

Today I would like to speak about one of the first Prophecy in the WORD. This prophecy has been overlooked by MANY, and misunderstood by many more. Before I explain I first want to thank a very dear and important friend of mine. Sword Of YAH, I would like to thank him for bringing this to my attention. He simply pointed out the connections in the Strong's Concordance to the name YACOB and the word HEEL and my eyes were opened to the most profound and important prophecy that ties all the scriptures together. Now let me explain. We first must read Genesis 3:15.

Genesis 3:15 And I will put^{H7896} enmity^{H342} between^{H996} thee and the woman,^{H802} and between^{H996} thy seed^{H2233} and her seed;^{H2233} it^{H1931} shall bruise^{H7779} thy head,^{H7218} and thou^{H859} shalt bruise^{H7779} his heel.^{H6119}

Now what I just read was a parable. Before I begin to decipher this PARABLE we first must understand what a parable is.

PAR.A.BLE it means a SHOW

1. A short allegorical story designed to illustrate or teach some **TRUTH**, religious principle, or moral lesson. 2. A statement or comment that conveys a meaning **INDIRECTLY** by the use of comparison, analogy, or the like.

PARABLE

a short story that uses familiar events to illustrate a **RELIGIOUS** or ethical point Related: Parabolic, Parabolical any of the stories of this kind told by Jesus Christ.

Now before I continue keep your mind on that word **RELIGIOUS** in my past broadcast "Religion, Mind Control and an IGNORANT People" I explain that RELIGION means if you recall the root of the meaning is **bondage**.

ETOMOLOGY

from L. parabola "comparison," from Greek. parabole "**NOW DO NOT OVER LOOK THIS FACT**" "a comparison, parable," lit. "**a throwing beside**," from para- "**alongside**" + bole "a throwing, casting, beam, ray," related to ballein "to throw." **Replaced** O.E. bispell. In V.L. **parabola took on the meaning** "word," hence It. parlare, Fr. parler "to speak." **Okay now if those of you are not yet understanding let me break it down.**

The people who wrote the BIBLE **REPLACED** the truth with PARABLES. To create a RELIGION called Judaism and Christianity. They placed **ALONGSIDE** the truth, their version to hide the simple meaning of the WORD, the History and the Stories of the Chosen people of **AHYAH**. Now It is vital to PLACE this in your wisdom. I am not saying that the Original Ancient Hebrew was not written in analogies and stories to teach. This is evident, but I am saying that because it has been turned into a religion which created confusion we have to pay attention to this word PARABLE.

After all the ETOMOLOGY the root meaning of the word means to REPLACE, a throwing Alongside. Now I say this because the topic of today is based on The Seed of the Serpent. After this broadcast you will see how this simple and obvious event was turned into a topic of taboo and confusion. Now this was done on purpose and today we will find out why.

Genesis 3:15 And I will put^{H7896} enmity^{H342} between^{H996} thee and the woman,^{H802} and between^{H996} thy seed^{H2233} and her seed;^{H2233} it^{H1931} shall bruise^{H7779} thy head,^{H7218} and thou^{H859} shalt bruise^{H7779} his heel.^{H6119}

Okay now to understand this verses we first must find the meaning of this word **SEED**? The ROOT of this whole study centers on what this seed is. Now like always I will dig deep into the Strongs and Hebrew so its best to download and do your on study off line to confirm this research for yourself. Now this sentence “between^{H996} thy seed^{H2233} and her seed;^{H2233}” When you look up this WORD SEED **H2233** we find many clues to what this WORD really means.

The word SEED is pronounced zeh'-rah in the Babylonian

And this is what it reads: **From root word H2232**; seed; figuratively fruit, plant, sowing time, posterity: - X carnally, **child**, fruitful, **seed** (-time), sowing-time. Okay now this did not tell us much so we look at the root word **H2232** now this is the root WORD so we should get a deeper meaning; **And it reads**; to sow; figuratively to disseminate, plant, fructify: - **bear, conceive seed**, set with, sow (-er), yield. Okay now lets put **H2233** and **H2232** together and pull out a few word that support the FACT that is seed is speaking about **conception**. Okay we find words like **Child, Bear** and **Conceive seed**. Now for me this would be enough, because I understand the story, but for those that need more here is something that might surprise you. If you take this word SEED ZEH-RAH and place the HEBREW Characters “zayin resh ayin” into Google Translator from Hebrew to English you get The word seed and the nouns for the word are as followed. SEED, SPERMA, SEMEN, GERM, OFFSPRING, CORN. Okay now let me be clear. When you place the Hebrew characters into Google translator we get words like SPERMA, SEMEN and OFFSPRING. Now ask yourself a question. Why didn't Eve get a server cash of TOOTH DECAY if she was coursed for eating an apple? Why was she afflicted in child-bearing and conception. This is something to think about.

Okay now there is another word that means seed in the Hebrew which is **H6507**. What makes this important is the use of the word SEED **H6507** is only used once in the whole book. What sparked my attention is to where this word leads. We find it in the Book Of Joel. First lets look at the definition.

And it reads:

Feminine passive participle of **H6504**; something *separated*, that is, a *kernel*: - seed.

And when we read the refrenced word it states;

A primitive root; to *break* through, that is, *spread* or *separate* (oneself): - disperse, divide, be out of joint, part, scatter (abroad), separate (self), sever self, stretch, sunder.

Now this word seed **H6507** is not speaking about Offspring, but what has happened to the Offspring. Now this is very intresting, because this word leads us to the book of Joel. And what makes this even more amazing is this the Book Of Joel supports the Prophecy of Genesis 3:15

First we look at the verses that references SEED H6507

“**Joe 1:17** The seed^{H6507} is rotten^{H5685} under^{H8478} their clods, ^{H4053} the garner^{H214} are laid desolate, ^{H8074} the barns^{H4460} are broken down; ^{H2040} for^{H3588} the corn^{H1715} is withered. ^{H3001} “

Okay now I am going to read a few chapters in the book of JOEL. Now listen to how this speaks about the House Of Yacob and the **WAR** between the SEEDS.

The Book Of Joel, and it reads:

Joe 1:1 The word of the YAHUWAH that came to Joel the son of Pethuel.

Joe 1:2 Hear this, ye old men, and give ear, all ye inhabitants of the land. Hath this been in your days, or even in the days of your fathers?

