of The Bible page 239:**

"ESTHER, BOOK OF.—1. Place in the Canon.—'The Book of Esther belongs to the second group of the third division of the Hebrew Canon—the Kethubim, or ' Writings '—a group which comprises the Megilloth, or ' Rolls,' of which there are five,—Song of Songs, Ruth, Lam., Eccles., Esther. It was not without much discussion that Esther was admitted into the Canon, for its right to be there was disputed both by the Jewish authorities and by the early Christian Church. As late as the 2nd cent. a.d. the greatest Jewish teacher of his day. Rabbi Jehudah,

(NOW KEEP IN MIND THIS IS 130 years after the destruction of the 2nd Temple) said, 'The Book of Esther defileth not the hands' [the expression 'to defile the hands' is the technical Jewish way of saying that a book is canonical; it means that the holiness of the sacred object referred to produces by contact with it a state of Levitical Impurity]. Now anyone that studies history should know that the Levites were long gone. The temple and the high priest position was taken over by the EDOMITES thru King HEROD the family of Boethus who were (Sadducee) had control of the RELIGION. So when they try to edify this so called (Rabbi Jehudah) understand THIS IS A USURPER.

And it continues. "In some of the earlier lists of the Biblical books in the Christian Church that of Esther is omitted; Athanasius (d. 373) regarded it as uncanonical, so too Gregory Nazianzen (d. 391); Jacob of Edessa (c.700) reckons it among the apocryphal books. It is clear that Esther was not universally accepted as a book of the Bible until a late date."

"Date and authorship .The language of Esther points unmistakably to a late date; it shows signs, among other things, of an attempt to assimilate itself to classical Hebrew; the artificiality herein betrayed stamps the writer as one who was more familiar with Aramaic than with Hebrew." (This is because the paleo Hebrew was being translated into Aramaic during the captivity. So this is the first case of LOST IN TRANSLATION)

"Further, the Persian empire is spoken of as belonging to a period of history long since past (cf. 'in those days,' 1^); the words, 'There is a certain people scattered abroad and dispersed among the peoples in all the provinces of thy kingdom' (3'), show that the 'Dispersion' had already for long been an accomplished fact." (SO THE HISTORY DO NOT MATCH)

Moreover, the spirit of the book points to the time when great bitterness and hatred had been engendered between Jew and Gentile. The probability, therefore, is that Esther belongs to the earlier half of the 2nd cent. B.C. Of its authorship we know nothing further than that the writer was a Jew who must have been in some way connected with Persia; the book shows him to have been one whose racial prejudice was much stronger than his religious fervour; it is extraordinary that a book of the Bible should never once mention the sacred name of God; the secular spirit which is so characteristic of the book must have been the main reason of the disinclination to incorporate it into the Scriptures, which has been already referred to.

**Okay now this Dictionary was written in 1909 – NOTES?**

Okay I am going to play an Audio File that reads thru a few scriptures in the Bible. I want you to pay close attention to the events that are happening. After I will explain. Okay now listen to this:

**Judges 19 Audio File Men Of Baal:**

Here are a few points to pay attention to

- The Man was a Levite of the seed of Jacob
- His Women was Raped and Murdered.
- The men that Raped her where of the Belial.  
(bel-e-yah'-al Belial, evil, naughty, ungodly (men), wicked.)

### **Judges 20 Audio File The Curse Of Benjamin:**

Here are a few points to pay attention to

- The Tribe of Benjamin where protecting the people of BELIAL.
- The Tribe of Benjamin became curupt because of the area they lived in.
- Also listen to how the lived in the caves and the rocks.

### **The Hastings Dictionary Of The Bible page 91:**

The limits of the tribal territory are given in Yahsua 18"-28. Within it lay Bethel, Ophrah, Geba, Gibeon, Ramah, Mizpeh, Gibeah, all primitive seats of Canaanitish worship and important centres in the cultus of Israel Jericho, where in early times there may have been a cult of the MOON GOD, and Jerusalem are also assigned to Benjamin.

