Poem

This poem is dedicated to Queen Tiye and the beautiful Black Women:

Beauty as rain how you flow so carelessly, unknowing how you saved me.
Like that liquid that flows to nourish our souls that time unveils for you to see.
Yet a distant memory. I still feel it inside of me. It nourished a man to be.
I still feel it inside of me. Women you are the breath...AHYAH I feel you
when I BREATHE...AHYAH I see you when I see...AHYAH women how you rescue me.

This is dedicated to Queen Tiye and the beautiful Black Women

This was going to be a HWUNET News report, but as I was researching the information I realized that I could not do this information justice in under 30 minutes. So I decided to make this into a broadcast. I ask if you can record this broadcast do so. This is going to be one of the most important broadcast I will do. Before I begin I am going to read to you a quote from the 1611 script the 1611 King James Bible.

Revelations: " How much she hath glorified herself, and lived deliciously, so much torment and sorrow give her: for she saith in her heart, I sit a queen, and am no widow, and shall see no sorrow. Therefore shall her plagues come in one day, death, and mourning, and famine; and she shall be utterly burned with fire: for strong is AHYAH who judgeth her. And the kings of the earth, who have committed fornication and lived deliciously with her, shall bewail her, and lament for her, when they shall see the smoke of her burning, Standing afar off for the fear of her torment, saying, Alas, alas, that great city Babylon, that mighty city! for in one hour is thy judgment come."

1611 script the 1611 King James Bible; **Revelations 18**

Pray:

All Praise AHYAH, All Praise AHYAH, All Praise AHYAH.

10 Minutes into Broadcast: Problem

Many of you know that I live in Sweden and as an immigrant in Sweden my world view is different from the average citizen of Sweden. As an African American immigrant in Sweden my world view is different from the none African American immigrant in Sweden. It is also very different from those that come from countries like Libya, Congo, Nigeria, Irag, Iran, Syria, Serbia or Bosnia just to name a few. **Let me explain.**

When I came to Sweden my opinion of the country was changed after years of observation. I started to feel first hand the under the radar racism that exist in one of the most tolerant countries within the European Union. Although My story is different from the other immigrants that come to Sweden. I am treated the same. I came to this country by choice. I have lived here for almost 10 years now so I am able to report a proper assessment about the treatment of immigrants in this country.

Let me be clear I love the Swedish people, they are extremely friendly, open, none racist, kind heart-ed, giving and very tolerant. I am proud to live in this great country and I want to keep this country great this is why I am doing this report. My issue is not with Sweden or the beautiful citizens that have accepted many of us, but with those that try to blur the lines of truth.

Sweden accepts many immigrants from areas that have been destroyed and destabilized

by NATO lead wars. They accept many African's that migrate to Sweden due to oppression, suppression, resource theft, genocide, war and poverty. Most Swede mistake me for African because African Americans in Sweden are rare. However there are many African Americans in Sweden, because in the 1960's and 1970s Sweden was a safe haven for those of us that escaped that trap of the Vietnam war. She also stood behind many of us in the Black Power Movement and still supports our efforts.

However the recent flow of African, Arab, Eastern European, Asian and American immigrants are destroying the system of Sweden and causing high unemployment and breeding a new type of Swede. Many of the 2nd generation immigrants are becoming 2nd class citizens, and many non-immigrant citizens are turning to Nationalist Right Wing parties. The immigrants are resentful because they have no employment, and the Nationalist are resentful because they are losing their country. So when the two collide they breed racism and hatred.

I live in a area of Sweden called Rosengård, where the unemployment rate is near 70% where many of the immigrant take whatever jobs they can. Where the average occupation is dishwashers, paperboys, advert mail carriers and if you can not get work welfare recipient. It is also a place for highly educated forever students, who have been searching for a permitted job for almost 10 years. Many immigrants even second generation chase jobs as if they are carrots on a stick... **Because** getting a well paid job means better housing and a better standard of living.

However the carrot on the stick is never eaten by the majority of the immigrants. Most of them live in low-income areas where rents are low, security is high, theft is higher and where drugs are sold. Security guards and police officers roam the streets, police cars patrol the hoods and roach exterminators lay roach motels in infested apartments. As an African American Immigrant I can see the parallels between the poor blacks in the United States and the immigrant population in the city of Malmö.

In addition, like I stated earlier I see thing different being an African American Immigrant. Compared to the projects where I grew up as a child the Rosengård projects are paradise. However, because I grew up in the projects I can see what Rosengård will become. And this is no accident. And this is why I call this Broadcast The Swedish Prison.

20 Minutes into Broadcast: Problem

Why do you call it a Swedish Prison?

