### **Explanation:**

Welcome to the Book Of Eli the first in a three part series of the Two Branches. In Part 2 we will speak on the deceptions of the major religions Judaism, Christianity and Islam. We will find the truth concerning Hagar and Yishmael and see whom the Messenger of AHYAH is. IN Part 3 we will learn the deception of Islam. How this deception happened, who is behind it and the outcome? We will also learn about the last true seed of AHYAH's people the **Ahkdam** and see how saving them will save us and balance this world. We will end this series in speaking about the anti Christ AKA the Mahdi how to find him and who he is today. And last we will learn how to count the number of the beast which is the number of man which is 666. Now to those of you that have listened to Part 1 and Part 2 already this will answer many questions. I had to release the broadcast this way to make sure the message was well received. All Praise AHYAH.

Before I get into this broadcast I would like to make a statement. In this thing called Religion they have captured and repackaged the Truth. The Truth is the Message from AHYAH All Praise, so we can use the Word because in it we find Our Story and within Our Story we find TRUTH.

## **Hagar the First:**

In **Part 2** of the Two Branches we will learn about Hagar about why Hagar is so important. And why Yishmael was so important. How Hagar was the First to Walk with AHYAH All Praise. Now before I continue I need to be clear so you can understand on how important this is. Let me read Hagar's name out of the Strong's Concordance.

**And it Reads: H1904 Hâgâr haw-gawr'** - Of uncertain (perhaps foreign) derivation; Hagar, the mother of Ishmael: - Hagar.

Now that is all we get no root words no hints no suggestions just "Of uncertain (perhaps foreign) derivation; Hagar, the mother of Ishmael" Now what happens when we place this word into the *Ancient Hebrew Character Chart*?

In the name Hagar the first word we see is the Hebrew Character **AH** or Hey:

**AH = (Look, Reveal, Breath)** this is speaking of AHYAH!

the second word we see is the Hebrew Character is Gimmel or G

**Ga = (Gather, Walk)** this is speaking about someone moving.

the third word we see in the Hebrew Character is Resh or R

**R = (First, Top, Beginning)** this is saying something is First, Something is at the Top of the line and something is the Beginning,

So when we look at the name of Hagar in Our language what do we see?

**Hagar: AHYAH gathered or walked with here from the beginning and she was the First at the Top to Walk with AHYAH.**

Now think about this, but yet the Strong's says "H1904 Hâgâr haw-gawr' - Of uncertain (perhaps foreign) derivation; **Hagar**, the mother of Ishmael" WHY?

Do you think they are trying to hide something? More than you can ever imagine.

Yishmael:

**Yad = Work Throw Worship**

**Shin = Sharp, Press, Eat, Two**

**Mem = Chaos, Mighty, Blood**

**Ayin= Watch, Know, Shade**

**Aleph = Strong, Power, Leader**

**Lamel = Teach, Yoke, To Bind.**

**Yishmael has to root word that make up his name.**

**H8085 shaw-mah'** very import numbers **8** and **5**

A primitive root; to **hear intelligently** (often with implication of attention, obedience, etc.; causatively to tell, etc.): - X attentively, call (**gather**) together, X carefully, X certainly, consent, consider, be content, declare, X diligently, discern, **give ear**, (cause to, let, make to) **hear** (-ken, tell), X indeed, listen, make (a) noise, (be) **obedient, obey**, perceive, (make a) proclaim (-ation), publish, regard, report, shew (forth), (make a) sound, X surely, tell, **understand**, whosoever [heareth], witness.

**H410 EL** Shortened from H352; strength; as adjective mighty; especially the **Almighty** (but used also of any **deity**): - **God** (god), X goodly, X great, **idol**, might (-y one), **power**, strong. Compare names in "-el."

**Yishmael:**

Yad = Work Throw Worship

Shin = Sharp, Press, Eat, Two

Mem = Chaos, Mighty, Blood

Ayin= Watch, Know, Shade

Aleph = Strong, Power, Leader

Lamel = Teach, Yoke, To Bind.

H3458 yish-maw-ale'

**From H8085 and H410; God will hear;** Jishmael, the name of Abraham's oldest son, and of five Israelites: - Ishmael.

Now first you must understand this name El is not AHYAH, but AHYAH did hear this will make since as we proceed. In Yishmael name we see words like Chaos, Mighty, Blood, Yoke, Teach; Bind and Watching, Knowing and Shade meaning

something is in the shadows, something powerful working to consume Yishmael. Now I am going to before I run out of time. Hagar was a Black women and Yishmael was a Black man and Yishmael married a women from the land of Mitzrayim a Black women. Now why am I stating these facts? Am I trying to cause controversy or am I telling you the truth? I just want to make sure the we are in agreement with His Story and Our Story. Truth. Hagar was created as a Black women for all the world to know. Now this is very important to our story. Hagar walked with AHYAH and Yahuwah did hear. Before Abram was named Abraham and Sari was named Sarah Yahuwah Walked with Hagar. Why because no one knows the wisdom of AHYAH. Now let me humbly attempt to **explain** the wisdom of Yahuwah which is AHYAH in his helping form, I will explain it by telling Our Story.

Hagar was created black and beautiful, so that they cannot deny the truth. They tried to sell it on slaves-ships. They tried to place it in the narrow places, put it in tight spots, and place it in bags. And when Yahushuah came in the year 160 AD the stole the message and tried to corrupt the truth. The Truth became Christianity. In the year 619 AD they plotted to take over Muhammed and Ali's message and turn it into a religion. To hide the Truth they destroyed Our History in Ancient Mitzrayim, chopping off lips and noses, blowing up Ancient Statues shooting off faces, flooding Nubia with the Aswan Dam. All this to hide the truth. They taught us lies, sold our people, made us 4<sup>th</sup> class citizens to hide the truth. They did such a an outstanding job they even hide us from ourselves. But you could not hide us from AHYAH All Praise, because he always hears and he is always walks with us. Now what makes Hagar special is not her black skin even though it is beautiful. Hagar is a key figure that I will use to humbly attempt to explain the wisdom of AHYAH.

## The True Queen

Hagar she is the daughter of the Pharaoh which means she was a princes, because Pharaoh is King. **This is Fact!**

**But** why is Sarai called the Princess? Sarai name comes from the root word SAR H8269 **And it Reads:**

**From H8323;** a head person (of any rank or class): - captain (that had rule), chief (captain), general, governor, keeper, lord, ([-task-]) master, prince (-ipal), ruler, steward. **Feminine of H8269;** a mistress, that is, female noble: - lady, princess, queen. **From H8323;** a head person (of any rank or class): - captain (that had rule), chief (captain), general, governor, keeper, lord, ([-task-]) master, prince (-ipal), ruler, steward. **H8323** A primitive root; to have (transitively exercise; reflexively get) dominion: - X altogether, make self a prince, (bear) rule.

**Sar in the Ancient Hebrew Character means:**

**Shin** = (**Sharp Press Eat Two**) this is saying something is consuming, pressing, sharp, divided in two.

**R** = (**First, Top, Beginning**) so she is the first at the Top of or Beginning of what?

Then later we see the Sarai's name is changed **Sarah**. So did this change make **Sarai** a princess? H8283 tells us her name means 'saw-raw'

The same as H8282; Sarah, Abraham's wife: - Sarah. and the one Hebrew Character Added **AH** which means AHYAH

**AH** = (**Look, Reveal, Breath**). So now the name AHYAH is in Sarah, but does this make her a princess?

Sarah was the wife of Abraham, as well as being his half-sister, the daughter of his father **Terah** (Genesis 20:12). The Talmud identifies Sarai with Ischah, (**Ischah** is Hebrew for Jessica. **Ischah** was the daughter of **Haran**, and the sister or **half-sister** of **Lot** and **Milcah**.) daughter of Abraham's deceased brother **Haran** (Genesis 11:29), so that Sarah turns out to be the **niece** of Abraham and the **sister** of Lot and Milcah. She was also the mother-in-law of Rebecca,

Now think about this she is his Sister, his Niece and his Wife. Now how many of you think this is starting to sound like the story surrounding Abu Bakr and Fatimah the daughter of Muhammed? **For those of you confused listen to Two Branches Part 2 and 3.**

But does this still answer the question. How does this make **her princess?**

Well let's look at Sarai, Isch, Jessica's half brother, brother in law, and father **Haran** and her brother and nephew **Lot**. (**Quick point according to the Book Of Jasher Sarai is the daughter of Haran he was 42 years old and at the time Abram was living in a cave hiding from Nimrod...now this is another story.** )

**But** since we have about three stories we have to say. Haran Father and brother in law of Sarai, **Ischah** aka Jessica: **And it reads:**

Through **Haran's** son Lot, Haran was the ancestor of the Moabites and Ammonites, and through his daughter **Milcah** he was ancestral to the Aramaeans and the Israelites. Now to save time we will just trace the **Arameans**.