Joe 1:3 Tell ye your children of it, and *let* your children *tell* their children, and their children another generation.

Joe 1:4 That which the **palmerworm** hath left hath the **locust eaten**; and that which the locust hath left hath the **cankerworm eaten**; and that which the cankerworm hath left hath the **caterpillar eaten**.

Joe 1:5 Awake, ye drunkards, and weep; and **howl**, all ye drinkers of wine, because of the new wine; for it is cut off from your mouth.

Now Listen Up:

Joe 1:6 For a nation is come up upon my land, strong, and without number, whose teeth *are* the teeth of a lion, and he hath the cheek teeth of a great lion.

Joe 1:7 He hath laid my vine waste, and barked my **fig tree**: he hath made it clean bare, and cast *it* away; the branches thereof are made white.

Joe 1:8 Lament like a virgin girded with sackcloth for the husband of her youth.

Joe 1:9 The meat offering and the drink offering is cut off from the house of YAHUWAH; the priests, The Most High's ministers, mourn.

Joe 1:10 The field is wasted, the land mourneth; for the corn is wasted: the new wine is dried

And It Reads:

Joe 1:17 The **seed** is rotten under their clods, the garner are laid desolate, the barns are broken down; for the corn is withered.

Joe 1:18 How do the beasts groan! the herds of cattle are perplexed, because they have **no pasture**; yea, the **flocks of sheep** are made desolate.

Joe 1:19 **O AHYAH**, to thee will I cry: for the fire hath devoured the **pastures** of the wilderness, and the flame hath burned all the trees of the field.

Joe 1:20 The beasts of the field cry also unto thee: for the rivers of waters are dried up, and the fire hath devoured the pastures of the wilderness.

Now think about this chapter in the book of JOEL.

Joe 1:3 Tell ye your children of it, and *let* your children *tell* their children, and their children another generation.

This is telling us to remember what has happened. This should bring our minds to the WAR between The Seed of Yacob and The Seed of Amalek, One thing to take note off is this, and this is very important, the Amalikitites did not start with Esua or the Edomites. I will explain this later in this broadcast.

Okay now listen the parallels between The Book of Joel and Exodus.

Exo 17:13 And Joshua discomfited Amalek and his people with the edge of the sword.

Exo 17:14 And Yahuwah said unto Moses, Write this for a **memorial** in a book, and rehearse it in the ears of Joshua: for I will utterly put out the remembrance of Amalek from under heaven.

Exo 17:15 And Moses built an altar, and called the name of it Jehovahnissi:

Exo 17:16 For he said, Because Yahuwah hath sworn that Yahuwah will have WAR with Amalek from generation to generation.

Now another thing to take note off is this. If I am talking about Amalek. Then is the remembrance of Amalek **utterly** put out from under heaven? The answer is No. So then if **AMALEK** is still remembered then the WAR is still on. And all you that deny this truth you better pick a side.

Joe 1:4 That which the **palmerworm** hath left hath the **locust** eaten; and that which the locust hath left hath the **cankerworm** eaten; and that which the cankerworm hath left hath the **caterpillar** eaten.

Now for those that understand history follow the trail. The Amalekite intermixed with the following nations the Hittite, the Amorite, the Horite all of these nations can be traced back to HAM. The Amalikitites are also the Hyksos they are one in the same. The reason why the Amorites are so important to Prophecy is because the Amorites are the Amalekites. Like I said we will break this down later.

So the Book Of Joel is telling us to look at history. Look at how the Amalikitites, the Amorites, the Horites, the Edomites, the Greeks, the Romans, the Germans, the Ashkenazi have usurped the people of the land. Notice the insects that are used to make this point. Think about this. What happens to a **Caterpillar**? It turns into a Butterfly right? Now to get a deeper understanding of this verses we will look at the Characteristics of the Butterfly. Did you know that the defense of the butterfly is Deception? Now lets not over look this FACT. There is a reason why the very last insect used is a Caterpillar. We can learn a lot from insects. They were used here for a reason. So what is the definition of the word butterfly. **And it Reads:** O.E. butterflege, perhaps based on the old notion that the insects (or witches disguised as butterflies) consume butter or milk that is left uncovered. Or, less creatively, simply because the pale yellow color of many species' wings suggests the color of butter. **Okay now one interesting thing I would like to point out is this. The word YELLOW is also used to describe WOLF in the Strongs Concordance H2061. So did the editors of the Strongs place this clue into the Strongs? ARE they telling us that this is related to the book of Esther as well?**

Here is the Definition:

H2061 From an unused root meaning to *be yellow*; a *wolf*: - wolf. Now how dose to be Yellow related to wolf? Maybe it has a dual meaning Yellow as the Moon or a refrence to butterflies?

Now before you think this is far fetched listen to my privious broadcast on the Book Of Esther and the New Moon. Because there seems to be a pattern developing.

Now if you Remember the prophecy about the TRIBE OF BENJAMIN. This would make more sense. But regardless keep this in mind, because it is important. So what else does the word Butterfly tell us.

And it reads:

A person who never settles with one group, interest, or occupation for long.

The art of deception:

Most butterflies protect themselves from predators by using camouflage. Some butterflies and s blend into their environment so well that is it almost impossible to spot them when they are resting on a branch. Some butterflies look like dead leaves (like the Indian leaf butterfly), others look like the bark of a tree (e.g., the carpenter moth).

The Muellerian Mimicry is a type of Butterflies that use camouflage to deceive his predators.

And of course the butterfly come from the Caterpillar. And on more thing. What is the most distinguishing quality of the Caterpillar? It's HAIRY. Now who do we know in scriptures that is described as hairy?

And to continue with The Book Of Joel

Joe 1:5 Awake, ye drunkards, and weep; and howl, all ye drinkers of wine, because of the new wine; for it is cut off from your mouth.

Joe 1:6 For a nation is come up upon my land, strong, and without number, whose teeth *are* the teeth of a lion, and he hath the cheek teeth of a great lion.

Joe 1:7 He hath laid my vine waste, and barked my **fig tree**: he hath made it clean bare, and cast *it* away; the branches thereof are made white.

Now know the **PARABLE** of the FIG TREE. Who are the FIGS on the FIG TREE?