### **Judges 21 Audio File Wolf in Sheeps Clothing:**

**Here some points to pay attention to:**

- The women Belish Gibeon where rejected by the Benjamintes.
- The women of Benjamin where destroyed because of the men of Gibeon.
- Cursed be he that givest a wife to Benjamin so they took wives of the Daughters of Shiloh.

Okay now I went threw these audio files to bring your attention to the FACT that the tribe of Benjamin was now a Half tribe of Yacob. All the wives of Benjamin are Gentils of SHILOH, so the Children of Benjamin are now mixed.

Here are a few clues to look at:

Now lets look at king SAUL:

**1Sa 9:2** And he had<sup>H1961</sup> a son,<sup>H1121</sup> whose name<sup>H8034</sup> was Saul,<sup>H7586</sup> a choice young man,<sup>H970</sup> and a goodly.<sup>H2896</sup> and *there was not*<sup>H369</sup> among the children<sup>H4480 H1121</sup> of Israel<sup>H3478</sup> a goodlier<sup>H2896</sup> person<sup>H376</sup> than<sup>H4480</sup> he: from his shoulders<sup>H4480 H7926</sup> and upward<sup>H4605</sup> *he was* higher<sup>H1364</sup> than any<sup>H4480 H3605</sup> of the people.<sup>H5971</sup>

**1Sa 10:23** And they ran<sup>H7323</sup> and fetched<sup>H3947</sup> him thence:<sup>H4480 H8033</sup> and when he stood<sup>H3320</sup> among<sup>H8432</sup>

the people,<sup>H5971</sup> he was higher<sup>H1361</sup> than any<sup>H4480 H3605</sup> of the people<sup>H5971</sup> from his shoulders<sup>H4480 H7926</sup> and upward.<sup>H4605</sup>

1Sa 10:24 And Samuel<sup>H8050</sup> said<sup>H559</sup> to<sup>H413</sup> all<sup>H3605</sup> the people,<sup>H5971</sup> See<sup>H7200</sup> ye him whom<sup>H834</sup> the LORD<sup>H3068</sup> hath chosen,<sup>H977</sup> that<sup>H3588</sup> *there is* none<sup>H369</sup> like him<sup>H3644</sup> among all<sup>H3605</sup> the people?<sup>H5971</sup> And all<sup>H3605</sup> the people<sup>H5971</sup> shouted,<sup>H7321</sup> and said,<sup>H559</sup> God save<sup>H2421</sup> the king.<sup>H4428</sup>

First thing you should bring to you attention is Saul's height. He was from his shoulders upwards taller then all of the people. Now where did this tall gene come from. So the story tell us that Saul did not defeat the Philistines, but it was David not Saul that saved the Children Of Yacob. We also here that Saul offers David his Daughters, but they never marry. Saul becomes Jealous, he tries to kill David. Eventually Saul kills his self .

**GIBEON.**—A town in Palestine north of Jerusalem. Its inhabitants seem to have been Hivites (Jos 9') though spoken of in 2 S 21\* by the more general term '**Amorites.**' It was a city of considerable size. Its inhabitants, by means of a trick, succeeded in making a truce with Joshua, but were reduced to servitude (Jos 9) a coalition of other Canaanite kings against it was destroyed by him (ch. 10). It became a Levitical city (21") **in the tribe of Benjamin** (IS^s). The circumstances of the destruction of part of the Gibeonites by Saul (2 S 21') are unknown.

Let me read this last Line again:

“The circumstances of the destruction of part of the Gibeonites by Saul are unknown.”

Okay that line is very important because it will tie this all together. The HOLY DAY Of Purim has a direct connection to these events of Gibeon. Now I ask you to follow along and understand that the WORD we read is translated by the OPPRESSOR. So a lot will be lost in Translation.

PURIM is based on the story that is found in the book of ESTHER. This is one of thee most Celebrated Festivals of the people that call them selves JEWS.

lets look at a few name and find there hidden meaning:

The word PURIM is found **5** places in the bible all in one place the book of Esther. The root of the word PURIM is (PUR) POOR which means to CRUSH, BREAK TO NAUGHT, UTTERLY TAKE. It has relations to the word PURAH which is winepress (To Crush Like a Grape)

Now what about the name ESTHER?