**Arameans** : arge groups migrated to Mesopotamia where they intermingled with the native Akkadian (Assyrian and Babylonian) population. It appears from their inscriptions as well as from their names that Arameans worshipped Assyro-Babylonian gods such as Haddad (Adad), Sin, Ishtar (whom they called 'Attar), Shamash and Nergal, and Caananite-Phoenician deities such as the storm-god, El, the supreme deity of Canaan, Anat ('Atta) and others.

**Now this will be spoke upon in detail in Part 2:**

“This Aramaic dialect was increasingly affected by the Arabic dialect of the local population. From the 4th century AD, the Arabic influence becomes overwhelming, in a way that it may be said the Nabataean language shifted seamlessly from Aramaic to Arabic. The Arabic alphabet itself developed out of cursive variants of the Nabataean script in the 5th century.” So Haran brother of Abram, Father and Sister of Sari is Also the Father of **Milcah, whom is the** ancestral to the Aramaeans and the Israelites.

**And oh do not forget:** This is sourced from: **Nabataea.net, Dan Gibson's comprehensive Nabataean site**

**And it Reads:** “The Nabataeans were originally Aramaean immigrants from Babylonia. Proper names on their inscriptions suggest that they were true Arabs who had come under Aramaic influence” So the Arameans are Arabs and Israelites.

**Now I have a Question:** Are you confused? Hold on this **will all make sense soon.**

**Now Who is this deity named Anat?:**In the Ugaritic Ba'al/Hadad cycle ‘Anat is a violent war-goddess, a virgin in Ugarit (btl't 'nt) though the sister and lover of the great Ba'al known as Hadad elsewhere. Ba'al is usually called the son of **Dagon** and sometimes the son of El. ‘Anat is addressed by El as "daughter". Either one relationship or the other is probably figurative.

Hyksos: During the Hyksos period Anat had temples in the Hyksos capital of Avaris and in Beth-Shan (Palestine) as well as being worshipped in Memphis. Now I thought that it was interesting to add this to show that there is also a Hyksos connection to the Arameans. Now I am going to read a list of Deities that are associated to **Anat** from the Canaanites, Egyptians and Greeks.

**And the associated Deities are as followed:**

<b>Canaanite:</b>	<b>Egyptian:</b>	<b>Greek:</b>
Adonis	Amun Ra	Ares
Anat	Apis	Aphrodite
Ba'al	Buchis	Apollo
Dagon	Isis	Athena
El	Horus	Artemis
Hadad	Osiris	Hades
Moloch	Ptah	Hera
Mot	Set	Hermes
Yahweh		Poseidon
Yam		Zeus

Okay now if Haran is Sarai's aka Jessica's father do you see anything here that makes her a princess? But wait? The Hebrew root for Sarah is H8282:

**And it reads: H8282 שָׂרָה śârâh saw-raw'**

**Feminine of H8269; a mistress, that is, female noble: - lady, princess, queen.**

Okay now two things one during my research into the Murder of Muhammed by Abu Bakr, Umar and Uthman the first Caliphate of Islam I began to see a pattern. The method in adding names and stories to legitimize a certain link were washed thru out the lines of Uthman, Abu Bakr and Umar the first Caliphate of Islam for example. Zakiyya means Pure in Arabic. **Zakiyya** is the name of Muhammad al-Nafs al-Zakiyya. Whom was named Muhammad ibn Abdullah ibn al-Hasan ibn al-Hasan ibn 'Ali ibn Abi Talib **aka** Muhammad al-Nafs al-**Zakiyya** whom was called the **Pure Soul** he was fighting to spread the Truth of AHYAH All Praise. But he was killed by the **Abassid Dynasty Abbasid Caliph, Al-Mansur** who was the ancestor of **Hisham ibn Abd al-Malik** whom was the brother of the 9th Umayyad caliphate his brother **Yazid II**. **Now** like I said this will make sense once you listen to Part 1 and Part 2. Now there was a man by the name of Zayd ibn 'Alī he created a religious group called the Zaidiyyah after himself, but one problem he did not existed. The Zaidiyyah stole its name from the the **Zakiyya** (the pure souls) a real spiritual sect that was destroyed by the Umayyad Dynasty aka Abbasid Dynasty. I say this not to confuse you but to show you the confusion.

The same people that wrote the story of Sarah are the same people that tried to write themselves into Muhammed and Ali's blood line. Now I say BloodLine because it is important, because Iron and Clay do not mix. "And AHYAH will put enmity between thee and the woman, and between thy seed and her seed; it shall bruise thy head, and thou shalt bruise his heel." This means that Abram the true Abram would not mix his Blood with the serpent, so the serpent wrote his self in. How he created Judaism and it is known as the Talmud. Now I know this is hard for many to believe, but we are approaching the last days and knowledge will increases I think it is time we get some.

Now think if the usurpers wrote our history, would they empower us or make us weak? Now I am not saying that we should discount everything they wrote because they stole Our history and turned it into a religion. The problem is that they are so intertwined that it is dam near impossible to find the TRUTH unless you catch them in a lie for example **Zakiyya (the pure soul)**. Muhammad al-Nafs al-Zakiyya did exist this is documented history yes this person did exist.

So what am I trying to say? Why don't we for the moment suspend what we have been told and reconstruct Our history on what we do know. So today lets present an alternative to His Story and tell it as Our Story and let's see how it all lays out.

Hey at the end of the day you can still call yourselves Hebrew Israelites, where you costumes and fringes practice the ancient Hebrew Israelite religions and wait for the truth to fall from the sky. Now we know that Yacob comes from the word heel. AS in heel catcher the one that caught the Serpents heel Right On Time. Hebrew Of the Seed of Yacob means the people of the one that will destroy the Serpent. Know is the father Abram, Ham, Eber, Terah, Mitzrayim, Haran, Noah, Shem or Cannan...in Our story who know. But in His Story it is Abraham, so if you want to keep this fine. All I know is Yacob means the one that will Kill the serpent Right On Time. Know we know that Yahushuah was a Hebrew not a Hibiru, but a Hebrew. So the Hebrews are a distinct people created for a specific purpose. These people have married into the line of Ham, so we can say that the Hebrews and the Hamites are now pretty much one people. You can see this by the Queen Hagar, yes the Queen Hagar we will hit on this later, oh and I almost forgot.

Now for my final point on Sarai the daughter of Haran, or daughter of Terah, or the wife of Abraham or sister of Abraham, or the Niece of Abraham and Sister of Milcah and Milcah whom is ancestor of the Edomite Jews and Edomite Arabs thru the Arameans whom are our enemies. Well did you get that. Record, research and understand. If Sarai was a princess as he tells us based on His Story according to the Strong's concordance and the Talmud, and as it reads in the concordance:

**And it reads: H8282 שָׂרָה śārâh saw-raw'**

**“Feminine of H8269; a mistress, that is, female noble: - lady, princess, queen.”**

Well if this is fact based on the name of Sarai where SAR means Prince. Then if it is fact than you have to show us a King or a Prince in the line of Haran or Terah and none produce this fact...So what does this mean? Well this title of Nobility does not apply to Sarai because Sarai is not a Princess, unless there is a hidden meaning that the Talmud is not telling us. Okay now to be clear I use to believe that Sarah meant princess because she was dominate of her will, and therefore a Queen of herself will. Now I say use to believe until I found to many conflicting syories. Well what is that Truth? The real princess is Hagar daughter of Pharaoh. And how do we know because they tried to pull another replace and rearrange. Mean contradictions and Lies. You have to have a King for there to be a Princess, so the name does not fit.

So we have to conclude that they changed whom really was the princess and of course the alternative would be Hagar. And it reads:

**The Book of Jasher Chapter 15:**

“And in the morning the king called for Abram and said to him, What is this thou hast done to me? Why didst thou say, She is my sister, owing to which I took her unto me for a wife, and this heavy plague has therefore come upon me and my household. Now therefore here is thy wife, take her and go from our land lest we

all die on her account. And Pharaoh took more cattle, men servants and maid servants, and silver and gold, to give to Abram, and he returned unto him Sarai his wife. And the king took a **maiden** whom he begat by his **concubines**, and he gave her to Sarai for a handmaid. And the king said to his **daughter**, It is better for thee my daughter to be a **handmaid** in this man's house than to be **mistress** in my house, after we have beheld the evil that befell us on account of this woman. And Abram arose, and he and all belonging to him went away from Egypt; and Pharaoh ordered some of his men to accompany him and all that went with him.”