Now like I said before this Chapter of JOEL says it all. So the questions that should come to mind are these. If the Seed of Yacob was usurped, and the people we think are the Seed are not the SEED. Then who are they? And if they are not YACOB then where and who is YACOB?

Genesis 3:15 And I will put^{H7896} enmity^{H342} between^{H996} thee and the woman,^{H802} and between^{H996} thy seed^{H2233} and her seed;^{H2233} it^{H1931} shall bruise^{H7779} thy head,^{H7218} and thou^{H859} shalt bruise^{H7779} his heel.^{H6119}

Play Audio

This should be about 45 minutes into the BROADCAST if so good time!

Thy SEED and Her SEED?

Rev 12:17 And^{G2532} the^{G3588} **dragon**^{G1404} was wroth^{G3710} with^{G1909} the^{G3588} woman,^{G1135} and^{G2532} went^{G565} to make^{G4160} war^{G4171} with^{G3326} the^{G3588} remnant^{G3062} of her^{G848} **seed**,^{G4690} which keep^{G5083} the^{G3588} commandments^{G1785} of YAHUWAH,^{G2316} and^{G2532} have^{G2192} the^{G3588} testimony^{G3141} of YAHUSHUA^{G2424} MESSIAH.^{G5547}

So Who is the Dragon?

If you do not understand who the Dragon is then you will not understand the purpose of his SEED. And if this Dragon in Revelations 12:17 is the Serpent in Genesis 3:15 then what does all this mean? Now this is one of those topics that is considered controversial. Many people avoid this topic for THREE main reason, the first is a lack of knowledge and the second **fear** of ridicule. And a third the in ability to shake religious doctrine. **This is when an ex preacher, ministers or Bible thump-er carries old bagged to a new understanding. Their glass is half full with old wine.** As it says in Mathew **2:22** “And no man putteth new wine into old bottles: else the new wine doth burst the bottles, and the wine is spilled, and the bottles will be marred: but new wine must be put into new bottles.” **Now I read this verses for those that just can't get the meaning of the Serpent Seed. Now It might help, if you, pure out your old wine, And not criticize those of us that did.** Which brings me to another point. This discuss or study on the serpent seed is not so-called “Replacement Doctrine” it is a rediscovery of what has been lost to those that have been misplaced. **Usurpation** has occurred, and it continues to occur all over this planet. And to make my point I will give a recent example. Lets take a look at Eygpt. Now do you think the majority of the people that live in Egypt today, are the ancestors of the Original people. How many ancestors of Mizram are trully walking around Eygpt?

If the first president of Egypt came to power in 1953. And before that it was a Sultan appointed by Great Britain. And before that it was ruled by other usurpers from **Albania**. Then who are the people living in Egypt today?

Dose any one no who Muhammad Ali Pasha is?

Well lets read a little history!

“**Muhammad Ali Pasha**, was an Ottoman Turk , of **Albanian origin**, who became an Ottoman Wāli, and **self-declared** Khedive of Egypt and Sudan. Though not a modern nationalist, he is regarded as the founder of modern Egypt because of the dramatic reforms in the military, economic and cultural spheres that he instituted. He also ruled Levantine territories outside Egypt. The dynasty that he established would rule Egypt and Sudan until the Egyptian Revolution of 1952. **Oh so he wasn't even Egyptian he was ALBANIAN.** So what about the people? If he was not Egyptian and he was appointed King by the Ottoman Turkish Empire.

Then where the Ottoman's of the Original people? Or where the people already replaced? Well all **we** have to do is follow the trail. First we look at the Ottoman TURKISH Empire, then Byzantine Holy Roman Empire, the Greek Empire, the Persian Empire, the Babylonia Empire, the **HYKSOS Usurpation**. And lets not forget that it was Great Britain that became the King makers in **1914**, and they are still installing the rulers today. So today we are not looking at Ancient Egyptians that lived in Egypt for thousands of years. We are looking at the result of years of powers struggle, usurpation and king making. How many Original so-called Native Americans do you see in America? These people where replacement in less than 300 years. In less than 300 years you would be shocked to see a **whole US city totally controlled** by so-called Native Americans and I am not talking about a RESERVATION. Now compare this 300 year usurpation to those living in Egypt. And ask yourself this question. Are the people that live in EGYPT the Ancient Egyptians that lived in EGYPT for thousands of years? Or is this a result of Babylonian, Persian, Greek, Roman, **Byzantine**, Ottoman and Great Britain USURPATION?.... So to call this topic hate speech or “Replacement Doctein” is a deception.... It is an attempt to hide the TRUTH.

Now Common Sense will tell you that the Ancient Egyptians were dark-skinned black African people. This is not a racist statement this is FACT. The Persian also, black people. In the British Museum they have images of King Darius, he is a black man. This is a FACT! He has dark skin, full black lips and a Curly Afro, but yet they get a white actor to play The prince of Persia. WHY? What are they so afraid of? And why should it matter? The question I have is why are the Gentile nations whom are in control of this planet suppressing any mention of the people of the book being black? Why is it taboo for the people of the book being anything other than Caucasian? This is a very serious important question to ask yourself. If you are a Christian should it matter if JESUS is black?.. If you are Christian should it matter if the Hebrews are black?...Or the Persian, or Egyptians? These questions are not about it being a Black thing. And this is not about “Replacement Doctrine” **what ever the hell that is**. This is a rediscovering of what was stolen and what was hidden from the world. And with that, I will speak about the Serpent Seed. **naw-khawsh zeh'-rah**.

THIS SHOULD BE ABOUT 1 HOUR INTO BROADCAST!

Like I mentioned before we will first clear up a miss conception about this word **SERPENT**. And learn what it really means. One very important point to keep in mind. The Bible was written by the Greeks. The Greeks taught in parables and metaphors, so this means every word has more than one meaning. So when you research a topic like the Serpent seed you have to take this into consideration. Now I feel that I am getting a little resistance from my former Bible thumper so I need to make this statement. The Ancient Hebrew was translated into Babylonian and Greek for religious purposes. At this time the Babylonians and the Greeks where the enemy. They enslaved or people and stole our history. So for give me if I must go thru it with a fine tooth comb. I advice you to do the same.

Okay now the main objection to the Serpent seed doctrine is the Serpent. Is this speaking about a real life reptilian or is this speaking about a man? Does naw-khawsh mean SERPENT? Well let's see what the Strong's says.