In the Bible we are told her real name is Hadassah? According to the STRONGS Hadassah means myrtle (tree), Now you and I know that this name has a deeper meaning, You can trace this name to words like BRIDE, or NEW. In the Bible we often see the hebrew word new when ever there is a

sacrafice. So if you can think deep about this you can see how a new bride could sacrafice her virgnity. Now this will make more sence as we define the name ESTHER.

### According to STRONGS:

es-tare' Of Persian derivation; Ester, the Jewish heroine: - Esther.

Thats it so the question is what are they hidding? We know the names have deeper meanings then these.

Look at what the Aramaic Tanakh say about the name ESTHER:

The Targum[9] connects the name with the Persian word for "star", ستاره setareh, explaining that Esther was so named for being as beautiful as the Morning Star. Or The FULL MOON

In the Talmud (Tractate Yoma 29a), Esther is compared to the "morning star". Now I am going to do a study on the morning star in the near future, But how many of you heard of the other morning star?

I also found that the name comes from ISHTAR The Assyrian and Babylonian goddess of fertility, love, war, and sex. So what did ESTHER do? She sacraficed her virgnity to save her people which is SEX LOVE and FERTILITY. Then she went to WAR to save the JEWS and under the orders of her uncle Mordecai. And now every year it is celebrated around the time of the spring equinox. Which is the First Full Moon of the month of ADAD

Now is this a considence or a JOKE on US? Now I have one more meaning for the name ESTHER. This is found in a book called the:

Hitchcock's Bible Names Dictionary: and it is a very short meaning: **Esther secret; hidden**

Now the real secreat that ESTHER is hidding is how easy it is to figure this out. Do you know that the name of ESTHER and the profacy of YACOB are connected? Check it out.

ESTHER in the Hebrew Charecters breaks down to Power,Leader,Grab,Hate,Outside,Divid.

Now what was the profacy of YACOB concerning Benjamin?

**Gen 49:27** Benjamin<sup>H1144</sup> shall **ravin**<sup>H2963</sup> as a **wolf**<sup>H2061</sup> in the morning<sup>H1242</sup> he shall **devour**<sup>H398</sup> the prey,<sup>H5706</sup> and at night<sup>H6153</sup> he shall **divide**<sup>H2505</sup> the **spoil**.<sup>H7998</sup>

Now I know ya'll ant going to believe me so I advise you to look at this for your self. All I can say is seek and ye shall find. This word **WOLF 2061** means to be yellow a wolf, now I said what in the world dose this mean so I did what I always do and that is let the words around the words tell the story. So I went to 2062 and the word did not give any meaning then I went to 2060 and guess what I found. *Vash-tee'*

*Now many are asking what is vash-tee? Well hold on check it out:*

*Vashti.: Of Persian origin; Vashti, the queen of Xerxes: - Vashti. The Queen of Xerves the Queen that was replaced by **ESTHER***

**And it Read:**

**Est 2:17** And the king<sup>H4428</sup> loved<sup>H157 (H853)</sup> **Esther**<sup>H635</sup> above all<sup>H4480 H3605</sup> the women,<sup>H802</sup> and she obtained<sup>H5375</sup> grace<sup>H2580</sup> and favour<sup>H2617</sup> in his sight<sup>H6440</sup> more than all<sup>H4480 H3605</sup> the virgins,<sup>H1330</sup> so that he set<sup>H7760</sup> the royal<sup>H4438</sup> crown<sup>H3804</sup> upon her head,<sup>H7218</sup> and made her queen<sup>H4427</sup> instead<sup>H8478</sup> of **Vashti**.<sup>H2060</sup>

Now ask me if I'm reaching? How many Queens are named Vashti in the Bible? How many Queens named ESTHER are in the Bible? This is what you call here a little there a little.

Now I could end this here, but I am just getting started, But before I continue lets take a moment to meditate on what just happen....