Okay now Hagar is now the slave of Abram which fulfills the Talmud prophecy that Ham will be the servant of Shem or was that was Japheth.

### **Genesis Chapter 9:**

“And he said, Cursed be Canaan; a servant of servants shall he be unto his brethren. And he said, blessed be the LORD God of Shem; and Canaan shall be his servant. God shall enlarge Japheth, and he shall dwell in the tents of Shem; and Canaan shall be his servant.” And of course this was used by the Popes, Jews and Arabs the trading partners of 1452 to justify the Trans Atlantic Slave Trade. **Now I have a Question:** when did Japheth become Shem?....Okay now do you really think the King of Egypt is sleeping with his daughter? And do you really think that his wife was his concubine. Or do you think they are trying to downgrade the important of **Hagar**. Now I know that some of you are still under mind control and following the dogma of this religion, so no matter what I say you will not free yourself, because you do not want to be free, so for those of you. You can turn off this teaching continue to wear your fringes and costumes practice your rituals and wait for your Fema camp. Now for the rest let’s hear **Our Story**.

## **Our Story**

We begin with Hagar the First to Walk with **AHYAH** the seed of Mitzrayim the true princess the daughter of a Pharaoh the King of Egypt. She is now in a place called Beersheba she is given a loaf of bread a bottle of water and sent off to die. Then she grabs a wife for Yishmael and settles in the land of Paran the tight spot. And next we hear Yishmael is growing into a might nation and Esau takes his daughters. Now this is what we know from his story. Now listen to Our Story. Hagar chooses a wife for Yishmael out of the land of Mitzrayim. Now if this is the case If Hagar travels back into Egypt and picks a wife for her son would it make sense for her to go back into the wilderness alone in the land of Paran the tight spot? Now do you think some might have player with Our Story? Okay now Hagar has a loaf of bread and a bottle of water, do you think Hagar just might be think while walking to Egypt hungry, poor and homeless to get her son a wife “it sure would be nice to to go back home into the palace of the King” Where I would live like a princess with my son the prince of Egypt. Or do you think she would

take a pit stop to Beersheba drive by Egypt pick up a wife then drive back down to Paran the tight spot to get usurp by Esau? Well let me address the single mothers out there. Is it hard raising a child when you don't have enough money? Now do you think you can relate to Hagar?

Not let's take a stretch here. Do you think **A:** Hagar said Oh hell no! I am the princess of Egypt I am not going to stave living on bread and water? Or **B:** She said let me go to an un know country where I know no one and maybe die? Now our course **A.** So know you know why her true story is hidden...Now the question is why? Our story, so let's move on Hagar is Royalty Truth. Yishmael is royalty Truth. Now the King of Egypt welcomes back the young prince. Now keep in mind the King greatly respected Abram or he would not have given him his daughter. So here is another question. **A:** would the prince of Egypt marry just any women or **B:** would the prince of Egypt marry into Royalty? Well most likely royalty right. Okay so now we have the first born of Abram a Hebrew and the son of Pharaoh Living is the land of Egypt.

Now I was going to speak on a man I found by the name of Meruserre **Yaqub-Har** from the 17<sup>th</sup> century. I was going to try to connect Yacob and Joseph to a certain time period, but the problem was that the source I found kept lying. They keep connecting these people with Hyksos, and the information was so unreliable I could not use it. Plus names like "**Yaqub-Har** known as **Yak-Baal**" and "**Sheshi** 'Seeing is the heart of Re'" I doubt these are Hebrews of our Yacob. With names like this, but I wanted to bring this to your attention. **But** I can't say what I do know. There is a tomb by that has the name Bani Hassan Tomb located in Memphis, Egypt.

I noticed on one of the walls they show a picture of four Black women with a small boy, they are wearing colorful dresses and they are walking with a donkey. The Egyptians called these people the Amu which means Gods people. Now why I mention this is because this is the exact same picture they have on the website that speaks about the Hyksos. But there is a problem. It is a recreation of the same image, but they made the people a few shades lighter. I will have these images in the online transcript.

**Now** I believe the people that the Egyptians called Gods people are the Original Hebrews. They are painted on the walls for the world to see. What this means is that the Hebrews lived in Egypt for a very long time. The Hebrews and the Egyptians became one people. Now I will prove this after I speak on the usurper. Now first I would like to explain why the Hyksos want the world to believe that they are the Hebrews of the people of AHYAH. Well simple, so they can deceive the whole world. First we have to know whom the Hyksos aka Amalikites are.

## Here is a brief explanation about the Seed of the Serpent:

This period saw the decline of the past thirteenth and fourteenth dynasties and the great increase in number of the **Asian population** whom, bit by bit started to settle and spread in the whole land of Egypt. Through a number of fifty years, the Asians started to join force and with their new skills, like ironwork and mastery of horses, invade Egypt. **Now if you read the Book Of Jasper it talks about how the Nubian Pharaoh was taken over by the invaders. They did this because of the strange animals and mighty Chariots. They got spooked. Also the Hyksos used Upper Egypt to take over the south. Now keep in mind the goal was to destroy the Seed of AHYAH.** "others refer to a 'creeping conquest', that is, a gradual infiltration of migrating nomads or seminomads who either slowly took over control of the country piecemeal or by a swift **coup d'état put** themselves at the head of the existing government." **(They love using Coup D'état Put. They us this all the time it is happening to the US as I speak.)** "For the first time, the Egyptians found themselves under foreign rule- the HYKSOS. This rule was in the fifteenth and sixteenth dynasties. The rulers did not impose a foreign system of government and kept themselves to the existing Egyptian systems. They kept records in Egyptian script, using Egyptian royal titles and copying Egyptian styles on art."

Now I would like to bring something to your attention. "They kept records in Egyptian script, using Egyptian royal titles and copying Egyptian styles on art"

Now please pay close attention. There is something happening here that most people let pass by. This was not just invaders from the north taking gold, land and occupying as long as they could. This was an attempt to rewrite His Story. Now keep in mind in part 2 you will see this in full effect and today you see two people pretending to be someone they are not. The German Edomite Jews in Israel and the Mongolian Edomite Arabs in Saudi Arabian both are claiming to be Hebrews. Now I want you to pay close attention. We are dealing with the demonic deities on a mission. Now I am not just saying this I will prove it. Now if you listen to my previous broadcast I spoke on how I am able to track the serpent thru time and see when I create change. This is his role as the creator. He manipulates Kingdoms to control the world: **"Revelation 13:18 Here is wisdom. Let him that hath understanding count the number of the beast: for it is the number of a man; and his number is Six hundred threescore and six."**

Now if we use the same formula as I did in part 2 of the Two Branches you will start with the year 160 BC being year 0 and then we Count with the number of the beast which is 666. Now this is code for the number 9. As you can see 666 is 18 and 1+8 is 9. So we take this Understanding into finding where the beast is in His Story. So 0 is the year 160 BC, now you subtract 720 years because 720 is equal to the amount of years that will create the number of the beast which is 9. So the year would be  $160 + 720 =$  year 880 BC then we do it again  $720 + 880 =$  year 1600 BC we see we are at the year when the Hyksos take over Egypt. They try to Morph into Nubians. Now keep in mind they are using the wall painting in the Tomb of Bani Hassan to pretend to be Hebrews the people of AHYAH. So why did they do this and how is it that they so happen to be in Egypt the same time the Hebrews are there? This is not a joke! There is a bigger plan a work here.

This is the name of the first ruler of the Hyksos Dynasty **Anat-her** Now here is some information about his name: **Anat-her** was a ruler of the Hyksos Sixteenth dynasty of Egypt around 1600 BCE during what is often referred to as the Second Intermediate Period. Now this is exactly 720 years from 880 which is another year to notice we will hit on later.

Now keep this in mind **Upper Egypt** ruled from 1650 to about 1588 they are the ones that joined with the Hyksos to Usurp Lower Egypt under Nubian control. Check out the name of the Pharaoh at the top of the chart in the Upper Area:

**“Djehuti (Thoth, Hermes Trismegistus)Djehuti [Thoth or Hermes Trismegistus]:** The God of mathematics, writing, and scholarship. In some creation myths He is the voice of Ptah (the word or logos that appears in Christian and Jewish creation myths) as Ptah emerges from the Cosmic Egg. In the creation myth of the Ogdoad revealing the Ennead, Djehuti and Seshat play the role of primary creation deities. Djehuti is typically shown with the head of an ibis or a baboon. Considered by the Greeks to be the same God as the Greek Hermes and the Roman Mercury.”