Strong's Concordance H5175 naw-khawsh

reference root word **H5172**; a snake (**from its hiss**): - **serpent**.

Now that's all it says but did you notice that word **HISS**? And also **H5175** tells us the root word can be found at **H5172**, and this word "naw khawsh" is not a snake, but a snake's **HISS** now this is key. Okay now before I read the definition for H5172 I first want you to know that I took this word **naw khawsh** translated into its Hebrew letters and when you translate it back into English or Greek you still come up with the word **SNAKE**, but this word is not used as a noun it is used as a **VERB**. Now here comes the root meaning for the word **naw-khawsh** we find

it at **H5172** a primitive root; properly to **hiss**, that is, **whisper** a (magic) spell; generally to **prognosticate**: - X certainly, divine, enchanter, (use) X enchantment, learn by experience, X indeed, diligently observe.

Now let's not overlook this word "PROGNOSTICATE" does anyone know what this means? Well I didn't so I looked it up and boy was I surprised:

And it reads: Prog-nos-ti-cate; -verb (used with object)

to forecast or predict (something future) from present indications or signs; prophesy.

to foretoken; presage: birds prognosticating spring.

to make a forecast; prophesy.

So has anyone spoken to a fortune telling snake lately? By now you should understand that **Naw-khawsh** means to **HISS** not snake, but to hiss like a snake. Which translates to Whisper a Spell, Enchantment or to learn by experience. This is describing a being and the characteristics of this BEING. So was Adam and Eve alone in Paradise? Or is there more to the story? Is this a story or a metaphor?

For those of you still under the spell of deception let get another witness. Now check out what happens to this word NAW-khawsh when we place it into the Ancient Hebrew:

נ NUN = SEED symbol | Continue, Heir, Son

ח CHET = TENT WALL symbol | Outside, Divide, Half

שׁ SHIN = TEETH symbol | Sharp, Press, Eat, Two

So we have the symbol of a **SEED** which is NUN the **ancestors** tell us that this means **Continue, Heir, Son** now take note this is the WORD naw-khawsh that is supposed to mean snake. But when we look at the Ancient Hebrew the first word means SEED NUN. The next symbol a **TENT WALL** which is CHET and it means **Outside Divide Half**. So what are they telling us with the use of this? Did this event cast Adam and Eve outside of the garden did this divide them, separate them from Garden? The next symbol is **Teeth** which is SHIN and it means **Sharp, Press, Eat and Two**. So what do you do with your teeth? you tear and ripe, you also use your teeth to EAT... "But of the tree of the knowledge of good and evil, thou shalt not eat of it: for in the day that thou eatest thereof thou shalt surely die."

Okay now for those of you still under the spell of deception lets get a third witness. We are going to take this word and place it into the Hebrew Old Testament TANAK, but not just any TANAK, one that is written in Hebrew the Babylonian Hebrew, and it comes with a Strong's Concordance. Now understand this book is written entirely in Hebrew, and it comes with a Strong's Concordance, so it's easy to find the meaning of the WORDS. Now whats interesting about this book is this. When you match this book up with the KJV you will notice that the TANAK adds an extra letter to the WORD. Now this is KEY. Guess which letter they add to the WORD "NAW-khawsh"? YEH pronounced **AH** the letter for AHYAH. Remmber Abraham Sarah AH.

H 5175 naw-khawsh' This is in HOT with an added name of YAH.

𐤇 HEY = **ARMS RAISE** | Look, Reveal, Breath

𐤅 NUN = **SEED** | Countinue, Heir, Son

𐤇 CHET = **TENT WALL** | Outside, Divide, Half

𐤇 SHIN = **TEETH** | Sharp, Press, Eat, Two

So a question should come to mind. Why did the KJV remove this letter or why did the TANAK add this letter. Was this extra letter added to better define **what** this being is? Is this letter telling use this BEING is more then just a "snake in paradise?" Keep in mind this letter YEH pronounced **AH** when translated in the Babylonia Hebrew means T.H.E "THE" which has no meaning compared to the **Ancient Hebrew**. In the Ancient it means **LOOK, REVEAL, BREATH**, which is to live to have life. LIFE that was created by The Most High. So this word "naw-khawsh" tells more then just a story about Adam and Eve eating an apple and talking to a snake. **This SNAKE was a created BEING. It was talking, expressing, telling stories, telling propheies of futures events, it was seducing beguiling and giving seed. Now you can accept this FACT or go back to sleep, but if you sleep you will be totally unprepared for the things to come.**

Okay now I am going to read Genesis 3: 1 – 7 Open your mind wake UP and listen to this with new ears. Keep in mind this was translated by the Greeks and when they rewrote it they wrote it like a Metaphor. What this means is that they took the Ancient Hebrew language and rewrote it for there benefit not ours. I can not express this point enough.

Gen 3:1 Now the serpent was more subtil than any beast of the field which the **YAHUWAH YAH** had made. And he said unto the woman, Yea, hath YAH said, Ye shall not eat of every tree of the garden?

Gen 3:2 And the woman said unto the serpent, We may eat of the fruit of the trees of the garden:

Gen 3:3 But of the fruit of the tree which is in the midst of the garden, YAH hath said, Ye shall not eat of it, neither shall ye touch it, lest ye die.

Gen 3:4 And the serpent said unto the woman, Ye shall not surely die:

Gen 3:5 For YAH doth know that in the day ye eat thereof, then your eyes shall be opened, and ye shall be as ELOHIYM knowing good and evil.

Gen 3:6 *And when the woman saw that the tree was good for food, and that it was pleasant to the eyes, and a tree to be desired to make one wise, she took of the fruit thereof, and did eat, and gave also unto her husband **with** her; and he did eat.*

Gen 3:7 And the eyes of them both were opened, and they knew that they were naked; and they sewed fig leaves together, and made themselves aprons.

Okay now time dose not permit me to filter threw this GREEK, but I will bring a few word to you attention and maybe you can repeat what I have done and really teach yourselves how to read this Bible. Once again I need to make this statement, because I want to be clear. Since I discovered the correct way to read the WORD my faith has incressd 10.000%. The Most High Exsist and HIS WORD is perfect. The things I have found in this WORD are trully devine. This WORD was not written by man. Even when man tries to corrupt it, it remains un-corruptable.