Someone is playing a game with us! Who has the power to do this to place Vashti 2060 above Wolf 2061? Is it Friend or Foe?

**Mat 7:15** Beware<sup>G4337</sup> of<sup>G575</sup> false prophets,<sup>G5578</sup> which<sup>G3748</sup> come<sup>G2064</sup> to<sup>G4314</sup> you<sup>G5209</sup> in<sup>G1722</sup> sheep's<sup>G4263</sup> clothing,<sup>G1742</sup> but<sup>G1161</sup> inwardly<sup>G2081</sup> they are<sup>G1526</sup> ravening<sup>G727</sup> wolves.<sup>G3074</sup>

Now I read that verse to bring you to this next section of my research. Just incase those of you think that the Book Of Esther was edified by that display of hidden messages, Think again!

### **Here is some info on the source:**

”The primary source relating to the origin of Purim is the Book of Esther, which became the last of the 24 books of the Tanakh to be canonized by the Sages of the Great Assembly. It is dated to the 4th century BCE[3] and **according to the Talmud** was a redaction by the Great Assembly of an original text by Mordecai.[4]

The holiday of Purim has been held in high esteem by Judaism at all times; some have held that when all the prophetic and hagiographical works will be nullified, the Book of Esther will still be remembered, and, accordingly, the Feast of Purim will continue to be observed (The Jerusalem Talmud).”

”In her article “The Book of Esther and Ancient Storytelling,” biblical scholar Adele Berlin discusses the reasoning behind scholarly concern of the historicity of Esther. Much of this debate relates to the importance of distinguishing history and fiction within biblical texts, as Berlin argues, in order to gain a more accurate understanding of the history of the Israelite people.[13] Berlin quotes a series of scholars who suggest that the author of Esther did not mean for the book to be considered as a historical writing, but intentionally wrote it to be a historical novella.[14] The genre of novellas under which Esther falls was common during both the Persian and Hellenistic periods to which scholars have dated the book of Esther.[11][13]”

### **So what is Novella?**

novella:

a fictional prose narrative that is longer and more complex than a short story; a short novel.

Okay so if this story is NOVELLA "a fictional prose narrative" Then what is the meaning behind this statement?

"The holiday of Purim has been held in high esteem by Judaism at all times; some have held that when all the prophetic and hagiographical works will be nullified, the Book of Esther will still be remembered, and, accordingly, the Feast of Purim will continue to be observed "

This means ESTHER is above all SAINTS through out history! REALLY Okay now to complete this study of The Book Of ISHTAR we are going to go back to the Tribe of Benjamin. Most Anglo Saxon and those that call themselves Jews love GENEALOGY so lets take a look at a Genealogy that was provide by The Talmud. This is concerning Esther and Mordecai.

## GENEALOGY

And it Reads:

The Talmud lists Mordecai and Esther as prophets.[2] The Talmud says Mordecai prophesied in the second year of Darius. Mordecai's genealogy in the second chapter of the Book of Esther is given as a descendant of Kish of the Tribe of Benjamin. Kish was also the name of the father of King Saul, and the Talmud accords Mordecai the status of a descendant of the first King of Israel.[3]

The **Targum Sheni** gives his genealogy in more detail, as follows: "**Mordecai**, son of Ya'ir, son of Shim'i, son of Shmida, son of Baana, son of Eila, **SON OF MICAH, son of Mephibosheth, son of Jonathan, son of Saul, son of Kish**, son of Aviel, son of Tzror, son of Bechorath, **son of Aphiah**, son of Sh'charim, son of Uziah, son of Sheshak, son of Michael, son of Elyael, son of Amihud, son of Shephatya, son of Psuel, son of Pison, son of Malikh, son of Jerubaal, son of Yerucham, son of Chananya, son of Zavdi, son of Elpo'al, son of Shimri, son of Zecharya, son of Merimoth, son of Hushim, son of Sh'chora, son of 'Azza, son of Gera, **son of Benjamin**, son of **Jacob** the firstborn, whose name is called Israel."