**Now look at the name of the first Hyksos Pharaoh. Anat-her And it reads:** "Anath is content" and refers to the Semitic goddess which affirms his non-Egyptian heritage. **Now Notice different deity.** In the Ugaritic Ba'al/Hadad **cycle** ‘

“**Anat** first appears in Egypt in the 16th dynasty (the Hyksos period) along with other northwest Semitic deities. She was especially worshiped in her aspect of a war goddess, often paired with the goddess `Ashtart. In the Contest Between Horus and Set, these two goddesses appear as daughters of Re and are given in marriage to the god Set, who had been identified with the Semitic god Hadad.” Now keep this in mind. 720 years later another Deity will be able to Rule in the place of Anat. So in 880 we will also see a change to usher in a new god.

**Now look who was given power by these deities at this time: And it Reads:**

Shalmaneser III "the god Shulmanu is pre-eminent") was king of Assyria (859 BC – 824 BC), and son of the previous ruler, He was the King Of Babylon.666

“In 842 BC, Shalmaneser campaigned against Hadadezer's successor Hazael, forcing him to take refuge within the walls of his capital. While Shalmaneser was unable to capture Damascus, he devastated its territory, and Jehu of Israel (whose ambassadors are represented on the Black Obelisk now in the British Museum), together with the Phoenician cities, prudently sent tribute to him in 841 BC. Babylonia had already been conquered as far as the marshes of the Chaldaeans in the south, and the Babylonian king put to death. It was the Assyrian king who defeated the Western coalition at Qarqar.”

“The reign of Jehu's predecessor, Jehoram, was marked by the Battle of Ramoth-Gilead against the army of the Arameans(Became the Edomites Jew and Edomite Arabs. aka Hyksos aka Amalikites); there Jehoram was wounded and afterwards returned to Jezreel to recover. He was attended by Ahaziah, the king of Judah, who was also his nephew (2 Kings 8:28f) Jehu slew Jehoram and became king himself. The author of Kings describes that, while the captains (commanders) of the Israelite army were assembled away from the king's eyes, the prophet Elisha sent one of his students to this meeting. This student led Jehu away from his peers and anointed him king in an inner chamber, then immediately departed (2 Kings 9:5-6). Now how did the Seed Of the Serpent slep in to the House of Israel? Was it threw Saul the Benjamite?” **Listen to the Seed of Benjamin.**

Also when you get a chance find the picture of Jehu or his son kneeling at the feet of Shalmaneser III on the Black Obelisk. This man is not a Hebrew. His hair is not Afro it is Caucasian. The house of Israel was not the House of Judah. There are two stories going on here. **His Story and Our Story.**

Now the year 880 marked another time that the beast used his deities to control the fate of the people of AHYAH. This eventual lead to the 721 Captivity, then the 589 Captivity and AHYAH chastised the Amalikites by sending Alexander the Great. Alexander takes all of his gains of the Amalikites, but by the years 160 BC 720 years later we see the Amalikite Herod the Great the Edomite Jew becoming King Of The Jews. Now can you see it? Now we continue with the Hyksos: During the Hyksos period Anat had temples in the Hyksos capital of Avaris and in Beth-Shan (Palestine) as well as being worshipped in Memphis. On inscriptions from Memphis of 15th to 12th centuries BCE, Anat is called "Bin-Ptah", Daughter of Ptah. She is associated with Reshpu, (Canaanite: Resheph) in some texts and sometimes identified with the native Egyptian goddess Neith. She is sometimes called "Queen of Heaven".

So the point I want to make is that there is a lot more going on here then simple usurpation for land. This is an attempt to takeover. Not just the Hebrews, but anything that has the spirit of AHYAH. Look at the state of Africa today.

They are tiring to stop the message, and they did it at a time when the Hebrews where suppose to teach AHYAH to the Egyptians. **Okay** now in the year 1550 we have the following Egyptian Pharaoh.

### **Kamose - Ahmose I**

Ahmose I (sometimes written Amosis I, "Amenes" and "Aahmes" and meaning Born of the Moon) was a pharaoh of ancient Egypt and the founder of the Eighteenth dynasty.

Ahmose I (sometimes written Amosis I, "Amenes" and "Aahmes" and meaning Born of the Moon) was a pharaoh of ancient Egypt and the founder of the Eighteenth dynasty. He was a member of the Theban royal house, the son of pharaoh Seqenenre Tao and brother of the last pharaoh of the Seventeenth dynasty,

King Kamose. During the reign of his father or grandfather, Thebes rebelled against the Hyksos, the rulers of Lower Egypt. When he was seven his father was killed,[5] and he was about ten when his brother died of unknown causes, after reigning only three years.

Ahmose I assumed the throne after the death of his brother,[6] and upon coronation became known as Neb-Pehty-Re (The Lord of Strength is Re). During his reign, he completed the conquest and **expulsion** of the Hyksos from the delta region, restored Theban rule over the whole of Egypt and successfully reasserted Egyptian power in its formerly subject territories of Nubia and Canaan.[6] He then reorganized the administration of the country, reopened quarries, mines and trade routes and began massive construction projects of a type that had not been undertaken since the time of the Middle Kingdom.

Now I read this to bring you attention to something. Did you hear his suppressing the Hebrews or drowning in the Red Sea? Now I say this because **His** Story has said that **Ahmose I** was the Pharaoh that enslaved the Hebrews and caused the plagues and parting of the Red Sea. But there is a problem! The Amalikites are not enslaved by no man. They are the enslavers.

Now this part of the broadcast requires maturity and patience. Many of you are going to be shocked to hear what I am going to say. Well if it is too strong back up off it. Then come back at another time. Sometimes truth does this. It hits you right between the eyes. Okay let me read something:

“AHYAH All Praise Calm the Hearts, Still the Minds, Open the Ears and Open the Eyes. Thank you Father”

**And it Reads:** “The Hyksos rulers of the fifteenth dynasty of Egypt were of non-Egyptian origin. There are various hypotheses as to their ethnic identity. Most archaeologists describe the Hyksos as Semitic peoples from Asia since the names of their rulers such as Khyan and Sakir-Har incorporated Semitic names.”

Now listen to this deception: Now keep in mind the Hyksos are the Amalikites.

**Source:** By Manfred Bietak and the Hebrew/Israelite Four-Room houses at Avaris.

**Title:** Concrete physical evidence that the Hyksos were Hebrews.

The orthogonal structures of the Hyksos [at Avaris, in the Bronze Age] {Egypt c.1640-1530 BC} is {sic} the same as the Israelite four-room homes in the Iron Age. {Canaan/Israel c1200 BC} This proves that the Hyksos were Hebrews and later Israelites. The idea that the Hebrew-Hyksos were **slaves** has no merit.

Josephus was right when he said the Hyksos were the ancestors of the Israelites. The so-called exodus of the Israelites from Egypt was actually when the Hebrews were expelled from Egypt, around 1550 B.C.E. Respectfully, **Quote:** Robert Giles

**So Josephus taught that the Hyksos were the Israelites.**

Walter Mattfeld wrote in his article **Israel's "Aramaean" let me repeat that, "Israel's Aramaean", "Aramaean"** Origins (updated to 15 May 2005): {quote} Mainstream scholarship understands Israel's settling of the Hill Country is Iron I, ca. 1200-1000 BCE based on archaeological findings. Why then does the Bible's chronology have an Exodus "hundreds of years" earlier ? The answer is very surprising and has been preserved for almost 2000 years in the writings of an Egyptian priest/historian called **Manetho**.

He wrote a history of Egypt in the 3rd century BCE for his Hellenistic Greek overlord Ptolemy II. He noted that **TWO EXPULSIONS** occurred in Egypt's history, of Asiatics. The first was of the Hyksos of the mid 16th century and then another in the Ramesside era. He understood that the Hyksos fled to and settled at Jerusalem, but that 500 years later (Josephus' reckoning) "their descendants" reinvaded Egypt, resettling at the town they had been expelled from earlier called Avaris. After 13 years of "lording it" over the eastern delta, the Ramessides expelled the Hyksos' descendants a **SECOND TIME**, and they eventually again settled at Jerusalem.

**So Manetho also taught that the Hyksos were the Israelites.**

I advice you to look at the film The Exodus Decoded they spend lots of money and time telling us the the Hyksos are the Israelites. Now two things. If they claim to be the Israelites why do we fight it? Do you know what Yacob wrestled with or whom? And also this is part of their plan like I said. **We will speak on this later.**

Also I have to add this before everyone gets confused like I did when I was watching the film *The Exodus Decoded* by James Cameron, yeah James Cameron the *Titanic* and *Avatar*. You think he is being rewarded?