Now lets look at this word APRON **H2290** the last word used in Genesis 3: 7, when you look this word up you will find that it means ARMORE or GIRD. It's speaking about a BELT, but a belt for protection. And this word naked also has deeper meaning it means STARK NAKED in the Babylonian Hebrew, but when you pass it thru the Ancient it express Mortality you get word like Chaos, Blood, Watch, Know, First and Begging. This is telling us that they where told they where mortal not like the gods the ELOHIM. So they sewed APRONS put on protection to cover there nakedness, there vulnerability. Because now they know they where naked mortal not like the **ELOHIM**. They no longer trusted in the protection of The Most High. Now if you recall what was said.

Gen 3:11 And he said,^{H559} Who^{H4310} told^{H5046} thee that^{H3588} thou^{H859} **wast naked?**^{H5903} Hast thou eaten^{H398} of^{H4480} the tree,^{H6086} whereof^{H834 H4480} I commanded^{H6680} thee that thou should est not^{H1115} eat?^{H398}

Did you listen to the SERPENT the Whisper the BEING the TREE of Knowledge of good and evil? Another intresting FACT is this that word **WITH** in Genesis 3:6: Now here is where you really need to pay attention. **Gen 3:6** “And when the woman saw that the tree was good for food, and that it was pleasant to the eyes, and a tree to be desired to make one wise, she took of the fruit thereof, and did eat, and gave also unto her husband **WITH** her; and he did eat.” This word **WITH H5973** if you try to find this word in the Strongs you can't, because it sends you to the appendix, but because I use computer software all my Hebrew words are refrenced. So I easlly found this word in the Strongs Definititions. And you come to learn that this word has a very broad meaning. Now I say this because of this....Some have come to the conclusion that Adam had a homosexual afair with this being. After looking into this I have disagree. The women gave to her husband that was **WITH** her. Now this word WITH refrences **H6004**

You will find that is world **WITH H5973** is another one of those small words with a HUGE meaning. And when I say HUGE I mean HUGE!

And here is what it reads:

Pronounced eem in Babylonian

From **H6004**; adverb or preposition, **with** (that is, in *conjunction* with), in varied applications; specifically **equally with**; often with prepositional prefix (and then usually unrepresented in English): - **accompanying, against, and, as** (X long as), **before, beside, by** (reason of), **for all, from** (among, between), **in, like, more than, of**, (un-) **to, with** (-al).

Now because this word is so short there are two things we need to do first take it thru the Ancient Filter and second go to that root WORD found at **H6004** because by now we know that is word means more then just with. First look at what this word reveals in the ancient.

eem WITH

י ayin = EYE | Watch, Know, Shade

מ mem = WATER | Chaos, Mighty, Blood

and when we look up this word in the Hebrew Old Testament TANAK once again they added an extra letter to better define this word. Like I said before the KJV takes out this letter, but the Hebrew Tanak keeps it there. And the letter once again is YEH pronounced **AH**. The same letter added to NAW-khawsh. **AH look, reveal, Breath**

eem WITH from the HOT H5973

י ayin = EYE | Watch, Know, Shade

מ mem = WATER | Chaos, Mighty, Blood

ה hey = Man with Arm Raised | Look, Reveal, Breath

Okay now lets look at the root word H6004 now keep this in mind when we look at the letters in the KJV we have **AYIN MEM**, But when we place it into the TANAK the HEBREW we get **YOD WAW AYIN MEM**. Two more letters added. But not just any two letter, but the letter that make up the name of The Most High. Now if you are following me I want you to understand. When you take the TANAK **H5973** and the TANAK **H6004** and observe the letters you will notice that all of the letters are present to spell out the name of The Most High. **YAHUWAH. YOD AH WAW AH**. Now what is the TANAK trying to tell us that the KJV tried to hide? Now for those that would like to see this. You can view this using a **"Hebrew Old Testament TANAK"**. I will also post this on my site once I get the time. And for my friends email me and I will send you the transcript. Now I am not done yet. Because we have'nt even read the definition for **H6004**.

eem WITH from the HOT H6004

י YOD = Arm closed hand | Work, Throw, Worship

ו WAW = Tent Peg | Add, Secure, Hook

י ayin = EYE | Watch, Know, Shade

מ mem = WATER | Chaos, Mighty, Blood

H6004 עמם

‘âmam *aw-mam*’

A primitive root; to *associate*; by implication to **overshadow** (by *huddling* together): - become dim, **hide**. **Okay now lets break these words down to there definition.**

OverShadowed

to be more important or significant by comparison.

to cast a shadow over; cover with shadows, clouds, darkness, etc.; darken or obscure: clouds overshadowing the moon.

Or the word HIDE

to conceal from sight; prevent from being seen or discovered.

to obstruct the view of; cover up: The sun was hidden by the clouds.

to conceal from knowledge or exposure; keep secret.

Now remember we are still exploring the Meaning of this WORD “WITH”.

“she took of the fruit thereof, and did eat, and gave also unto her husband with her; and he did eat.” So the questions is this, was Adam hiding whiel the woman ate of the tree? Or was something hiding with in Adam? What was overshadowing Adam? Now take note as I read the words around **H6004**

First we read H6005 And it Reads; From **H5973** and **H410** with suffix pronoun inserted; **with us** (is) *God; Immanuel*, a name of Isaiah’s son: - Immanuel. **Now notice that word H410** remember H410 is ELOHIM Angelic Being? They are also telling us that this WORD **H5973** the word that was used in Genesis 3:6 creates the word IMMANUEL the very name that is associated with the MESSIAH. Now here is a second wittness that tells us that this word WITH is referencing The Most High.

Okay now if that was'nt enough how about this one. If you look at the WORD H6003 the WORD that comes right before **H6004** you remmber the WORD **H6004** is the ROOT word of the WORD **WITH** in Genesis 3:6 Now Guess what word we find?

H6003

Patronymic from **H6002**; an *Amalekite* (or collectively the *Amalekites*) or descendant of Amalek: - Amalekite (-s).

H6002

Probably of foreign origin; **Amalek**, a descendant of Esau; also his posterity and their country: - Amalek.