Okay now they follow the line all the way down to Benjamin, but there is another part of this story that is not told. That name **Mephibosheth** is very close to another **Mephibosheth**, both lived at the same time one was son of Saul the other was grandson of Saul. Now the book of Esther only three names so we have to speculate if the TANAKA is adding names to puff up the lie or if the translator of The Book Of ESTHER just got lazy.

**Est 2:5** *Now* in Shushan the palace there was a certain Jew, whose name *was* Mordecai, the son of Jair, the son of **Shimei**, the son of **Kish**, a Benjamite; Thats it.

Okay now lets finish POORIM with this with a quick study on the story of RIZPAH.

**Rizpah** was the daughter of **Aiah**, and one of Saul's concubines. She was the mother of **Armoni** and Mephibosheth. This name Mephibosheth is (Meri-baal) which is ("beloved of **Baal**"), Then we have her other son named Armoni which means (HIGHT, Elevated, root \*HORAM ) this name can be traced back to HORAM the seed of the fallen angels the same people that whom Yahsua was fighting. So it looks like the father of RIZPAH might have been of the seed of the NEPHILAM, now I say this because of the events that surround this sacrifice. And that fact that the children of Benjamin where not to marry the Children of Yacob. So all there wive came from those other then the seed of YACOB.

Now lets look at RIZPAH the wife of SAUL how do we know here father AIAH was of the seed of the Fallen? Lets take a look at her sons names again.

Meri BAAL means Beloved of BAAL. Armoni means (Hight Elevated) remember the appearnce of SAUL. Now when you look at the root of the name Armoni you find the name HORAM H2026

*ho-rawm'*

From an unused root (meaning to *tower up*); *high*; *Horam*, a Canaanitish king: - Horam

**Now when you research this you trace the root to ESAU and HIVITES. Now when you read this name Armoni you are told that the seed of ESAU joined with the seed of the giants. Okay now lets look at SAUL'S Daughter.**

### **Saul's Daughter's name was Michal**

2Sa 21:8 But the king<sup>H4428</sup> took<sup>H3947 (H853)</sup> the two<sup>H8147</sup> sons<sup>H1121</sup> of Rizpah<sup>H7532</sup> the daughter<sup>H1323</sup> of Aiah,<sup>H345</sup> whom<sup>H834</sup> she bare<sup>H3205</sup> unto Saul,<sup>H7586 (H853)</sup> Armoni<sup>H764</sup> and Mephibosheth,<sup>H4648</sup> and the five<sup>H2568</sup> sons<sup>H1121</sup> of Michal<sup>H4324</sup> the daughter<sup>H1323</sup> of Saul,<sup>H7586</sup> whom<sup>H834</sup> she brought up<sup>H3205</sup> for Adriel<sup>H5741</sup> the son<sup>H1121</sup> of Barzillai<sup>H1271</sup> the Meholathite:<sup>H4259</sup>

Okay now lets look at this name ADRIEL MICHAL brought up 5 sons for ADRIEL. So what dose ADRIEL mean? Now you really need to pay attention. ADRIEL H5741 Means *flock of God*; *Adriel*, an Israelite: - Adriel.

From [H5737](#); an *arrangement*, that is, *muster* (of animals): - drove, flock, herd

H 5727 A primitive root; to **arrange, as a battle, a vineyard** (to *hoe*); hence to *muster*, and so to *miss* (or find *wanting*): - dig, fail, keep (rank), lack. (Remembered PURIM to crush like a grape\* Vineyard)

## Now lets bring this home the name ADRIEL

ADRIEL - a'-dri-el (ˈadhriˈel, "my help is God"): The son of Barzillai the Meholathite, to whom Merab the daughter of King Saul was married when she should have been given to David (1 Sam 18:19; 2 Sam 21:8). "Michal" in 2 Sam 21:8 is a textual error easily accounted for Adriel and Merab had five sons, whom David handed over to the blood vengeance of the men of Gibeon. The name Adriel seems to be Aramaic, the equivalent of the Hebrew name **Azriel**.