When I was growing up I lived very poor. I would see pimps and prostitutes, drug deals, people being shot and stabbed. We would form our little gangs and roam the streets causing mischief and violence. Poverty has a certain smell to it. It has a certain energy that is universal. The projects I grew up in got so bad that they had to demolish them like many they are demolishing in areas like Chicago, New York City, Pennsylvania and Detroit just to name a few. Likewise the crime that I grew-up with is nothing compared to the crime that is there now. You all know the stories in many places you can not even walk the streets. And like the Swedish Prison this is no accident. When we stated to wake up in the United States and come together as a people way back from the time of Marcus Garvey, Malcolm X, Martin Luther King and The Black Power Movement a plan was laid to make sure we went back to sleep. That plan came in the form of the so called War on Poverty introduced by United States President Lyndon B. Johnson on January 8, 1964. This led to agencies like the "United States Department of Housing and Urban Development (HUD)" created in 1965. All of this stems from the New Deal domestic agenda of Franklin D. Roosevelt called The Great Society.

Keep this in mind it is very important, because it was an agenda. The Great Society and The War on Poverty allowed agencies to be created that destroyed our unity, self pride, independence and caused racism, division and discrimination that last in the United States until this day. They are called socialist programs. The same programs that are being setup here in Sweden for the immigrants. Likewise it is destroying their self pride, independence and causing racism, division and discrimination. In the United States the Civil Rights Movement was used and manipulated to allow the very powerful elite class to forever control the fate of every poor Black or Hispanic that dreamed of rising out of poverty.

Here is a quote from "Great Society/War on Poverty" The Reader's Companion to U.S. Women's History:

"Many observers point out that the War on Poverty's attention to Black America created the grounds for the backlash that began in the 1970s. The perception by the white middle class that it was footing the bill for ever-increasing services to the poor led to diminished support for welfare state programs, especially those that targeted specific groups and neighborhoods. Many whites viewed Great Society programs as supporting the economic and social needs of low-income urban minorities; they lost sympathy, especially as the economy declined during the 1970s"

So was this part of the plan to create backlash and drive a wedge between Americans?

For those of you that may not agree I ask you to do your research. Observe the fruits of The Wars on Poverty, observe the racist that used these agencies to destroy the communities of a once proud people and turn them into a haven of abortion clinics, crack dealers, prostitutes and pimps, uneducated, Fatherless children, crackheads, alcoholic, Aids victim and desperate people....I say this not as an observer, but as a survivor, and if not for AHYAH I would have been **aborted**, or a crackhead, a pimp or a prostitute or any one of thee above mentioned.

Therefore, I can see Rosengård from the perspective of one that slipped through the cracks. I am one that escaped the elaborate trap that was laid for the Africa American in the United States. I can see the same trap being laid for Rosengård. However I did not call this the Rosengård prison, I call this the Swedish Prison. Why, because those that created the **Great Society** and the **War on Poverty** in the United States have expanded world wide. The Africans Americans in the United States are the testing ground for the World and this Swedish Prison will be just one more part of the Prison Planet.

Let me Explain:

First let me explain why I was inspired to do this broadcast and hopefully relay to you the urgency in understanding this information and motivation to act on this information.

Last week I took a short walk around my neighborhood and I decided to walk in a direction I normally don't walk. Right away I felt something in my spirit. I observed how the way the apartment project was planned. I saw how the bike storage units reminded me of guard post and immediate a prison came to mind. I look to the right and I saw a wired fence with a flexible steel gate that reached over 15 feet. Then in the distance I observed another steel gate with barbwire on the top of it. I thought to my self , why would you have this here. It annoyed me because I was not able to walk through the apartment complex. It also bothered me because I though how would a small child climb the gate to get his ball if he kicked it on the other side.

As I searched for away out I noticed the exit and this was quite disturbing as-well. The exit had a steel gate that looked like the entrance to a prison. To the right of the gate I notice a tall wooden fence with double barbwire on top I also noticed the small structure that looked like a place to put a surveillance camera for the future. In Sweden Surveillance cameras are not allowed, unless one goes through much red tape. So I wondered if this was the plan. The front gate was Jared open by the residents, but did

have a lock. I thought this was silly because it defeats the purpose of the steel fences and the barbwire. My curiosity started to spark so I walked around the perimeter of the Apartment project and noticed all the places where a thief or criminals could get inside. I determined that the gate was a waste of money and a false sense of security, because if this was to keep out thieves they could just walk through the side, the back or the front. I also wondered why the other apartments in the area did not have the same security detail. On my way home I now noticed the police station, but the absence of police cars. I saw the huge security gate around the station and how it looked more like a CIA command center than a neighborhood police station. High dark windows and posting of no pictures allowed on the high steel also barbed wired security fence.

Then in my spirit I knew something was wrong. The next day I walked around to see if I could notice anything else strange and I came across a construction site. The site had the same thing, but this was acceptable because it is a construction site. However one thing stood out. I noticed a few vehicles from a company called Sodexo. I was wondering why they were there around the barbwire, so I decided to research this company.