Let me tell yall what just happened. This whole study revolves around the Amalekites. Do you think I am so cleaver that I can take this word **”WITH”** from Genesis 3:6 and have it magically lead me to the very topic that this study is about? The only reason why I am talking about this is because I wrote an email to Georgia Johnson earlier this week to thank here for posting my broadcast as an event. I mean think about it. When we look at all of these WORDS H6003 H6004 H6005 we get as followed:

H6003 Amalikites the Seed Of The Serpent, **H6004** WITH *aw-mam* the word that connects Adam and Eve, **H6005** *Immanuel God With Us* which takes us to Isahiah 7:14

Isa 7:14 Therefore^{H3651} the Lord^{H136} himself^{H1931} shall give^{H5414} you a sign;^{H226} Behold,^{H2009} a virgin^{H5959} shall conceive,^{H2029} and bear^{H3205} a son,^{H1121} and shall call^{H7121} his name^{H8034} Immanuel.^{H6005}

Okay now this will make much more sense after the completion of this broadcast, but by now you should begin to understand that this BOOK, This Bible is beginning to reveal much more to use in these final days. And I hope you are beginning to see that there was a lot more going on in that Garden then what has traditionally be taught.

At this point you should have 40 minutes left in the broadcast!

OKAY I AM GOING TO TAKE A BREAK!

PLAY AUDIO

Okay now I hope you are still with me lets start bring this together. In this Broadcast we have discover that the Serpent in the Garden was more then Just a SNAKE it was a BEING. This being is also called the DRAGON and if the DRAGON from **Rev 12:17 is that old serpent from the GARDEN then this being had SEED meaning offspring. Now it is VITAL to understand this fact because it is the purpose of this broadcast.**

Genesis 3:15 And I will put^{H7896} enmity^{H342} between^{H996} thee and the woman,^{H802} and between^{H996} thy seed^{H2233} and her seed;^{H2233} it^{H1931} shall bruise^{H7779} thy head,^{H7218} and thou^{H859} shalt bruise^{H7779} his heel.^{H6119}

Okay now I spoke about the SERPENT, and now I will speak about the SEED of ADAM YACOB.

The name JACOB is translated to JAMES in the English Language. The name YACOB was given to the second born of ISSAC the seed of Abraham. This event is a major KEY to our understanding and a direct link to the prophecy of Genesis 3:15.

Genesis 3:15 And I will put^{H7896} enmity^{H342} between^{H996} thee and the woman,^{H802} and between^{H996} thy seed^{H2233} and her seed;^{H2233} it^{H1931} shall bruise^{H7779} thy head,^{H7218} and thou^{H859} shalt bruise^{H7779} his heel.^{H6119}

Okay now when we look into the Strong's we find this word HEEL H6119 the very next use of this word is found in Genesis 25:26 so what this is telling me is this. This verses might be connected to Genesis 25:26, now hear this and listen for it.

Genesis 25:26

And after that^{H310 H3651} came^{H3318} his brother^{H251} out, and his hand^{H3027} took hold^{H270} on Esau's^{H6215}; **HEEL**^{H6119} and his name^{H8034} was called^{H7121} **Jacob**.^{H3290} and Isaac^{H3327} was threescore^{H8346} years^{H8141} old^{H1121} when she bare^{H3205} them.

Okay now this is easily overlooked, But it tells the whole story. Genesis 3:15 and Genesis 25:26 are the foundation to it all. Lets first look at the WORD HEEL.H6119

HEEL

From [H6117](#); a *heel* (as *protuberant*); hence a *track*; figuratively the *rear* (of an army). (*lier in wait* is by mistake for [H6120](#).): - heel, [horse-] hoof, last, *lier in wait* [by mistake for [H6120](#)], (foot-) step.

They tell us to referens H6117 so it says:

A primitive root; properly to *swell* out or up; used only as denominative from [H6119](#), to *seize by the heel*; figuratively to *circumvent* (as if *tripping* up the heels); also to *restrain* (as if holding by the heel): - take by the heel, stay, **supplant**, X utterly(TOTALLY). OH so this is getting a little more intresting we see this word SUPPLANT. We know this word is to uproot, but what about the other referens H6120?

Also notice how they use this word CIRCUMVENT:

To go around or bypass: to circumvent the lake; to circumvent the real issues.
to avoid (defeat, failure, unpleasantness, etc.) by **artfulness** or **deception**; avoid by anticipating or **outwitting**: He circumvented capture by anticipating their movements.
to surround or encompass, as by stratagem; entrap: to circumvent a body of **enemy troops**.

So what dose H6120 say?

From [H6117](#) in its denominative sense; a *lier in wait*. (*heel* is by mistake for [H6119](#).): - heel [by mistake for [H6119](#)]. Wow so now we have another clue A LIER IN WAIT, and also Strongs is telling us that "*heel* is by mistake for [H6119](#)." Now this will make sence as we countinue, because HEEL as you can see dose not mean what you think it means. And if you keep reading we go to H6121,

H6121 From [H6117](#); in the original sense, a *knoll* (as *swelling* up); in the denominative sense (transitively) *fraudulent* or (intransitively) *tracked*: - crooked, deceitful, polluted. **And H6122** Feminine of an unused form from [H6117](#) meaning a *trick*; *trickery*: - **subtilty**. And then it ends with **H6123** Which is a primitive root WORD meaning; to *tie* with thongs: - **bind**, **So bondaged is also related to HEEL as well as Opression H6125**. Okay lets make this clear. Heel from **Genesis 3:15** and **Genesis 25:26** dose not only mean the back of your foot, but to; Circumvent, Supplant, Deception, Outwitting, Trick, *lier in wait* and relates to Bind and Oppress. Okay now who dose these charactertistics remind you of????

Okay now this is where it gets good. Like I stated earlier I want to thank The Sword Of Yah for inspiring me to do this research on this subject. With out him this braodcast would not exist.

Okay now in Genesis 25:26 we read:

And after that^{H310 H3651} came^{H3318} his brother^{H251} out, and his hand^{H3027} took hold^{H270} on Esau's^{H6215} HEEL^{H6119} and his name^{H8034} was called^{H7121} Jacob:^{H3290} and Isaac^{H3327} was threescore^{H8346} years^{H8141} old^{H1121} when she bare^{H3205} them.

In this verses what we are seeing is dual meanings. We get the story of what happen as YACOB was being born, and then the deeper true meaning of this verses that can only be translated using the meaning of the names and words. The first meaning is for the WORLD the second is for the Peculiar treasure of AHYAH, and if you **understand** this verses YOU are of that peculiar treasure.