Here is a little back ground: “After expelling the Hyksos 15th dynasty, the native Egyptian New Kingdom rulers became more aggressive in reclaiming control of their state's borders. Thutmose I, Thutmose III and his son and coregent Amenhotep II fought battles from Megiddo north to the Orontes River, including the conflict with Kadesh.” **Now keep this in mind. The Hebrew of the Seed of Yacob is still in Egypt they did not leave Egypt YET.**

“Many of the Egyptian campaign accounts between c. 1400 and 1300 BC reflect the general destabilization of the region of the **Djahi**. The reigns of Thutmose IV and Amenhotep III were undistinguished, except that Egypt continued to lose territory to Mitanni in northern Syria.”

Take note of this name **Djahi**. **Djahi** is short for **Djahiuti** which means **Djehuti (Thoth or Hermes Trismegistus)** remember this was the Pharaoh that joined with the Hyksos aka Amalikites and took over Nubian Lower Egypt.

**And it Reads:** “During the late Egyptian 18th dynasty, the Amarna Letters tell the story of the decline of Egyptian influence in the region. The Egyptians showed flagging interest here until almost the end of the dynasty. **Horemheb**, the last ruler of this dynasty, campaigned in this region, finally beginning to turn Egyptian interest back to this region.”

Now this name **Horemheb** the last ruler of the Dynasty of Akhenaton. This man **Horemheb** was not of the bloodline of the Hebrew/Nubian Pharaohs, but yet he becomes the King.

Okay now I will continue: Now think about this they do not know when the Exodus happened. They cannot find it in **His** Story. Also they do not know where Mount Sinai aka Mount **Sin** is.

Yes Mount **Sinai** where God appeared to Moses and where the arch of the covenant was established. **Are you surprised? Well so was I.** I always assumed this was Historians and Archeologist tiring to discredit the Word, so I was like “man just looks in the word it happen in the 1<sup>st</sup> month of the year 14 days later.

**And Mount Sinai is in Israel duh.**” But, no! **No one knows.** They really do not know! **Clueless! Who knew! So** you mean to tell me you can tell me how to cut a lamb, how to sacrifice bull down to the slices, how many fringes I should have and what color, the complete measurements of the Temples, but you cannot tell me where The **Mountain of Sinai** is or the exact date and **location** of the most holy day of **Israel**. Now this might be surprising to some but **really!** I never gave it a second thought **that they did not know this.** If you plan to rob a bank you first have to know where the bank is.

Now what does this mean? Well it means deception, deception and more deception. Did you know that the Exodus that we thought was **Our** Exodus was not speaking about the Hebrews of the Seed of AHYAH’s people, **but** about the Hyksos or the Hibirus of the seed of the Amalikites and guess what the Hyksos call themselves? They are the Israelites the chosen people of the Gods? “ **Now I advice you to download and listen to “They Live Because We Sleep”** **Now** I know many of you are **shocked**, but should we really be that **surprised?** These demons have deceived the whole world. They have deceived the whole world the whole world, all of it and **everyone ALL.**

They turned their explosion from Egypt as the Exodus and created a covenant with their gods. Now many of you think I have lost my mind, but I challenge you to do the research. I believe a pack was made to go all the way. They think they can kill us all and AHYAH All Praise will not stop them. If you think I am wrong the look around.

Okay now back to this Mount Sinai which I believe where the pack was made.

Like I said many of you think I have lost my mind, but I challenge you to do the research. And once you find a reliable source, check the source and you will find Deception and lies and more deception and more lies. **Oh and it gets a lot worse.** Here **are the locations of Mount Sinai: Jabal al-Lawz** in Saudi Arabia, or **Mount Serbal** in the Sinai Peninsula, or **Jebel al-Madhbah** in Saudi Arabia, or **The Negev** in Petra, or **Mount Carmel** in Israel and **Mount Tabor** in Israel, So let’s see that’s 6 let me repeat that 6 locations. **So tell me** how do you loss a mountain? Let me get this right. You claim to be a Hebrew of the Seed of the Original peoples of Yacob, but you are not **black**, you hide the name of AHYAH, you kill everyone

for the land of Israel, but the two things that define who you **say** you are you cannot find. So you can't find the Mountain and you have no clue when you crossed the Red Sea. Now if AHYAH is going to split the Red Sea for you I think it might be a good idea to remember when it was done. Now am I the only one that thinks this is crazy? **I assumed they knew.**

Now people what are we doing here? Is this a game? Are you playing with AHYAH! How can you loss a **Mountain**? Now this brings me to the covenant and the commandments. **So what now?** If you can't find the **Mountain** you will never find the **Arch of the Covenant** and why are they always losing stuff. They lost 10 tribes, they lost their color, they lost the arch of the covenant, so they lost the laws, lost the date of the Exodus and lost the Mountain of the covenant. Man I was really asleep.

Okay know if this does not tell you to not trust these people nothing will. But Hebrews there is hope. By now you should know there is no why in hell you are going to learn about who you are from this Religion called **Judaism.**

Now I will speak on the Covenant! Before people have heart attacks. First of all they do not understand the Wisdom of AHYAH All Praise His Name.

The Covenant was not made with them. It was not written in a book or written in in stone. It was written in the DNA of the Seed Of AHYAH's people. The Covenant is an unbroken contract between us the messenger of the Truth so that we can show the world that AHYAH is the True creator of this world. We don't need to write down the laws because the laws are written in our heart. I love and server only one and his name is AHYAH All Praise, I do not need to create an image to remind of his existence it's in my DNA. I Honor my Mother and My Father, because it is in my natural, I don't commit idolatry, because when I'm with the one I love I'm with you. And I would never break our covenant of trust. I worship AHYAH every chance I get and every time he comes to my mind, so I do not need a day. I will never murder but I will kill if I have to. I won't steal, but if I am hungry it's mine. I rarely lie, because I fear no man. And if I can't buy it or get it myself I don't want it. The covenant is in **your** DNA and if you don't get this point you will never understand. All these things come natural when you Know AHYAH our YAHUWAH.

**Now let's get back to our story.**

I will start with a statement: Bruise Don't Mean Bruise

Bruise is the Hebrew word Shoof like **HOOOF** but Shoof - **Sh** – (Sharp, Press, Eat and Two) **Vav** (Add, Secure and Hook) **Ph** (Blow, Scatter and Edge). **Shoof** So the last shall be first, and the first last. The Hebrew of the Seed Of Yishmael the first AHYAH did hear and Yacob the last that caught this beast by **heal**. **Shoof** is the sound we will hear. As our sharp **Sword** will Press will Eat consume as we snap his body in Two. **Shoof Vav** (Add, Secure, Hook) The Seed of AHYAH's people will Add come together to overwhelm this beast, we will secure this world in the name of **AHYAH All Praise His Name** and Hook control this beast. **Shoof Ph** And AHYAH will **Blow** and **Scatter** this beast to the Edge where there is no escape. The **Seed** Shall Bruise His **Head**. Now as you see Bruise Don't Mean Bruise. **Listen to the Genesis 3:15**

**Genesis 3:15** “And I will put enmity between thee and the woman, and between thy seed and her seed; it shall bruise thy head, and thou shalt bruise his heel.”

Brother and Sister I think we just discover a crime scene “thou shalt bruise his heel” The Serpent SHOOFED Yacob. Yacob is the heel his name means hell catcher. But listen to what the word heel means in the Original Ancient Hebrew. Let me explain. But first the Strong's:

HEEL H6117; A primitive root; properly to swell out or up; used only as denominative from H6119, to seize by the **heel**; figuratively to circumvent (as if tripping up the heels); also to restrain (as if holding by the heel): - take by the heel, stay, supplant, X utterly. (First here it says used only as denominative from H6119)

In Genesis 3:15 we see reference H6119. So this means that Yacob will still seize this beast and SHOOF his head. So this name H6119 is the name of the Hebrews of the Seed of Yacob. How do we know 100% because in H6119 we have the Character AH which means (Look, Reveal, Breath) the name of AHYAH is always in those he has chosen?

**Yacob:**

**AYin** = (Watch, Know, Shade), **Quph** = (Condense, Circle, Time), **Kaph** = (Bend, Open, Allow, Tame), **AH** = (Look, Reveal, Breath)

We are the Heel Catchers and Neck Breakers.

But H6117 has another meaning.

**AYin** = (Watch, Know, Shade), **Quph** = (Condense, Circle, Time), **Kaph** = (Bend, Open, Allow, Tame)

They are the predators and murderers, now place close attention. Who is watching and knowing who we are in the shadows? Who threw out time thru cycles like the 720 years cycle **Condensed** the Hebrews and destroyed our number? Who bend us thru religion and opened our defenses and which allowed him to tame or control or enslaved us? Who the Serpent “thou shalt bruise his heel”. Now let’s speak about the crime. “The Live Because We Sleep” If you would have received this message 2 years ago imagines how far we would be? Now we have barely a year to get it right. But it’s all a part of the plan.