All I found was positive ads with happy smiling people. That talked about how Sodexo was a harmless Hospitality company that provided services like food preparation, facility management and childcare vouchers, and how Sodexo has contracts with the United States military and works with schools within the United Kingdom. Sodexo even has a company with Magic Johnson Enterprises called Sodexo Magic, and when you watch the Sodexo promotion video it looks like an ad for an Obama election campaign.

So my radar went up and I decided to dig deeper. I found that Sodexo is a company like Coca Cola, Bechtel, Nike, DynCorp, Lockheed Martin, Halliburton or Monsanto just to name a few. It is a globalist stock company owned by the elite and promotes slave labor and operates as if it was above the law.

USA 2003: Sodexo was sued over E. coli outbreak:

CITY—The son of an elderly woman who died in an outbreak of E. coli last October is suing the firm that manages food service for the retirement home where she lived, saying the prepackaged spinach they served was “unfit for human consumption.”

Germany 2012: Sodexo was blamed for poisoning over 11,000 children.

Catering giant Sodexo is to compensate the victims of Germany’s biggest ever outbreak of food poisoning. More than 11,000 school children were affected by diarrhoea and vomiting after eating food containing a frozen strawberries. The company which has blamed one of its subcontractors has issued an apology.

United Kingdom: 2013 Sodexo sold horse meat to School, Old-age homes, Prisons and the UK Armed forces.

All of the frozen beef products produced by Sodexo and sold in the UK were withdrawn on 22 February 2013 following the discovery of horse DNA. The company supplies 2,300 institutions, including schools, old-age people homes, prisons and branches of the armed forces within the UK.

Here is a letter from Actor Danny Glover, Chair of the Board of Directors of TransAfrica Forum:

“TransAfrica Forum’s Sodexo report is the result of months of in-country interviews with Sodexo workers, union leaders, environmental and community activists. It tells the story of workers who are trapped in poverty by a powerful global company—and then in these cases harassed, threatened and fired when they speak up for their rights. Workers in five countries told TransAfrica’s researchers chilling stories: in one country of forced pregnancy tests, elsewhere spoke of food poisoning due to being forced to eat rancid food, and in yet another country workers talked about preventable injuries caused by inadequate training and lack of proper protective gear.

Rightfully, many of the Sodexo workers refuse to be silenced. The workers who spoke to us did so under what they believe was the threat of dismissal. Sodexo workers in Colombia, the Dominican Republic, France and the United States—and union leaders in the United Kingdom, Turkey, Morocco and Peru—are standing up and demanding Sodexo respect workers basic human rights and the right to earn a fair wage for a day’s work. I have spent my life helping to give a voice to the voiceless—in the United States, South Africa, Mexico and around the world. I am proud to raise my voice for Sodexo workers everywhere who are speaking out and organizing for a better life for themselves and their co-workers. Over the next few months, we will follow up on the stories in this report and expand our investigation into more countries. It is our hope to shine a spotlight on the working and living conditions of Sodexo workers around the world, and help those workers access their basic rights to improve their lives and their communities.”

So as you can see Sodexo is a globalist company that is above the law. But the question I had was why are they in Rosengård. The answer came after discovered another company named Serco. Then everything became clear.

Here is an Audio file to explain what Serco is:

A case study in outsourcing community service delivery

by Christopher Stone

"Six years ago Serco was described as "probably the biggest company you've never heard of" and this is still the case for many people. It's a multinational corporation that specializes in providing public services under government contract. Serco operates and maintains a surprisingly large and diverse range of services in both the UK and Australia, as well as in several other countries. Serco manages a number of hospitals, prisons and detention centers.

Serco has come under particularly strong criticism in its management of prisons and detention centers. In Australian immigration detention centers there have been cases of children having their crayons banned, detainees referred to only by ID number, and a suicide after a detainee was denied social contact and refused permission to attend an important religious event. There has also been evidence of security personnel with inadequate (or even no) qualifications, and a lack of mental health training for staff associated high rates of detainee self-harm and suicide attempts.

In the UK Serco run prisons have been found by a government inspection to have a culture of "institutional meanness" which included converting two-prisoner cells to hold three by putting a bed in the shared toilet. And Serco-run youth detention centres have been found by the courts to have perpetrated a decade of unlawful abuse. The worst case was that of a fourteen year old boy in a juvenile detention centre, who hung himself after being unlawfully assaulted by Serco-trained guards."

Here we have another globlist stock company owned by the elite that runs prisons and detention centers that operates as if it was above the law, but that's not all Sodexo and Serco have teamed up in Australian. The company is called SSDS:

"And it Reads: Serco Sodexo Defence Services (SSDS) is Australia's only specialist service provider to the Australian Defence Force. Since 1993 we have supported Defence throughout Australia, offering tailored, innovative on-site solutions, from security to facilities maintenance, catering to clothing store management. We combine a 'big picture' understanding of national needs, with an intimate understanding of local conditions.