Since we have already decoded the word HEEL we will next decode the name YACOB. YACOB H3290. Okay now when we open the Strongs we find this meaning.

YACOB H3290 From [H6117](#); *heel catcher* (that is, supplanter); *Jaakob*, the Israelitish patriarch: - Jacob. **That's it. When you go up in the strongs concordance you land on a new root word and when you go down you get more root words so they are telling us to refrence H6117 for a deeper meaning. Now we just went over this, so this is telling use YACOB and HEEL are one and the same, but theres more. What happens when we put these words threw our Ancient Hebrew Filter.**

Okay First lets look at the word HEEL thru the eye of our ancestors;

We get BABYLONIAN Hebrew letters **AYIN, QUPH, BETH** which is "AW KABE" now it gets intresting. This letter **AYIN** is represented by the Ancient Hebrew Symbole EYE and this EYE has three meanings.

WATCH, KNOW as in Knowledge and **SHADE**, and if you recall from our last study **AYIN** or the **EYE** also represents the INQUITY of the AMORITES as well as the AMALIKITES or AMALEK. Now here is something to place in your wisdom. The EYE can also be a refrence to the ALL seeing eye. The Wisdom of the Amalikites.

The next letter is **QUPH** this is represented by the Original Hebew symbole for Rising **SUN** this also has three meaning **Condensed, Circle and Time**. Notice that word CONDENCE to reduce the amount over a period of time. Also to in Circle.

Then we have the letter **BETH** this gets translated to the Ancient Hebrew Charecters that represents a tent floorplan. A layout for living quarters. This means **FAMILY, HOUSE** and **IN**, so this is telling us that this is the core of the community the **HOUSE** the **FAMILY** and the word **IN** is saying this is where you live. **So as you can see this word HEEL has a much deeper and dualistic meaning. Now in order to understand it you have to place it in the content of the story.**

Okay now the name YACOB has the exact same charecters as the word **HEEL** with one slight

addition, OR should I say one major addition. The letter is called **YOD**. Now we all know this Letter from the name of **The Most High** AHYAH. And the letter **YOD** is represented by the Ancient Hebrew symbol of the **ARM** which has the following meaning; **WORK, THROW** and **WORSHIP**. This letter **YOD** represents The Creator, The Most High. So when this letter is added to the word **HEEL** the meaning is changed to represent **work, action, a mission given to the seed that was CHOSEN by The Most High**. Notice this word **WORSHIP**, this is referring to AHYAH. Because the **YOD** completes the Wholy NAME, and just like when the Hebrew letter YEH pronounced AH the YAH was added to ABRAHAM and SARAH the **YOD** is added to **HEEL** to create the name YACOB. So this is telling us that this man **YACOB** is a representative of **The Most High**.

AND THIS IS WHY I DID THE BROADCAST CALLED THE LIVE BECAUSE WE SLEEP! When the Greeks translated the WORD they changed the names to hide the meaning. The name **ISRAEL** is not YACOB. You will not find the story of the Amalikites using the name ISRAEL, but you will find it with the name YACOB. The name given to YACOB by The Most High, not some mysterious angel being man type that wrestled YACOB near the river of demons under a dark moon.

Now if you noticed I keep mentioning the AMALIKITES. Who are the AMALIKITES and how do they relate to the serpent seed. Like I said the KEY is the Dragon revelations

Rev 12:17 And ^{G2532} the ^{G3588} dragon ^{G1404} was wroth ^{G3710} with ^{G1909} the ^{G3588} woman, ^{G1135} and ^{G2532} went ^{G565} to make ^{G4160} war ^{G4171} with ^{G3326} the ^{G3588} remnant ^{G3062} of her ^{G848} seed, ^{G4690} which keep ^{G5083} the ^{G3588} commandments ^{G1785} of YAHUWAH, ^{G2316} and ^{G2532} have ^{G2192} the ^{G3588} testimony ^{G3141} of YAHUSHUA ^{G2424} MESSIAH. ^{G5547}

Joe 1:3 Tell ye your children of it, and *let* your children *tell* their children, and their children another generation.

Joe 1:4 That which the palmerworm hath left hath the locust eaten; and that which the locust hath left hath the cankerworm eaten; and that which the cankerworm hath left hath the caterpillar eaten.

Joe 1:5 Awake, ye drunkards, and weep; and howl, all ye drinkers of wine, because of the new wine; for it is cut off from your mouth.

Joe 1:6 For a nation is come up upon my land, strong, and without number, whose teeth *are* the teeth of a lion, and he hath the cheek teeth of a great lion.

Joe 1:7 He hath laid my vine waste, and barked my **fig tree**: he hath made it clean bare, and cast *it* away; the branches thereof are made white.

Genesis 3:15 And I will put ^{H7896} enmity ^{H342} between ^{H996} thee and the woman, ^{H802} and between ^{H996} thy seed ^{H2233} and her seed; ^{H2233} it ^{H1931} shall bruise ^{H7779} thy head, ^{H7218} and thou ^{H859} shalt bruise ^{H7779} his heel. ^{H6119}

Okay now to understand this verses we have to place it into the content in which it is referring to. Since we have established that SEED is Offspring, and HEEL is in reference to USURPATION and the name YACOB. And this word ENMITY means enemy of HATRED and BRUISE means to Overwhelm or break. And when we read this part of the verses "it^{H1931} shall bruise^{H7779} thy head,^{H7218} and thou^{H859} shalt bruise^{H7779} his heel.^{H6119}" It should not take long to see that this is not talking about Eve eating an APPLE. This is speaking about WAR FARE. The first of the nations the HEAD the Amalekites. Thou shalt BRUISE his HEEL, HEEL meaning YACOB HEEL CATCHER Bruise, Overwhelm, break. So this is telling us that the SEED of The Dragon the Serpent are at WAR with the SEED the children of ADAM.

At this point you should have 20 minutes left in the broadcast!

Now for the closing of this broadcast I will speak about The Amalekites.