**Now when they say ARAMAIC they are telling us the name was tampered with to strip it of it's meaning.... Well at least that what I get from it.**

## So who is Azriel

**Azrael** is the name of the [Archangel of Death](#) in some extrabiblical traditions. He is also the angel of death in [Islamic theology](#). It is an [English](#) form of the [Arabic](#) name Azra'il (عزرائيل) or Azra'eil (عزرايل), the name traditionally attributed to the angel of death in [Islam](#) and [Sikhism](#), as well as some [Hebrew](#) lore.<sup>[1][2]</sup> The [Qur'an](#) never uses this name, referring instead to *Malak al-Maut* (which translates directly as *angel of death*). It is also spelled *Izrail*, *Azrin*, *Izrael*, *Azriel*, *Azrail*, *Ezraeil*, *Azraile*, *Azryel*, *Ozryel*, or *Azraa-eel*. Chambers English dictionary uses the spelling *Azrael*. The name literally means *Whom God Helps*.<sup>[1]</sup>

## As an angel of death

[Judaic-Christian](#) texts say Sariel is the angel of death attributed to the fifth angel Apollyon. Some Enoch translations for Sariel use Arazyal/Araziel/Asaradel which in its anglo translation sounds very similar to [Azrael](#). If Azrael is the same as Sariel he is one of the four Islamic angels in conjunction with [Mikhail](#), [Djibril](#), and [Israfil](#). The name [Azrael](#) is listed in Muslim and Islamic theology as the angel of death "forever writing in a large book and forever erasing what he writes: what he writes is the birth of man, what he erases is the name of the man at death". We also see parallels in [Rabbinical](#) lore for *Sammael*, [Falasha](#) for *Suriel*, and Azrael in the Arabic.<sup>[citation]</sup>

## As the archangel Saraqael

Sariel is identified as being the same angel as Saraqael, said in the [Book of Enoch](#) to be the **fifth archangel**, set over spirits that sin in the spirit.<sup>[6][7]</sup> Before the identification of Sariel/Saraqael as the **fifth archangel**, however, the [Book of Enoch](#) identifies Sariel as one of the fallen host's "chiefs of tens."<sup>[1]</sup> Now notice that number 5 the fifth Archangel. It's a clue!

Now look at this:

”MICHAL brought up **5** sons for ADRIEL.” Notice this number **5** you will find this number many times in the story of ESTHER as well the word PURIM is found **5** times. And in Chapter **5** Verses 14 or 1 + 4 equals **5** we are told HAMAN made a **50** cubit gallow for Mordecai.

Is this all a Concedence? So who wrote this? Was it a Friend or a FOE?

The point I am making here is that we are told the 3 year famine of 2 Sam 21 was because what SAUL did to the Gibeonites, but saw was of the Gibeonites. The tribe of Benjamin was almost destroyed because they fought for the children of Bahiel. The FAMINE was because someone was inside the KNIGDOM that should not have been inside the KINGDOM. Think about it. Next time you have time do a study on these names.

Now what I think is this. The story of ESTHER is a CODE for the **take over**. The Festival of POOR EM is the Celebration of the destruction of the true seed of YACOB. Benjamin was Usurped by ESUA. If you want to destroy a nation you do it from the inside. Look at the untied states, look at any country it's the play book.

Now as for another example of the mixing of the peoples take a look at PAUL. He was a Greek a Roman a Jew of the tribe of Benjamin mistaken for a Egyptian. Paul was all mixed up. **Now let me be clear I am not attacking the doctrian of PAUL just what we are told about PAUL. We are TOLD PAUL wrote the new testemant by the so called church father's. I am wondering why we never hear from James or Jude or any of YAHUSHUAH real brothers. As far as we know they could have assigned these books to Paul. You can see what they did to the book of JUDE.**

So my point is this: If you take the time to dig you will find everything I mentioned in this broadcast. And once we identify the Wolves in sheeps clothing we can get back to our traditions and then get back our power.

*AND LET ME SHOW YOU HOW: (Note Next Broadcast explain the calendar)*