So Serco and Sedexo are two heads on one dragon. Both are above the law, both are contractors of the Military. The Australian Military, the United Kingdom Military and the United States Military. They operate prisons and detention centers and both are violaters of human rights, and to make matters worse one of them Sodexo is here in Rosengård, as I am seeing Rosengård slowly being tranformed into a detention camp. Dose anyone think I should be concerned?

Now I mention all of this to bring to your attention what is happening all over the planet. Whether the strange barbed wire and the human rights violating globalist controlled companies, and the suspicious secret police station are here to set up a police state is true or not. We still have to be aware of what is happening. What is occurring all over this world is real. The police state is already being set up in the United States, and it happened after the September 11 2001.... proven rouge CIA created terrorist group attack on the World Trade Center. This event got the ball rolling for the globalized police state that is being set up right before our eyes, and the Swedish prison will be just one more mission accomplished if we do not wake up and expose what is happening.

Break AUDIO 50 Minutes into Broadcast: Problem

Now here is why I am doing this broadcast. If you recall I gave a message called the Apocalypse 2012 - March 11th 2013 in January. I explained that the word apocalypse means to unveil what has been hidden. Likewise revelation means to reveal what has been concealed. Therefore the end-times is when all things that have been hidden from man comes to light. This is what the candles represent light. Like I mentioned in the Mark Of the Beast script all things go in cycles. The demonic energy the force that is unseen will be seen. The book called the Dying God speaks about how in His Story gods like Cronus, Zeus, Athena, Baal, Prometheus, Mithra, Thoth, Idris and Hermes for example world die. They died because man would become knowledgeable of their deception, because behind every idol is a lying demon. This happens when Plato came out of the cave and saw the light of the sun. The shadows are nothing but the objects blocking out the true knowledge which is what is real the rays of the Sun. The light. So when man begins to wake-up to the truth the deceptions that god dies. In the Mark of the Beast document that I have linked on HebrewsWakeUp.com I show that they have a 25920 year cycle that they follow, who are they? They are the elite class that worship the god of the occult. This is the source of their power which is Time. Time represents their god. They divide Time 25920 years into 12 sections, each section is 720 years.

Every 720 years they start to lose power, so they need to create a new god. They have no more power, so they usurped the spirituality of the planet by suppressing those that have the spirit of AHYAH. AHYAH is not a god. AHYAH is All the creator of all even the creator of the gods. The people that AHYAH created represent him. He is like unto the Sun but he is not the Sun, but if we need something to represent AHYAH it would be the Sun. We can not make an image or an idol of AHYAH because he is the spirit that lives inside all of those that know and believe. AHYAH is life all praise.

Yahweh, Jesus Christ and Allah are a creation of the religions system. This is how they

keep their power they hide behind Yahweh, Jesus Christ and Allah. Those that are hiding are the most powerful on this planet. The Priest of the Catholic Church, The Rabbi that worship Yahweh and the Imams that worship Allah. AHYAH dose not need to be represented by a Priest, a Rabbi or an Imam. AHYAH live inside of you. You are the house of AHYAH because he live within your spirit. The three major religions are controlled by the powerful elite. The Rabbi control Judaism, they are of the line of the Ashkenazim Jews. The Imam control Islam they where of the line of Abu Bakr the Fatima Dynasty, but it was taken over in 1280 by the Ottoman Empire the Turks.

The Priest and the Popes control Christianity this was first taken over by Constantine in 324 AD at the council of Nicaea. This is the most powerful. The Pope are now controlled by the Elite class that are destroying our planet. The Monarch the ones that say they have the right to rule because they are chosen by god. The Popes of the Roman Empire are the ones that chose them and they started with the Merovingian Dynasty. They then gave power to the Carolingian Dynasty.

The Popes of the Holy Roman Empire since 481 AD have selected King and Queens to rule our planet. From Clovis I to Chlodio which created the Merovingian Dynasty then we have the Carolingian Dynasty of Pepin the short, then we have King Charlemagne whom all of the Monarchies trace their lineage to. Charlemagne is the foundation of the British Empires Power the coronation of power was granted on December 25th 800 AD by Pope Leo III and this is the Germanic line of the Elite.

The root of the branch are German and Anglo Saxons. The Holy Roman Empire through through the Pope the father of the Catholic Church is the representative of their god on earth. **They chose the rulers of our earth.** This bloodlines can be traced. You start with Charlemagne then you jump to The **House of Wettin**, then you go to the **House of Hohenzollern**, then you go to the **House of Saxe-Coburg and Gotha**, then you go to Queen Victoria of the **House of Tudor**. Queen Victoria Married Prince Albert of the **House of Saxe-Coburg and Gotha** which created the **United Kingdoms of Great Britian**. Therefore Queen Elizabeth II represents all of the Monarchies on the Earth. Mon means One and Archy means Ruler, so the Monarchy represents one power one ruler. Therefore all of the Monarchies on the planet are now consolidated under the British Empire which is the United Kingdom this FACT!