I named this broadcast The Seed of the Serpent and the DECEPTION of the Amalekites, because I wanted to bring your attention to just that. The Deception. Many of us believe that Amalek is the father of the Amalekites. And the Amalekites are the seed of Esau. Now this not a wrong conclusion, but just like many things concerning the dragon this is half truth. The seed of the Amalekites go far beyond Esau, and just like the Butterfly the Amalekites are masters of deception. This half truth has given birth to many demonic movements and has turned this world into what we see today. The British Israelite lie is the perfect example. This movement has turned into white supremacy and racist hatred. And this has caused many to shy away from ever studying in depth the truth about the seed of the Serpent. Even today those of us that are waking up to who we are place all our focus, energy and anger towards Esau and the white man. And just like White Supremacy we point the finger at the opposite race and say there is the enemy.

And as we fall for this, our message of understanding, and teaching about who The Most High is, turns into a message of hate and confusion. As the Serpent hides in the Shade and come up with terms like "Replacement Doctrine". Now I say this because many realize we are at WAR, but we do not know who the enemy is. As I tried to explain in this BROADCAST. The Seed Of The Serpent are The Children of the Dragon, and his seed dwells with-in the Amalekites. The Kin of the Kenites. Let me explain how this happened. Now to properly comprehend this I will read from an article called

The Amalekites of the Bible:

Here is a typical belief concerning the Amalekites:

"The Bible dictionary, Insight on the Scriptures, states that Amalek was a "son of Esau's first born Eliphaz, by his concubine Timna. (Ge. 36:12, 16) Amalek, a grandson of Esau, was one of the sheiks of Edom. (Ge. 36:15, 16) Amalek's name also designated his tribal descendants. -- De. 25:17; Jg. 7:12; 1 Sa. 15:2" (Watchtower Bible & Tract Society of New York, Inc. 1988. p. 86.)"

This is a typical explanation concerning the Amalekites.

”While it is true Amalek's name designated his tribal descendants, there is a belief that Amalek dates back BEYOND the time of Esau; and this is backed up by the account of Chedorlaomer and the kings in Genesis 14:”

Now one thing to take note of when you read Genesis 14 not only is this the first time you hear the name Amalekites you also here the name Hebrew for the first time so this is a very important chapter.

In the fourteenth year Chedorlaomer and the kings that were with him came and attacked the **Rephaim** in Ashteroth Karnaim, the Zuzim in Ham, the Emim in Shaveh Kiriathaim, and the **Horites** in their mountain of Seir, as far as El Paran, which is by the wilderness.

Then they turned back and came to En Mishpat (that is, Kadesh), and ATTACKED ALL THE COUNTRIES OF THE AMALEKITES, and also the **Amorites** who dwelt in Hazon Tamar. -- Verses 5-7. Okay now here is where you should take note notice how it says “the **Horites** in their mountain of Seir”

When Balaam "took up his oracle" and "looked on AMALEK" (Numbers 24:1-2, 20) he said: "AMALEK WAS THE FIRST AMONG NATIONS, but shall be last until he perishes." When the children of Israel met the Amalekites at Rephidim, the Amalekites were already "first among the nations" of Arabia, and were destined to go on to even GREATER prominence.

The Islamic historians consider Amalek to be one of the MOST ANCIENT of the Arab tribes. Abulfeda, an Arab scholar of the thirteenth century, wrote: Shem [son of Noah] has several sons, among them Laud, to whom was born Pharis, Djordjan, Tasm, and AMALEK....

According to Immanuel Velikovsky:

The Amalekites RULED IN MECCA and from their CENTRAL POSITION on the great peninsula [of Arabia] DOMINATED other Arabian tribes. All parts of Arabia Felix, Arabia Petraea, and Arabia Deserta alike were within reach of their bows. -- Ages in Chaos, Doubleday & Company, Inc. Garden City, N.Y. 1952, p. 61. Okay I read this part to bring your attention to the Line of Shem: LUD to whom was born Pharis, Djordjan, Tasm and AMALEK. Okay now when we read the line of Shem in Genesis 10 this is what we read: The children of Shem; Elam, and Asshur, and Arphaxad, and **Lud**, and Aram. But WE never read about his son AMALEK. The reason this is because AMALEK did not start with this line either. LUD Married the SEED of AMALEK. The line of Amalek is passed thru the Mother. This is how it mixes with the Hebrews. This is why the Maternal line is so important. Now listen to the line of Esau:

Gen 36:12 And **Timna**^{H8555} was^{H1961} concubine^{H6370} to Eliphaz^{H464} Esau's^{H6215} son,^{H1121} and she bare^{H3205} to Eliphaz^{H464} (H853) Amalek.^{H6002} these^{H428} were the sons^{H1121} of Adah^{H5711} Esau's^{H6215} wife.^{H802}

Gen 36:21 And Dishon,^{H1787} and Ezer,^{H687} and Dishan:^{H1789} these^{H428} are the dukes^{H441} of the Horites,^{H2752} the children^{H1121} of Seir^{H8165} in the land^{H776} of Edom.^{H123}

Gen 36:22 And the children^{H1121} of Lotan^{H3877} were^{H1961} Hori^{H2753} and Hemam,^{H1967} and Lotan's^{H3877} sister^{H269} was **Timna**.^{H8555}

Now if you recall “the **Ho-rites** in their mountain of Seir”? How many of you remember my last broadcast when I was describing the characteristics of the Ho-rites. They were described as White Skin flowing hair and light eyes, the problem is they are of the nation of HAM there HAMITES.

The Horites and the Amorites were usurped and mixed with the seed of the Amalikites this is why Timna named her son **AMALEK** to tell us that this was the seed of the Amalikites. The Amalikites are kin to the Kenites the Kenites are the direct decendent of CAIN. So the seed of the Serpent lives in the Amalikites. Think about how the dragon followed the Children of Yacob thru out History. The HYKSOS are the Amalikites, The Hitties are the Amalikites, The Amorites the Amalikites, The Horites the Amalikites. And when you reserch you notice that in many casese the seed is pass thru the mother. Like I menationed before, Who do we know that follows the line of the mother not the father. I will give you a clue it's not YACOB.

Num 24:19 Out of Jacob shall come he that shall have dominion, and shall destroy him that remaineth of the city.

Num 24:20 And when he looked on Amalek, he took up his parable, and said, Amalek was the first of the nations; but his latter end shall be that he perish for ever.

Now to be clear I am not saying that Esua is not the Enemy or a representaion of a European nation this is evident and in prophecy, What I am saying is Esua became Edom and he did this by joining with the Enemy. And if we do not expose who this enemy is this world will remain decieved.