So when Yacob wrestled with the Angel he was bruised by Israel. Think how did Yacob become Israel? If 3:15 states that Yacob will kill the head meaning the serpent, then serpent would lay and wait for an opportunity to kill him first. Now again who did Yacob wrestle with was it a deity, was it YAHUWAH, or was it Esau? And why did his name become Israel, when it does to mean wrestle with God? You have to understand this the hour is very late. Israel is like a play on words Is Ra El it is a question Ra is the god of the Egyptians El is the god of the Sumerians the Eblaite, Ebla, Ugaritic, Ibiru the Akkadians are all from Sumeria. This is the birth place of the demonic the so called Fallen Angels the hidden gods. EL is one of their chief gods this was a demon. The name means – (to rule, be strong, have authority over) or The Prince El this is way Sarah is called princess and Israel which is the name Sarel, **S .A .R** Sar means prince. You have to understand this. Because it all this is true and it is then we have not a clue what we are reading. But we do know one thing. (**Bruise don’t mean bruise**). Now the more I understand the more I believe is that in Our original Story Yacob was killed. I think first he encounter this being which most likely was Esau. Esau was possessed by this spirit. This is why Phanual Uriel which meaning the face of God or the witness of AHYAH wanted the name. So we could identify who it was. This might explain why the Children of Yacob did not willing want to mix with Esau. But he forced his way into Yacob’s genealogy. And by knowing whom was hiding

inside of Esau this sealed his Judgment. Now think the Deities make a bond with the Seed of Esau. Esau now becomes intermarried with the Amalikites whom are the true seed of the serpent and they both set out to destroy the seed of Yacob completely. Now keep in mind IS RA EL.

After he is the Hebrews are now a bit lost and Judah becomes the head of the family. They most likely go into Egypt. **START** I believe that the name Amu was not for the Hebrews but for the Hyksos, but was switched to seem like it was for the Hebrews Of The Seed Of AHYAH. Why? Because the Egyptians hated them. Amu means the people of god. At first they were kind and friendly then they took over. Now let's trace it back Yacob, Issac and Yishmael. **(I had to edit this part of the transcript during broadcast so info will not match-Dawid)** **END** How old would Yishmael and Hagar be at this time? Think about it they meet up with their family whom is whom is royalty because their Uncle and Aunt are now of the blood of the Kings and Pharaohs of Egypt. Hagar is the true Princess not Sarah. The Hebrews are intermarrying with Yishmael and after both are expelled from Egypt they becoming Mitzrayim. Who are the Mitzrayim? They are the ones that will have heavy bondage, put in bags, placed in a tight spot the narrow place.

Now hang in there. I advice you to research everything I say, because if this is TRUTH which I know it is then we are way more powerful then you think. We come from Kings and Queens literally.

Now check it out. Since the Hyksos aka Amalikites knew that if we start to wake up and call upon AHYAH it's all over for them. So where ever we are they are. If we go to Egypt they are in Egypt. And whenever the message starts to come thru the root gets cut. Look at Our Story in 160 BC Yahushauh murdered and they stole the Word created Christianity. In 632 AD Muhammad is murdered and they stole the Word turned it into Islam. They created the Religions. They used that same religion to place us on ships and place us in heavy bondage.. Mitzrayim. Now before you believe me please do the research I will have all of the information on the website hundreds documents for you to put the piece together. And remember **“Bruise don't mean bruise.”**

Now I said a lot today Hebrews. And I know it is going to take some time to sink in, but unfortunate time is not on our side. These demons are moving in for the

final kill to setup their Kingdom 720 years after the last phase, which was the Rise of the Ottoman Empires. I know we will Wake Up before it's too late. All we need is numbers speaking in unison, but if we are speaking in ignorance the world is not going to listen. You have to know what you are speaking. You need to be 100% clear and have no doubt. And if you do not know be honest just say I do not know, but I believe YAHUWAH will show you when it's is time. Now I am going to end this broadcast with the game called connect the dots.

But before I do am going to read something:

### **Muhammad (Peace Be Upon Him In Aksum)**

Aksum remained a strong empire and trading power until the rise of [Islam](#) in the 7th century. However, unlike the relations between the Islamic powers and Christian Europe, Aksum (see [Ashama ibn Abjar](#)), which provided shelter to [Muhammad](#)'s early followers around 615, was on good terms with its Islamic neighbors.<sup>[8]</sup> Nevertheless, as early as 640, [Umar ibn al-Khattāb](#) sent a naval expedition against [Adulis](#) under [Alkama bin Mujazziz](#), but it was eventually defeated

### **And article number two:**

Queen Hatshepsut, established the [trade networks](#) that had been disrupted during the [Hyksos](#) occupation of Egypt during the [Second Intermediate Period](#), thereby building the wealth of the eighteenth dynasty. She oversaw the preparations and funding for a mission to the [Land of Punt](#). The expedition set out in her name with five ships, each measuring 70 feet (21 m) long bearing several sails and accommodating 210 men that included sailors and 30 rowers. Many trade goods were bought in Punt, notably [myrrh](#).

### **Okay now where is the land of Phut:**

At times Punt is referred to as *Ta netjer*, the "land of the god".<sup>[3]</sup>

The exact [location](#) of Punt is still debated by historians. Most scholars today believe Punt was located to the south-east of Egypt, most likely on the littoral of what is today. Northern [Somalia](#), [Djibouti](#), [Eritrea](#) and the [Red Sea](#) coast of [Sudan](#). It is also possible that the territory covered both the Horn of Africa and Southern Arabia. Now if you notice this is the area that is being flooded by the west. This is where the root of who we are and the link to Our Story.

### **Why did I read this?**

First to help you understand the Ahkdam come from royalty. They are in Yemen today because who they are. They are of the seed of those that came to set the

captive free. They are AHYAH's people from the root of Yacob and or Yishmael. Now we have to understand how they played with our names, to confuse the Truth, but they always hide it in plain sight. You can tell by the way they treat AHYAH's people that they have something to hide. So who are the Ahkdam? **First** they came from the mighty Kingdom of Aksum the Aksum Kingdom lasted until 940 AD.

Now here is where you have to pay close attention, because we are dealing with a thief and a liar. Our Power Is In Knowing the so called unknowable. We first observe a women named **Queen Judith**. **And it Reads:** She laid waste to Axum and its countryside, destroyed churches and monuments, and attempted to exterminate the members of the ruling Axumite dynasty. Her deeds are recorded in the oral tradition and mentioned incidentally in various historical accounts. A Hubraic women (**keep in mind Hubraic is not Hebrew of Yacob**) **and it reads:** Queen Judith I and her subsequent destruction of Orthodox monasteries resulted in the destruction of most such records. **Yekuno Amlak** I re-established the dynasty through birth traced to the last Solomonic King of **Axum Dil Naod**.

**Now think about this Queen Judith** "She laid waste to Axum and its countryside, destroyed churches and monuments, and attempted to exterminate the members of the ruling Axumite dynasty" **What records?**

Also this statement the Solomonic King is Talmud. Keep this in mind. Now we have to be mature. Who is in control of this planet? Would he place himself in power or The Seed Of his Enemy in power?

When Yekuno Amlak overthrew the last ruler of the Zagwe dynasty. Yekuno Amlak claimed direct male line descent from the old Axumite royal house that the Zagwes had replaced on the throne. Menelik II, and later his daughter Zewditu, would be the last Ethiopian monarchs who could claim uninterrupted direct male descent from King Solomon and the Queen of Sheba. Now I know many of you are having heart attacks right now, but think Christianity was a creation by the council of Nicaea. The symbol of the cross is a mark. The Mark is called the Mark of Cain. Now look it up, do your research. The Mark of Cain is a Hoof print of an animal a Goat or Deer Hoof. 4 mark two small at the top two large at the bottom. This is very important to understand. Why?

"And the LORD shall scatter thee among all people, from the one end of the earth even unto the other; and there thou shalt serve other gods, which neither thou nor thy fathers have known, even wood and stone."

**And it Reads:** (both Lij Iyasu and Emperor Haile Selassie I were in the female line, Iyasu through his mother Shewarega Menelik, and Haile Selassie through his paternal grandmother, Tenagnework Sahle Selassie). The male line, through the

descendants of Menelik's cousin Dejazmatch Taye Gulilat, still existed, but had been pushed aside largely because of Menelik's personal distaste for this branch of his family. Now why am I reading this? Because all of this is deeply connected to Christianity and Christianity has its roots in the Hermetic Myth. **If you are confused do your research.** Now knowing what you now know. Is this a good thing? The Aksum Kingdom which housed the Ahkdam people where not much protection from Queen Judith, because she was of the Hermetic Myth.