In addition the Holy Roman Empire is another part of this power. After 1806 under

Holy Roman Emperor Francis II of the **House of Habsburg-Lorraine** it was consolidated into the Austro-Hungarian Monarchy. The Austro-Hungarian Monarchy which is the **House Of Habsburg** is the money and the power behind the British Empire. The money and the power behind the Holy Roman Empire was the **House of Medici** which started the Banking system we see today. Let me repeat that...the Money behind the Holy Roman Empire was the **House Of Medici**, and they created the first Central Bank. They are the founding fathers of our present banking system.

The **House of Medici** became the **House of Habsburg-Lorraine**, the **House of Habsburg-Lorraine** and the Germanic Austrian family known as the **House of Rothchilds** are now one they control all of the money on our planet.

The Holy Roman Empire is represented by two head on one body. The spiritual head is the Pope and the natural head, the carnal head is of the Merovingian / Carolingian bloodline. The two head became one after Holy Roman Emperor Francis II of the **House of Habsburg-Lorraine** decided to end it in 1806, but it did not end it Merged into one power under the British Empire after world war 1 in 1917. Therefore because they still control the Money and all of the Banks the are the real power behind the British Empire.

Therefore since the Catholic Church became the arm of **House of Habsburg** and the **House of Habsburg** is the true power behind the British Empire we have to ask who is really controlling our planet? Why because the Catholic Church came out of Christianity and Christianity is represented by Jesus Christ. But there is a problem. The name Jesus was created by Greeks. Jesus derives from the name Yahshua or Joshua, but the name Joshua is suppose to be YAHUSHUAH, and YAHUSHUAH was not the man in 31 or 33 AD. YAHUSHUAH was of the seed of Yacob and he lived 191 years earlier in 160 BC. This is why the **House of Habsburg** has so much power because you are giving all your power to a false god, the god of fortune Tyche, Hermes, Money whom is represented by the Catholic Church version of Jesus.

This is why I mention the dying god, because their deception is falling apart. Their god is dying. This is why you are seeing the attacks on Christianity. They are destroying what they created. However they created a Lie around TRUTH. That TRUTH is AHYAH and the true Hebrews of history the ones that have the spirit of AHYAH the messengers of his Word, and as the facade falls the foundation is revealed and this is the Apocalypse. The Unveiling the uncovering.

As it Reads: "An apocalypse (Ancient Greek:'un-covering'), translated literally

from Greek, is a disclosure of knowledge, hidden from humanity in an era dominated by falsehood and misconception, i.e., a lifting of the veil or revelation, although this sense did not enter English until the 14th century. In religious contexts it is usually a disclosure of something hidden. In the Revelation of John (Greek Ἀποκάλυψις Ἰωάννου, Apocalypsis Ioannou), the last book of the New Testament, the revelation which John receives is that of the ultimate victory of good over evil and the end of the present age, and that is the primary meaning of the term, one that dates to 1175. Today, it is commonly used in reference to any prophetic revelation or so-called End Time scenario, or to the end of the world”

Break AUDIO 50 Minutes Left: Problem

Therefore since the Apocalypse exposes the ruling elite they will have to hide or they will be destroyed. This is why I mentioned Count The Number Of The Beast earlier, because the occult rule in cycles. The 25920 year cycle represents the amount of time that is divided between the hidden demonic powers. 720 years is 1/3 of a 2160 year cycle and 2160 years is 1/12 of 25920 years. For example in the year 2001 if you count back 2160 year you will find YAHUSHUAH the teacher that was killed by Johnathan Maccabeus, he came after Alcimus in 159 AD.

Now this is the most important part of this broadcast so please pay attention.

How do you know that the Jesus of 33AD is not the same as YAHUSHUAH of 160 BC? Because Jesus of Nazareth is not Jesus the Nazirite. What do I mean? Nazareth is a place a City and Nazirite is a type of person.

Here is the Etymology of the word Nazareth and it reads;

Nazareth is not mentioned in pre-Christian texts and appears in many different Greek forms in the New Testament. There is no consensus regarding the origin of the name. One conjecture holds that "Nazareth" is derived from one of the Hebrew words for branch namely ne·ṣer, נֶצֶר, and alludes to the prophetic, messianic words in Book of Isaiah 11:1

Now keep in your mind that Nazareth is not speaking about a city but a Branch.

Now listen to Isaiah 11:1;

Isa 11:1 “ And there shall come forth a rod out of the stem of **Jesse**, and a **Branch** shall grow out of his roots: And the spirit of YAHUWAH shall rest upon him, the spirit of wisdom and understanding, the spirit of counsel and might, the spirit of knowledge and of the fear of AHYAH; And shall make him of quick understanding in the fear of AHYAH: and he shall not judge after the sight of his eyes, neither reprove after the hearing of his ears: But with **righteousness** shall he judge the poor, and reprove with equity for the meek of the earth: and he shall smite the earth with the rod of his **mouth**, and with the breath of his lips shall he slay the wicked. ”

In this message the word Branch is Hebrews **H5342** and it reads; nay'-tser. Now listen very carefully (**From H5342 comes from a deeper meaning found at H5341) and it continues**, in the sense of greenness as a striking color; a shoot; figuratively, a descendant: - branch. So this word BRANCH means a decedent right?

Well let us read H5341 to find out **H5341** pronounced nâtsar A primitive root; to guard, in a good sense, **hidden thing**, keep (-er, -ing), **preserve** (-r), subtil, watcher.(man). So this word Branch has two meaning, It is something that is preserved and guarded and it also means that it is a decedent. Now guess who it is a decedent of?

Isaiah 11:1

“And there shall come forth a rod out of the stem of **Jesse**, and a Branch shall grow out of his roots”

The **Branch** is a guarded decedent of Jesse right? Well who is Jesse?

This word Jesse is ” **H3448** pronounced yishay yee-shah'ee, ee-shah'ee From the same as **H3426**; extant; Jishai, David's father: - Jesse.” Now if you stop there you will miss the meaning because you have to go to the other Hebrew word that is meantioned in this definition, which is **H3426**;

H3426 Pronounced yaysh; Perhaps from an unused root meaning to stand out, or exist; entity; used adverbially or as a copula for the substantive verb (**H1961**);

This word substantive verb means;

a noun or pronoun used in place of a noun

of, relating to, containing, or being the essential element of a thing

So they are saying that this word Jesse is being used in the place of H1961 now before I read H1961 I want to explain what this word Stem means in the Strong s Concordance.

Because in Isaiah 11:1 “And there shall come forth a rod out of the

stem of Jesse,”

Stem H1503 pronounced geza' geh'-zah

From an unused root meaning to cut down (trees); the trunk or stump of a tree (as felled or as planted): - stem, stock.

So this is saying out of the ROOT the TRUNK of Jesse a Branch shall grow.

So if Jesse is a substantive verb. Then who is this really speaking about? Well let us read the Hebrew word that it is referencing.

H1961; and it reads; היה AHYAH, A primitive root; to exist, that is, be or become, come to pass NOW DID YOU HERE THAT? This is speaking about AHYAH H1961.

Now in case you did not catch the word Jesus was substituted for the name of the creator of us all AHYAH, whom is the Stem the Root.....Now I want you to meditate on that for a moment. Because this is deep.

Now what dose this mean? Well if we are told that Isaiyah 11:1 is speaking about Jesse the father of David and this is speaking about the 33 AD Jesus Christ, then we have been told a lie. Why because this is not speaking about Jesse, but speaking about the creator of us all and of all things AHYAH(Breath)

So let us read it like it was suppose to be read;

Isaiah 11:1 "And there shall come forth a rod out of the stem of AHYAH and a Branch shall grow out of his roots. Now what dose branch mean? It is something that is preserved and guarded and a descendent of the root. Now keep this in mind when I read to you the meaning of Nazirite.

Judges 13: 7 Behold, thou shalt conceive, and bear a son; and no drink no wine nor strong drink, neither eat any unclean thing: for the child shall be a Nazarite to AHYAH from the womb to the day of his death.

Hebrews H5139;

separate, that is, consecrated an unpruned vine (like an unshorn Nazirite). (The translation, Nazarite, is by a false alliteration with Nazareth.), separate (-d), vine undressed.

What this is saying is that the word Nararite sound like Nazarith but it is not the same.

Hebrews H5144;

A primitive root; to hold aloof, that is, abstain from impurity, specifically to set apart.

And in the Paleo Hebrew;

Countinue Hier Seed, Food, Cut, Nourish, First, Top, Beginning

Now lets put all of this together. Countinue Hier Seed this means that the person that speaks from the spirit of AHYAH is of the Seed the Heir of the Original people of AHYAH. Food, Cut, Nourish, First that person that speaks from the spirit of AHYAH will be protected, feed and nourished from the root he or she will be cut from the branch mean a chip of the old block. First, Top, Beginning he will be of the root, the first, from the top, of the beginning. This is speaking about the original people that have the breath of AHYAH that will spread his message.

He will be a NAZARITE.

So you see Jesus of Nazareth is not Jesus the Nazirite. Because they made a error when the translated the new testament. They where speaking about a city not a type of a person. And that is a very damaging error. Because they confound the error by making another error in **Isaiah 11:1. Because in Isaiah 11:1 the message they used to edify Jesus is speaking about what make a person a Nazarite. They did not understand or they tried to hide it. Because this was not spaeking about Jesse the father of David. It was speaking about AHYAH. Now think very long and hard about this, do your research and wakeup.**

So now here is the Trillion dollar question. If Jesus was not a Nazarite then who was?

Answer: The Teacher of Righteousness of 160 BC the one that was murdered. The Branch that was hidden, but his message was preserved. How was it preserved? Because the Church Fathers used his word and his message to create Judaism, Christianity and Islam.