**Now watch:**

The Hebraic Queen Judith has a connection to The Code of Hammurabi.

And it Reads: “The Code of Hammurabi is a well-preserved Babylonian law code, dating back to about 1772 BC. It is one of the oldest deciphered writings of significant length in the world.

The sixth Babylonian king, Hammurabi, enacted the code, and partial copies exist on a human-sized stone stele and various clay tablets. The Code consists of 282 laws, with scaled punishments, adjusting "an eye for an eye, a tooth for a tooth" as graded depending on social status, of slave versus free man”

“ The Code of Ur-Nammu "Although it is known that earlier law-codes existed, such as the Code of Urukagina, this represents the earliest extant legal text. It is three centuries older than the Code of Hammurabi."

“What is The Code of Ur-Nammu? It is the oldest known law code surviving today. It was written on tablets, in the Sumerian language c. 2100–2050 BC. Although the preface directly credits the laws to king Ur-**Nammu** of Ur (2112–2095 BC)”

So the Hammurabi Law comes from the Ur-Nammu law and this is the law of the Sumerians the Annunaki the fallen one. Okay now hold on we are connecting the dots.

The Code is inscribed in the Akkadian language.

The term **Hebraic** spelled **Hebraic** law refers to a set of ancient Hebrew Law as found in the Torah of the Hebrew Bible also known as Mosaic Law. The Hebraic law has a great similarity to the law as proclaimed by ancient monarchs of the Middle East, including **Hammurabi** of the 18th–17th century BC and his famous law code known as the Code of Hammurabi, and the law Code of Lipit Ishtar of the 20th century BC. Hebraic law, in a formal sense, may be construed to begin in the Book of Exodus, chapter 20, with the words: Now like I said before we have to understand what has happened, because I believe all of this is going to be admitted right before the so called Anti Christ come. First they tear down all of our beliefs. They destroy what they build. Then in our state of shock and confusion we accept the false god.

And it Reads: “And the Lord said unto Moses, thus thou shalt say unto the children of Israel, Ye have seen that I have talked with you from heaven” Now according to the Talmud where did this happen and when? Well James Cameron the maker of Avatar and Titanic the two top grossing films of all times the producer of The Exodus Decoded. He tells us in this film that the Hyksos the people called the Amu went to Mount Sin or Mount Sinai in **Jabal al-Lawz** in Saudi Arabia, and they made a Covenant with god. Look at the film.

Now do you see a problem? Who are the Hyksos? Are they the Amalikites? If so then the Amalikites are the Serpent and the Serpent is Enmity. So how did they become the Hebrews of the Seed of Yacob right before our eyes? They destroyed the Seed and that seed is the Ahkdam. Now let me continue.

“The Kassites were an ancient Near Eastern people who gained control of Babylonia after the fall of the Old Babylonian Empire after ca. 1531 BC to ca. 1155 BC They first appeared in the annals of history in the 18th century BC when they attacked Babylonia in the 9th year of the reign of Samsu-iluna (reigned ca. 1749–1712 BC), the son of Hammurabi, Samsu-iluna repelled them, as did Abi-Eshuh, but they subsequently gained control of Babylonia circa 1570 BC some 25 years after the fall of Babylon to the Hittites in ca. 1595 BC, and went on to conquer the southern part of Mesopotamia, roughly corresponding to ancient Sumer and known as the Dynasty of the Sealand by ca. 1460 BC. The Hittites had carried off the idol of the god Marduk, but the Kassite rulers regained possession, returned Marduk to Babylon, and made him the equal of the Kassite Shuqamuna.”

Okay now pay attention the Kassites merged with the Old Babylonian Empire and became the Babylonians. The Hammurabi Code comes from King Hammurabi.

King Hammurabi (Akkadian from Amorite ‘Ammurāpi, "the kinsman is a healer", from ‘Ammu, "paternal kinsman", and Rāpi, "healer"; died c. 1750 BC) was the sixth king of Babylon.

**Amorite** dominated Babylonians from Assyria by king Adasi circa 1720 BC, and in the south with the Hittite sack of Babylon (c. 1595 BC) which brought new ethnic groups — particularly **Kassites** — to the forefront in southern Mesopotamia. So now the Amorites and the **Kassites** are becoming one.

Okay now listen to this: In Arabic, the corresponding term for the Biblical Amalek is Imlīq, whose descendants Al-'Amālīq were early residents of the ḥaram at Mecca, later supplanted by the **Banu Jurhum**, and formed one of the first tribes of ancient Arabia to speak Arabic. “According to Arabic accounts, the tribe of the Jurhum gave protection to Hagar and her son Ishmael, a relationship cemented with Ishmael's marriage to **a Jurhumite woman**, al Muḍaḍ ibn 'Amr.[1] The

Jurhum are said to have been involved in the worship centering around the Kaaba, the holy sanctuary rebuilt by Ishmael and his father Abraham and revered as a pilgrimage site, where one of them rebuilt the temple there”

**Now they want to take Yishmael and Hagar’s blood line.** So the Amalikites which are the Hyksos are the people of the Exodus and now they are married to Yishmael as well. Do you see it? They always write themselves in.

The Amalekites were a people mentioned a number of times in the book of Genesis, and considered to be Amalek's descendents. In the chant of Balaam at Numbers, 24:20, Amalek was called the 'first of the nations', attesting to high antiquity. According to Muslim historians such as Ibn Khaldun and Ali ibn al-Athir, Amalek is a name given to the Amorites and the Canaanites. The name is often interpreted as "dweller in the valley", and occasionally as "war-like," "people of prey", "cave-men" In some rabbinical interpretations, Amalek is etymologised as a people am, who lick blood. **Okay I think you get the point!**

“After their expulsion from Mesopotamia, the Amorites of Syria came under the domination of first the Hittites and from the 14th century BC, the Assyrians. They appear to have been displaced or absorbed by a new wave of semi nomadic Semites, the Arameans, from circa 1200 BC onwards. And from this period the region they had inhabited became known as Aram” Now the Arameans became the Edomite Arabs of Petra you know this by researching the **Nabataean kingdom**. You will also hear this when you listen two **part 2**.

Now to complete this broadcast lets go back to the Ahkdam. The Ahkdam are from the area of Phut, Phut can be traced back to Queen Hatshepsut. This is the time when the Hyksos usurped the Nubians in 1650 the Hyksos came in as the Ammu which is short for Hammurabi. **Ham Ammu** Abi. Ammu the son of Nimrod the son of Ham. The people of god, but there was another people Of AHYAH that came around the same time first Hagar and Yishmael, then Judah and the Seed of Yacob. We know this because they were from **Ahkmim**. They had many Queens and Kings. One of the kings was named was **Ahkenaton**. **Ahkenaton** was the first, I repeat the first to Know the one creator known as Aten. He taught that Aten did not want Idols and Aten was the exact opposite of Anum, Ra, Set, Horus and all of the other deities in Egypt. The last of Akhenaton was Aya.

Whom was usurped by Horemheb (sometimes spelled Horemhab or Haremhab and meaning **Horus is in Jubilation**) Now do you think they might have changed something. Was Aten really AHYAH? After Ahkenaton the Hebrews of the seed of Yacob where expelled and went south. Now I am not going to say this without documentation. **So Record Research and Understand:**

**Pharaoh Horemheb (Horus is in Jubilation) was the usurper king that destroyed the Work of the Hebrews under Akhenaton his name meaning the Spirit Of Aten and we will learn that Aten is a name for AHYAH All Praise His Name.**

Now I really advice you to listen you many never hear this again:

**And it Reads:**

Pi-Ramesses was much closer to the Egyptian vassal states in Asia and to the border with the hostile Hittite empire. The biblical Book of Exodus mentions "Ramesses" as one of the cities on whose construction the Israelites were forced to labour. Now I am going to see if anyone was paying attention to my first broadcast and also explaining that 72 is the calling card of the beast because 72 is 9.

Now these are the names of the children of Israel, which came into every man and his household came with Jacob, Reuben, Simeon, Levi, and Judah, Issachar, Zebulun, and Benjamin, Dan, and Naphtali, Gad, and Asher And all the souls that came out of the loins of Jacob were seventy souls now keep this in mind he just mentioned 11 name and under those 11 names we have the number 70 now listen : for Joseph was in Egypt already now we have 71. So now who was the 72<sup>nd</sup> because all we have here is 71. I will give you a minute because it is like a riddle....Jacob is the 72<sup>nd</sup>. Now look he has 11 sons, they come in with a total of 70 souls and **one** is there plus **one** more, so Yacob makes  $72 = 70 + 2 = 9$ . Now we know Yacob was murdered by Israel aka Sariel the Prince of the Demonic, **so** who is this that came into Egypt and when? Well his name is **Yaqub-Har** known as (Yak-Baal) **like I said** watch the film **The Exodus Decode** produce by the man that gave us the movie Avatar James Cameron.