Revelations

And I stood upon the sand of the sea, and saw a beast rise up out of the sea, having seven heads and ten horns, and upon his horns ten crowns, and upon his heads the name of blasphemy. And the beast which I saw was like unto a leopard, and his feet were as the feet of a bear, and his mouth as the mouth of a lion: and the dragon gave him his power, and his seat, and great authority. And I saw one of his heads as it were wounded to death; and his deadly wound was healed: and all the world wondered after the beast.

The dragon is the Holy Roman Empire because it holds the Money and the power to ordain Kings and Queens. The Seven heads and Ten crowns are the ruling elite that are selected by the Pope and given loans and power to rule the earth. The deadly wound was the war between the Catholics and the Protestants. They fought for 30 years from 1618 to 1648 and also the 80 years war from 1585 till 1648. The healing could be the end of the 30 and 80 years Wars or the coming One World System that is consolidating all powers under the Central Banks and the British Empire.

And they worshiped the dragon which gave power unto the beast: and they worshiped the beast, saying, Who is like unto the beast? who is able to make war with him? And there was given unto him a mouth speaking great things and blasphemies; and power was given unto him to continue forty and two months. And he opened his mouth in blasphemy against AHYAH, to blaspheme his name, and his tabernacle, and them that dwell in heaven.

Since 42 months is Three years and five months this has to be speaking about a time in the future. This has to be after the One World System is setup. And he opened his mouth in blasphemy against AHYAH. This is when the demons take full control of this planet and they feel that can not be taken down. This is a future event.

And it was given unto him to make war with the saints, and to overcome them: and power was given him over all kindreds, and tongues, and nations. And all that dwell upon the earth shall worship him, whose names are not written in the book of life of the Lamb slain from the foundation of the world.

This could be speaking about the present day, because he has this power now. No place on earth is out of reach of this system, Venezuela, Syria and soon Iran will all be under the thumb of the One World System. All of Europe and America is being consolidated as I speak.

And I stood upon the sand of the sea, and saw a beast rise up out of the sea, having **seven heads** and If any man have an ear, let him hear. He that leadeth into **captivity** shall go into **captivity**: he that killeth with the **sword** must be killed with the **sword**. Here is the patience and the faith of the saints.

Now I want to ask you a question. What was the event that changed the world in 1884?

Who went into **Captivity** again in 1884? Now keep this in mind Brazil was the last country to free the slaves in 1888, but in 1884 Cecil Rhodes set off the Scramble for Africa. How many Heads divided the land? Seven they divided the land of Africa creating countries which resulted in Genocide that last until today?

Now lets count **House of Habsburg Holy Roman Empire, House of Aviz Portugal, House of Savoy Italy, House of Hohenzollern Germany, House of Bourbon France, House of Hanover Great Britian, House of Saxe-Coburg and Gotha Belgium**

And I beheld another beast coming up out of the earth; and he had two horns like a lamb, and he spake as a dragon. And he exerciseth all the power of the first beast before him, and causeth the earth and them which dwell therein to worship the first beast, whose deadly wound was healed. And he doeth great wonders, so that he maketh fire come down from heaven on the earth in the sight of men,

This is way I do not think the end of the 30 and the 80 years war of 1568 till 1648 is the healing of the wound. "And I beheld another beast coming up out of the earth; and he had two horns like a lamb, and he spake as a dragon." The Lamb is a reference to Christianity. This is the two heads of the Holy Roman Empire look at the flag. Keep in mind they British Monarch is suppose to be a Protestant Nation under the Church of England and the Holy Roman Empire is suppose to represent Jesus Christ the Lamb, But the two horns the two head are on the body of the dragon. We also have the Imam of Islam as an option.

And he exerciseth all the power of the first beast before him, and causeth the earth and them which dwell therein to worship the first beast, whose deadly wound was healed. And he doeth great wonders, so that he maketh fire come down from heaven on the earth in the sight of men,

This is talking about an event that is suppose to destroy the present world system. This is most likely talking about the unveiling. Something is going to destroy the system of Christianity, but the system will not die. It will be keep alive for a period of time. So this is speaking about a future event after the setup the One World System.

And deceiveth them that dwell on the earth by the means of those miracles which he had power to do in the sight of the beast; saying to them that dwell on the earth, that they should make an image to the beast, which had the wound by a sword, and did live. And he had power to give life unto the image of the beast, that the image of the beast should both speak, and cause that as many as would not worship the image of the beast should be killed.

This sounds like a false flag attack. They system know that it can not control people by

force alone, so there is going to be a need to create another god. Keep in mind about the dying god. This is 13 years into another 720 year cycle they are going to have to come up with another false god soon. The deadly would has to come in order to bring in the One World System. This might be a staged alien invasion or something...we have to stay alert.

And he causeth all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their foreheads: And that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name.