So the Hyksos, the Amalikites are of the 72 spirits of the Devine. Now please do your research all you have to do is know how to read their lies. 9 11 Count the number of the beast 666.

Okay now let's listen to what happens next. Now keep in mind this is 400 years after 1650 when the Hyksos were pretending to be The Seed Of Yacob. Now people, The Seed Of Yacob this is the Smoking Gun. How much more proof do you need that this is the Word of AHYAH ALL PRAISE AHYAH ALL PRAISE AHYAH ALL PRAISE AHYAH. HE EXISTS AND HE WILL SHOOF THIS BEAST. Because Bruise Don't Mean Bruise.

Now listen to Exodus: like I said we have to know how to read Our story because they hid it in their His Story. "And Joseph died, and all his brethren, and all that generation. And the children of the Seed Of Yacob were fruitful, and increased

abundantly, and multiplied, and waxed exceeding mighty; and the land was filled with them.”

Now think if you can influence the Pharaoh to destroy the gods of Egypt and replace them with **AHYAH**...so you think that's powerful? Okay now let me explain this clearly. The Hyksos are gone, taken out by Kamose. We know at this time the Hebrews Of The Seed Of Yacob were enslaved under the Hyksos. So what am I saying? Well this is not the 400 year prophecy. They are freed after Ka Mose kicked them out. We had it good for over 400 years because we lived in Egypt as Kings and Queens. But what happened? Kamose was succeeded by Ahmose I (Born of the Moon) and he is replaced by Amenhotep I (Amun is satisfied) and he is replaced by Thutmose I (meaning Thoth Born (Keep in mind Thoth is Hermes)) and he is replaced by Thutmose II ( meaning Born of Thoth, or Djhutymose now research the name - Djehuty) and he was replaced by Hatshepsut (She was a good Queen she open trade with Phut and repaired the damage done by the Hyksos. Notice her name: meaning Foremost of Noble Ladies) and she was succeeded by Thutmose III (meaning Thoth is born) and he was replaced by Amenhotep II ( meaning Amun is Satisfied) and he was replaced by Thutmose IV ( meaning Thoth is Born) and he was replaced by Amenhotep III (meaning Amun is Satisfied) Okay now I hope you are starting to see the pattern - Names have meaning. The Demonic spirits are coming back in. After Kamose they have been working and working and working to come back in.

And they were stopped by who? Amenhotep IV who CHANGED his name to Akhenaton (meaning "living spirit of Aten") Now can you see that Aten is really AHYAH All Praise His Name?, But what happen? In comes Horemheb who Usurped Aya the natural Successor of Akhenaton's line. Akhenaton the First to Understand AHYAH who is named the Living Spirit Of AHYAH. Now after Horemheb who's name means (**Horus** is in Jubilation) comes Seti I and then Ramesses I, and then we have Ramesses II.

Now I am going to read something to you: "KV55 is a tomb in the Valley of the Kings in Egypt. It was discovered by Edward R. Ayrton in 1907 while he was working in the Valley for Theodore M. Davis. It has long been speculated, as well as much-disputed, that the body found in this tomb was that of the famous 'heretic king' Akhenaten."

What is Heretic? "a professed believer who maintains religious opinions contrary to those accepted by his or her church or rejects doctrines prescribed by that church." **Now look at this word church.** CH UR CH: a building designed for public forms of worship, esp Christian worship, any division of this body

professing the same creed and acknowledging the same ecclesiastical authority,  
The Lords House.

Now Ch house the two letter **UR** and **UR** is home of the Great Flood of Sumerian.  
Now can you see it?

And it Reads: Ramesses: He established the city of Pi-Ramesses in the Nile Delta as his new capital and main base for his campaigns in Syria. This city was built on the remains of the city of Avaris, the capital of the Hyksos when they took over, and was the location of the main Temple of Set. He is also known as Ozymandias in the Greek sources, from a transliteration into Greek of a part of Ramesses's throne name, Usermaatre Setepenre, "Ra's mighty truth, chosen of Ra"

Now can it be anymore in plain sight then this? Okay now let's finish with Exodus

And it Reads: "Now there arose up a new king over Egypt, which knew not Joseph. And he said unto his people, Behold, the people of the Seed of Yacob are more and mightier than we Come on, let us deal wisely with them; lest they multiply, and it come to pass, that, when there falleth out any war, they join also unto our enemies, and fight against us, and so get them up out of the land."

**Exodus 1:11** Therefore they did set over them taskmasters to afflict them with their burdens. And they built for Pharaoh Treasure cities, Pithom and Raamses. But the more they afflicted them, the more they multiplied and grew. And they were grieved because of the children of Yacob. And the Egyptians made the children of Yacob to serve with rigour And they made their lives bitter with hard bondage, in mortar, and in brick, and in all manner of service in the field: all their service, wherein they made them serve, was with rigour.

**Now you know why we are named Mitzrayim. And now you know why they have to enslave us and keep enslaving us.**

Now to complete this broadcast lets go back to the Ahkdam. The Ahkdam are from the area of Phut, Phut can be traced back to Queen Hatshepsut. This is the time when the Hyksos usurped the Nubians in 1650 the Hyksos came in as the Ammu which is short for Hammurabi. **Ham Ammu** Abi. Ammu the son of Nimrod the son of Ham. The people of god, but there was another people Of AHYAH that came around the same time first Hagar and Yishmael, then Judah and the Seed of Yacob. We know this because they were from **Ahkmim**. They had many Queens and Kings. One of the kings was named was **Ahkenaton**. **Ahkenaton** was the first, I repeat the first to Know the one creator known as Aten. He taught that Aten did not want Idols and Aten was the exact opposite of Anum, Ra, Set, Horus and all of the other deities in Egypt.

The last of Akhenaton was Aya, But they where usurped by Horemheb this is the true Exodus the year was 1251 BC September 7<sup>th</sup> I say this because there was a solar eclipse and this might have spooked the demons so they kicked us out of Eygpt. So after we went from Babylon to Timbuktu. Enslaved by the Babylonians and taken to the tight spots, we were killed by the Greeks and empowered by the Roman. We became the **Ahksum** Empire and now the **Ahkdam**. In the year 1452 the decided to destroy us just in case Christianity did not stick and for 400 years we were sold raped murdered, tortured and enslaved all over the world. So now the people of the Seed Of Yacob and Yishmael are now all over this planet. You know us as slaves and former slaves. We are lowest in society, but we come from the greatest Kings and Queens on this earth, and we are blessed with the Spirit of AHYAH All Praise His Name.

Now to complete I am going to explain the plan of the Serpent in the event of us waking up. And as you will see he has no power.

1. **He** first wanted to setup the Alien Invasion, but the Internet destroyed that plan. I think you know it. It was the Planet Nibiru. It came and it went and now we see this whole Anunnaki from planet Hebrui is a joke. And I do not know how this London School of Economics graduate became an Ancient astronauts maybe it has something to do with the gold dust that the African where mining for Cecil Rhodes. Listen to Return of the Annunki.
2. **His** next option was the Hermetic Messiah, but his Messiah's keep getting caught up. Like the Antichrist Maitreya. Well this Hermetic Messiah is a black brother so they forgot he was operating on **BT** time they know we always late. For those that do not know BT time is Black People time. They also cannot produce the **Jew wish** Messiah because you cannot claim to be the people when you have the world turning against you watching news of children being shot and starved to death in **Palestine**.
3. **Now** they have the old trick with **a twist**. The Messiah is now the Madhi. Christianity and Islam rolled into one. Hermes Trismegistus (Three Times Fake) they plan to bring in WWIII with this one instigated by the Muslim brotherhood and Al Qaeda which was created by the House of Saud the bringers of the Quran. You know make Iran the victor and bring in Sharia law on everyone, But there is a major problem. Well you will hear this in Part 2.
4. **So** their last option is called the police state the final solution. Control the world by force. Exterminate those that resist and bribe the ones you can. Control by force and hope no one cuts a computer wire or the sun doesn't send a powerful surge or solar flare and burn the control grid. Or some 12 year old

nerd creates a virus and destroys your databases. Or the people of AHYAH  
Wake up Rise up and overwhelm this Beast. So this is his plan. The Mark of the  
beast. And this system is a joke.

**Prayer:**