Now this last part is a little confusing, because this is already happening, but it is not universal yet. When they collapse the world economies which is happening today they will control everything on this planet, so this could be speaking about the time after the deadly wound is healed and the One World System is here. Once they have forced vaccinations and codex Alimentarius as law. When we see Sedexo and Serco setting up Detention Centers and the world currency only being traded electronic digits like Bitcoin Then I think this is it we are there. Which is right around the corner if you think about it.

Here is wisdom. Let him that hath understanding count the number of the beast: for it is the number of a man; and his number is Six hundred threescore and six.

This is the verse that everyone has their own thoughts on. But you have to think about this word wisdom. This mean there has to be a knowing about this. If we know that the Holy Roman Empire and the British Monarchy is the beast then we identified the beast, and anyone that comes out of that system represents the beast. So the number of a man is speaking about mans time. The number 666 can be broken down to 18 and 18 can be broken down to the number 9. If 9 is the number of the Beast then we have to look where the Beast uses this number.

The Beast controls his pawns with occult magic and hidden numbers. The main system of the beast is Pythagoras, hermetic-ism and Rosicrucian. They follow the demonic 72 system of Shemhamforash which is YHWH. YHWH is the number of name in a cycle. Each letter hold 18 names 666. Y holds 18 names, H holds 18 names, W holds 18 names and H holds 18 names. When you add all the names up you get 72 names of god, whom is Baal or Yahweh. Yahweh is the Beast the shocking mystery to those that lack wisdom. The number 9 is also the number of the Great Cycle 25920 years the divided cycle of 2160 years and the divided cycle of 720 years. Each can be broken down to 9 which is the number of the Beast.

Therefore, you count the number of the best by observing his movements in time. For

example 2001 was the ending of a 720 year cycle 1/3 of 2160 years. This is very important for your knowing the unveiling in Revelation 13: 15. Once you know how to count the number of the Beast you will be able to see the dying of a god which is the false god of the Holy Roman Empire. The year 1280 was the Rebirth, the year 560 was the Julian Empire and the birth of Muhammad and Islam the year 160 BC was the death of YAHUSHUAH and the creation of the religious arm of Judaism. This also was the time the Edomites converted into Judaism, and if you keep counting back by 720 years you will end up at year 0 which is 3760 BC which is 5773 years ago, the so called first day of time.

I am going to have to do another part to this broadcast because I was not able to go into detail about Adolf Hitler, Cecil Rhodes and their tight connections to the Monarchy. The Monarchy did not die. They went under the radar, They own all of the major business and they control the policies of this planet. They created the United Nations the IMF and the World Bank the control the European Union and the Bank of International Settlement aka the Central Bank.

The Habsburg Dynasty which is a Anglo Saxon German Dynasty has destroyed all none Germanic people. They are an extremely racist and supremacist demonic group. They go back over a thousand years. The British Monarchy is the true power of this earth and is the seat of the Beast. They supported Hitler, Prince Phillip is a Nazi he comes from the **House of Saxe-Coburg and Gotha. The House of Saxe-Coburg and Gotha** is responsible for killing over 20 million Africa people of the Congo just so he can profit from rubber. The **house of Medici the Habsburgs** are responsible for the 1452 Slave Trade and the **House Of Aviz** is responsible for the 1492 Slave Trade that killed and destroyed the lives of hundreds of millions people that can still be felt to this day. All of the Monarchies have blood on their hands, **The House of Stuart, The House of Tudor and The House of Oldenburg** all of them.

They even continue there genocide today be collaborating with the Nazis. The House of Hohenzollern, the House of Hesse-Kassel, the House of Savoy the House of Waldeck and Pymont and again **The House of Saxe-Coburg and Gotha, and now here we go again The Habsburg in the name of the Rothchilds destroying the economy placing this world into bondage.**

Revelations 18:7; " How much she hath glorified herself, and lived

deliciously, so much torment and sorrow give her: for she saith in her heart, I sit a queen, and am no widow, and shall see no sorrow. Therefore shall her plagues come in one day, death, and mourning, and famine; and she shall be utterly burned with fire: for strong is AHYAH who judgeth her. And the kings of the earth, who have committed fornication and lived deliciously with her, shall bewail her, and lament for her, when they shall see the smoke of her burning, Standing afar off for the fear of her torment, saying, Alas, alas, that great city Babylon, that mighty city! for in one hour is thy judgment come."

AHYAH I ask that you make Revelation 18: 7 come to pass. I ask that you destroy these demons of Babylon bring down the power of this Beast. Make them pay for what they have done to your planet and your Children. Break the power of these disgusting , pathetic, sociopathic, psychopathic corporations of Monsanto, Serco, General Electric, Goldman Sachs, JP Morgan and other. Bankrupt the Central Banks and make them pay back the resources they stole judge them for the hundreds of millions of lives they murdered. I thank you for this message I ask that you give strength to those that believe in your name and power to those that have your spirit. Thank you for Unveiling the fools behind the curtain. Now I ask that you give us the power to destroy them. Thank you Father, Mother and Friend all Praise AHYAH all Praise AHYAH all Praise AHYAH.
